(57) **CLAIM**

The ornamental design for a first aid kit handle, as shown and described.

DESCRIPTION

FIG. 1 is a front, left, perspective view of a first aid kit handle showing my design;

FIG. 2 is a top plan view thereof;

FIG. 3 is a front, elevation view thereof;

FIG. 4 is a right side, elevation view thereof, the left side elevation view being a mirror image;

FIG. 5 is a bottom plan view thereof; and,

FIG. 6 is a rear elevation view thereof.

The broken lines showing a latch, a first aid kit case portion, pivot seams between first and second pivoting portions and a base portion, joining seams between the first and second pivoting portions, and joining seams between the first and second pivoting portions and the base portion are for illustrative purpose only and form no part of the claimed design.
