(57) **CLAIM**

We claim the ornamental design for the ball, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the ball showing our design; FIG. 2 is a right side elevation view thereof, the left side elevation view being a mirror image of the right side elevation view;

FIG. 3 is the top plan view thereof, the bottom plan view being a mirror image of the top plan view; and,

FIG. 4 is a front end view thereof, the rear end view being a mirror image of the front end view.
