(57) **CLAIM**

The ornamental design for a portion of a shoe outsole, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a portion of a shoe outsole showing my new design;

FIG. 2 is a rear perspective view thereof;

FIG. 3 is a plan view thereof;

FIG. 4 is a front perspective view of the shoe outsole of FIGS. 1-3 with the portion of a shoe outsole shown in a different location and orientation relative to the boundary of the sole outsole;

FIG. 5 is a rear perspective view thereof;

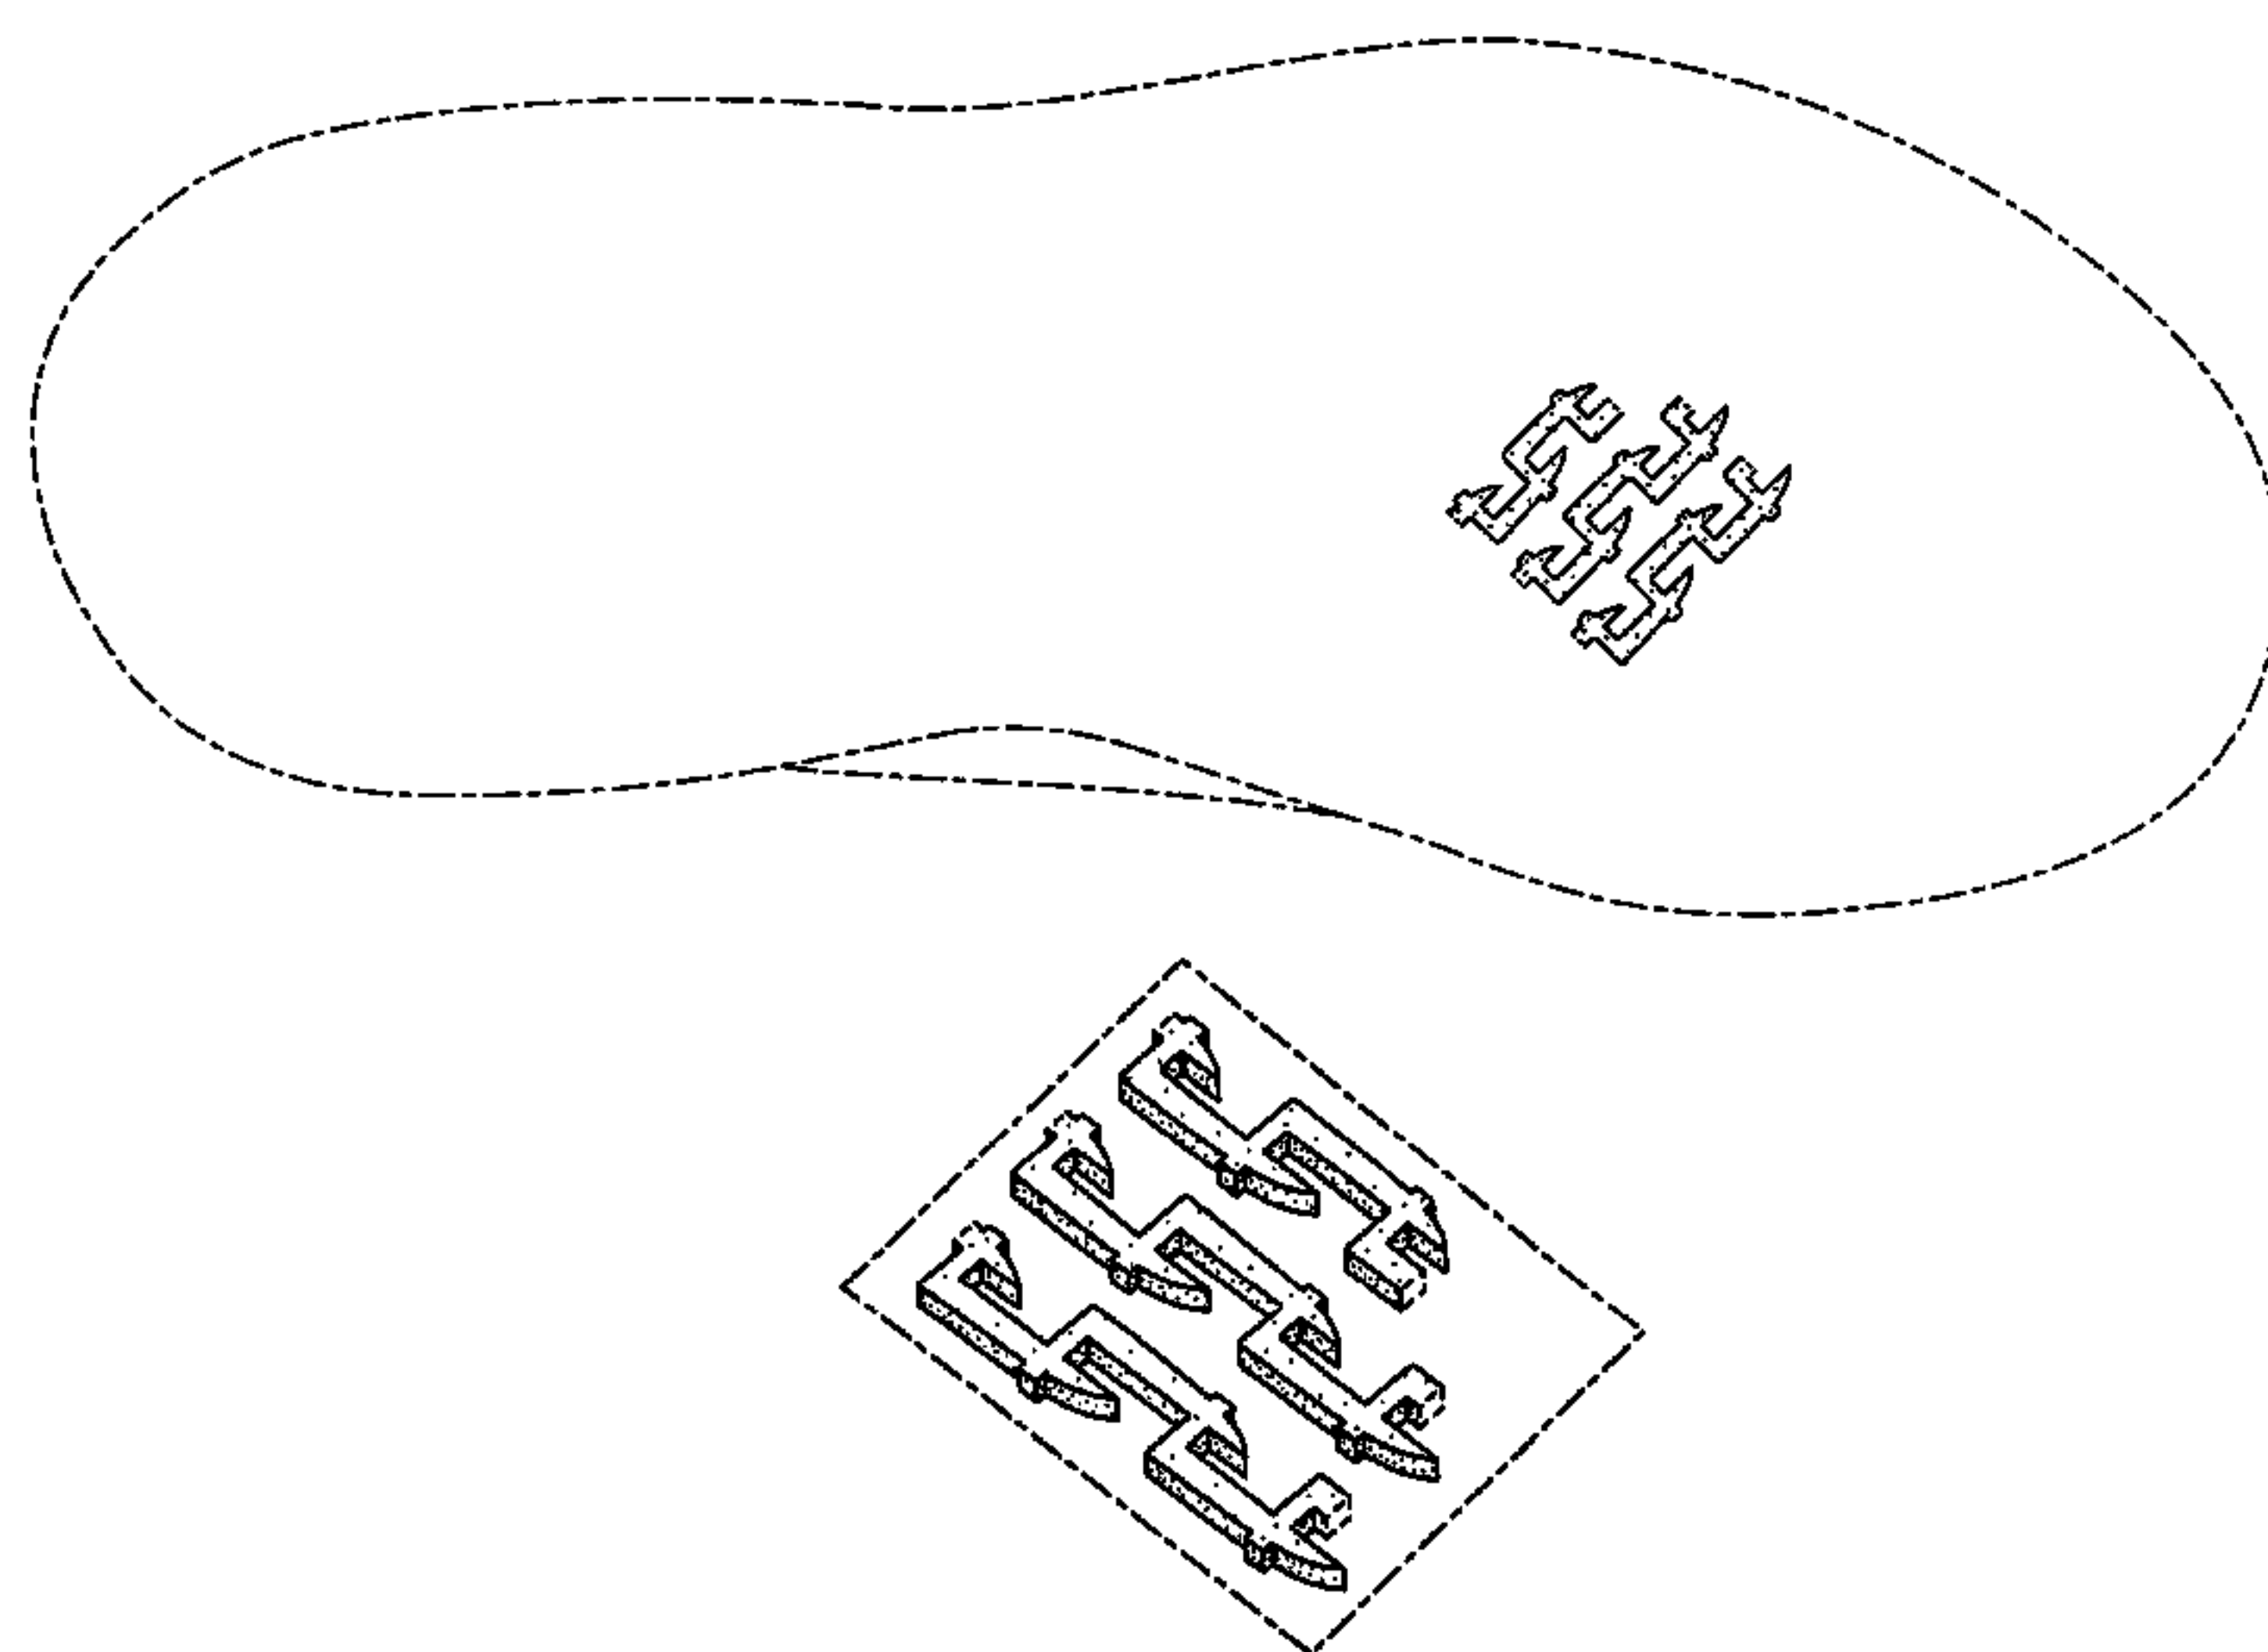

FIG. 6 is a plan view thereof;

FIG. 7 is an enlarged view thereof; the broken lines around the perimeter showing the environment in which the design resides; and,

FIG. 8 is an enlarged view thereof opposite FIG. 7; the broken lines around the perimeter showing the environment in which the design resides.

The claim is directed to the illustrated portion of a shoe outsole. The depicted locations and orientations of this illustrated portion relative to the boundary of the shoe outsole are for illustrative purposes only and the specific locations and orientations of the illustrated portion relative to the boundary of the shoe outsole form no part of the claimed design. The uneven broken line immediately adjacent to the shaded area represents an unclaimed portion of the boundary of the design. The uneven broken line showing of the remainder of the shoe and the shoe outsole, the uneven broken line showing of environment in FIGS. 7 and 8, and the surfaces between the broken lines and the solid lines are for illustrative purposes only and form no part of the claimed design.
