(57) **CLAIM**

I claim the ornamental design for U-shaped chain link cycle handlebars, as shown.

DESCRIPTION

FIG. 1 is a perspective view of the U-shaped chain link cycle handlebars according to the present invention.

FIG. 2 is a front view of the U-shaped chain link cycle handlebars according to the present invention.

FIG. 3 is a top view of the U-shaped chain link cycle handlebars according to the present invention.

FIG. 4 is a bottom view of the U-shaped chain link cycle handlebars according to the present invention; and,

FIG. 5 is a side view of the U-shaped chain link cycle handlebars according to the present invention.
