(57) **CLAIM**

The ornamental design for a computer having a bezel, as shown and described.

DESCRIPTION

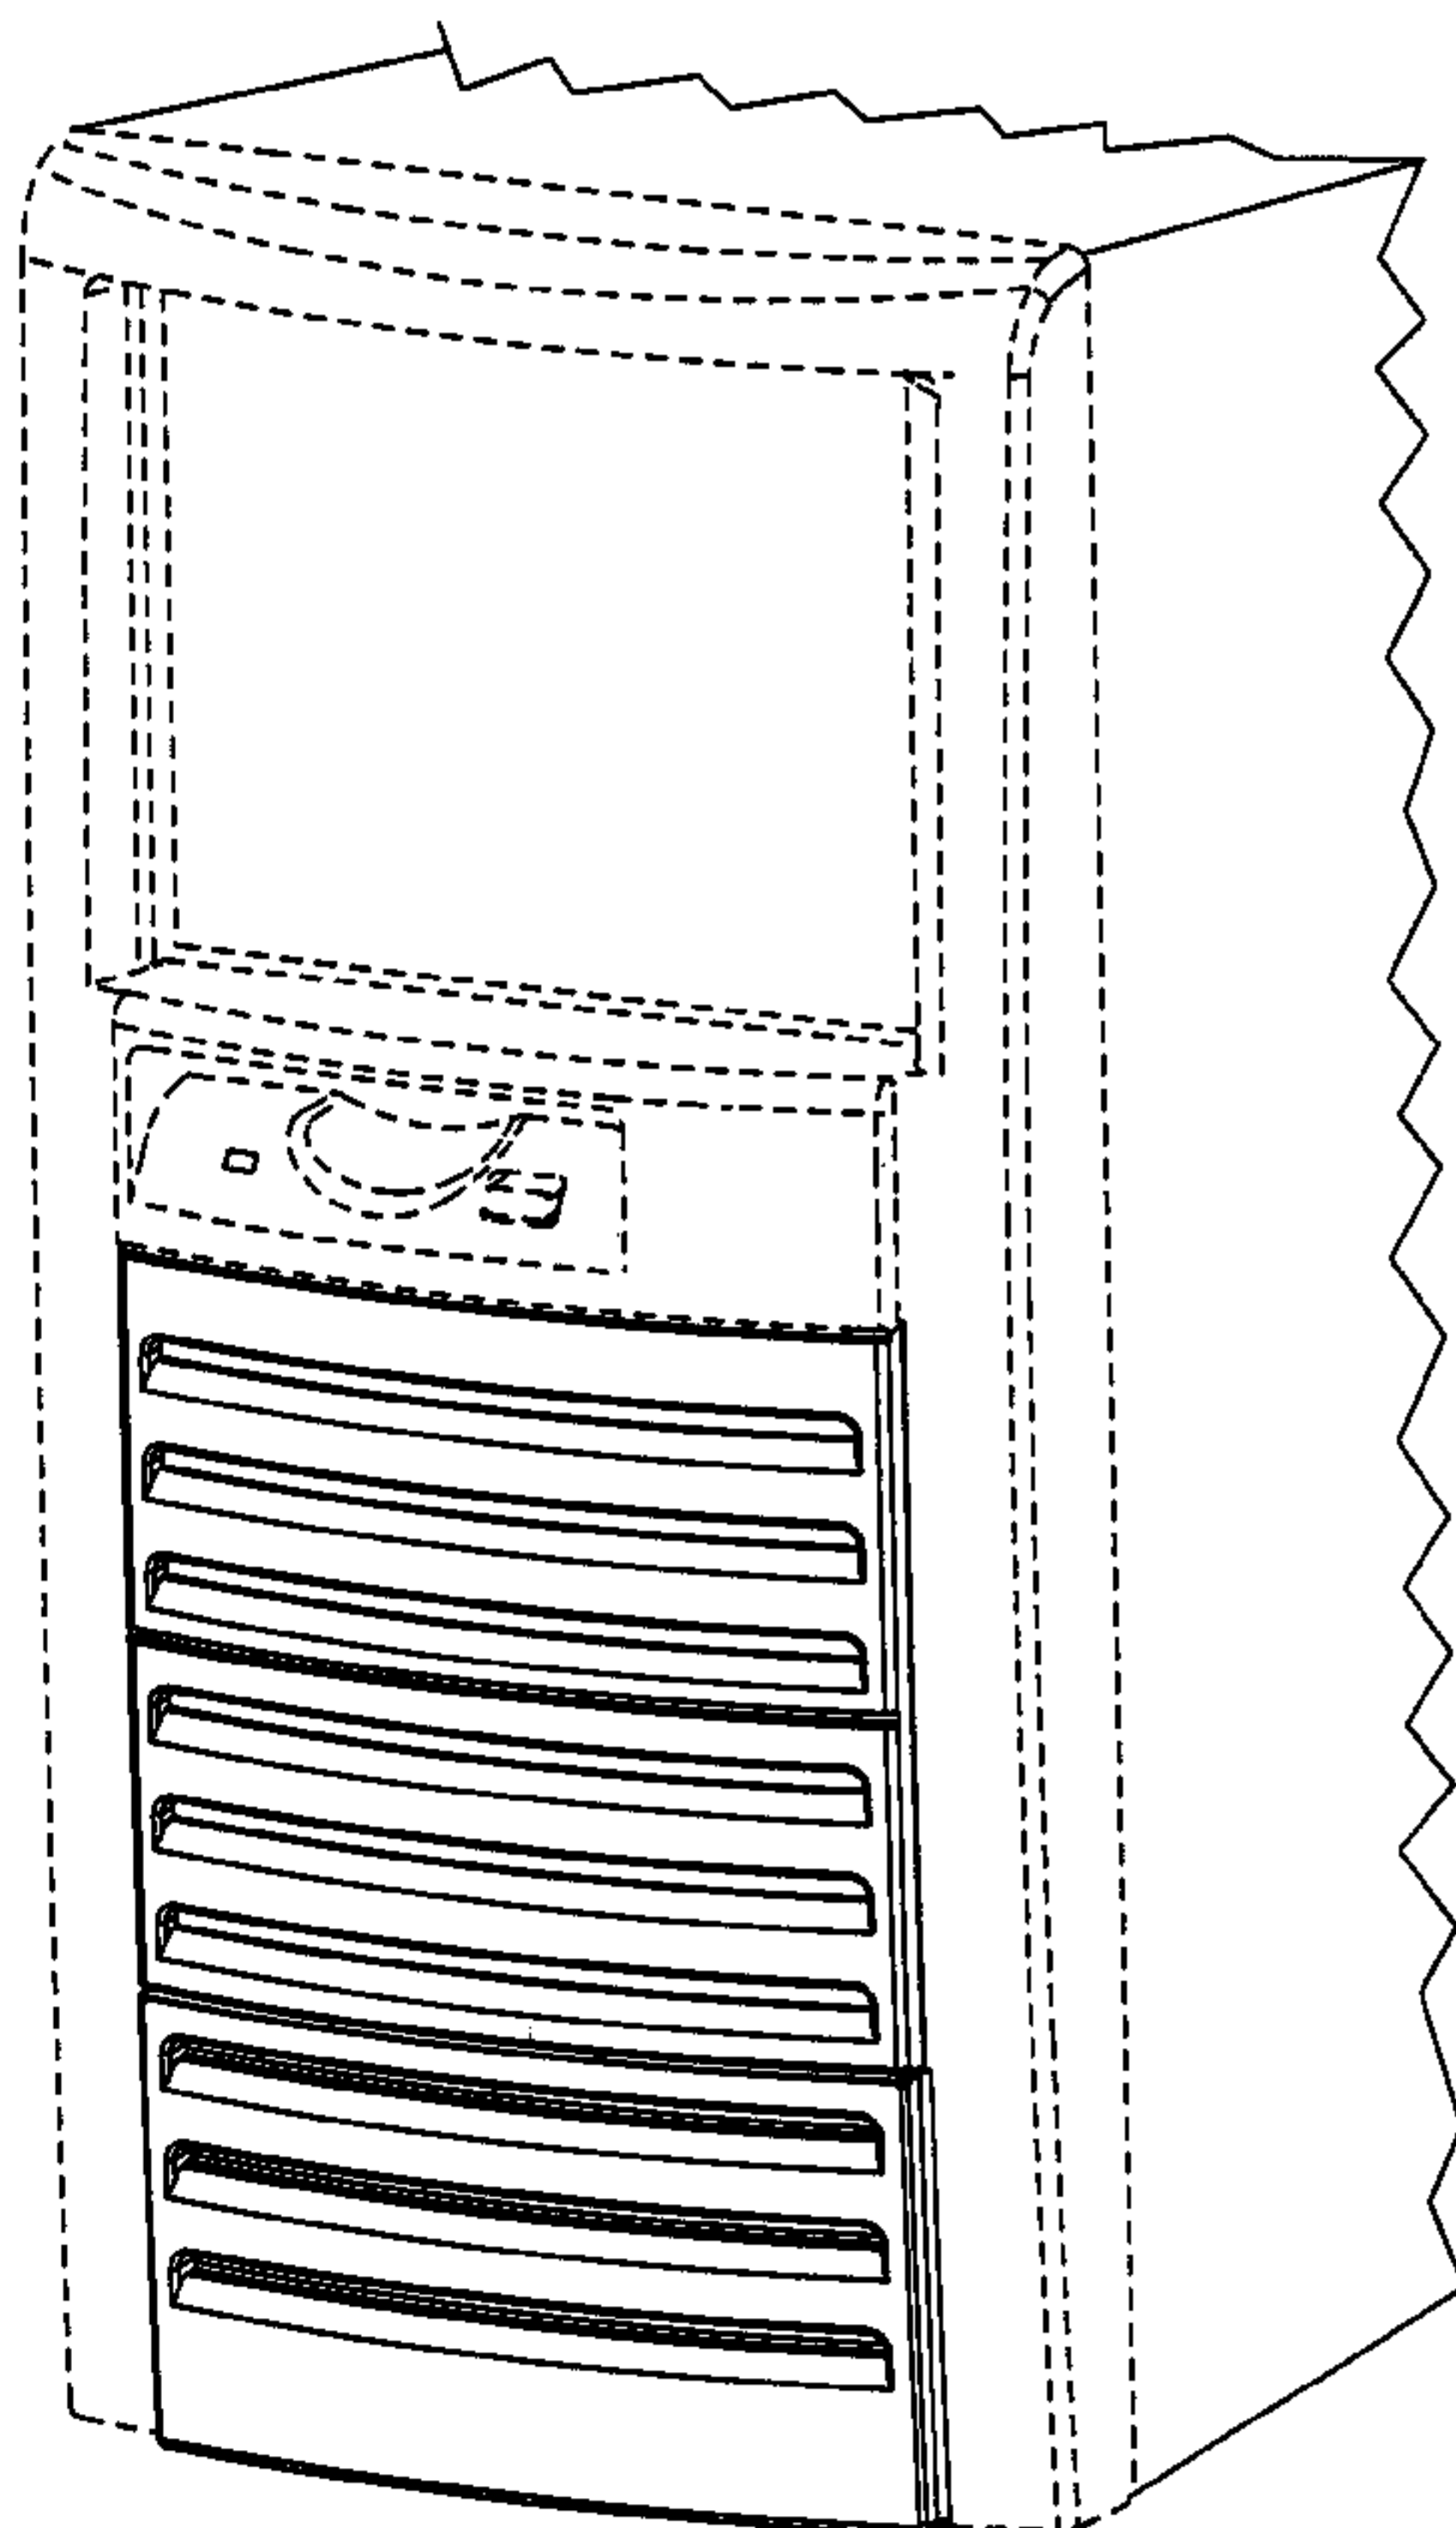

FIG. 1 is a perspective view of a computer having a bezel wherein the broken lines illustrate environmental features only and form no part of the claimed design; FIG. 2 is a front elevational view thereof; FIG. 3 is a right side elevational view thereof, the left side being substantially the same as the illustrated right side; and, FIG. 4 is an exploded perspective view thereof wherein a removable portion of the bezel is exploded from an opening in the computer.
