(57) **CLAIM**

The ornamental design for the table, as shown and described.

**DESCRIPTION**

FIG. 1 illustrates an isometric top view of the table, according to an embodiment of the present invention.

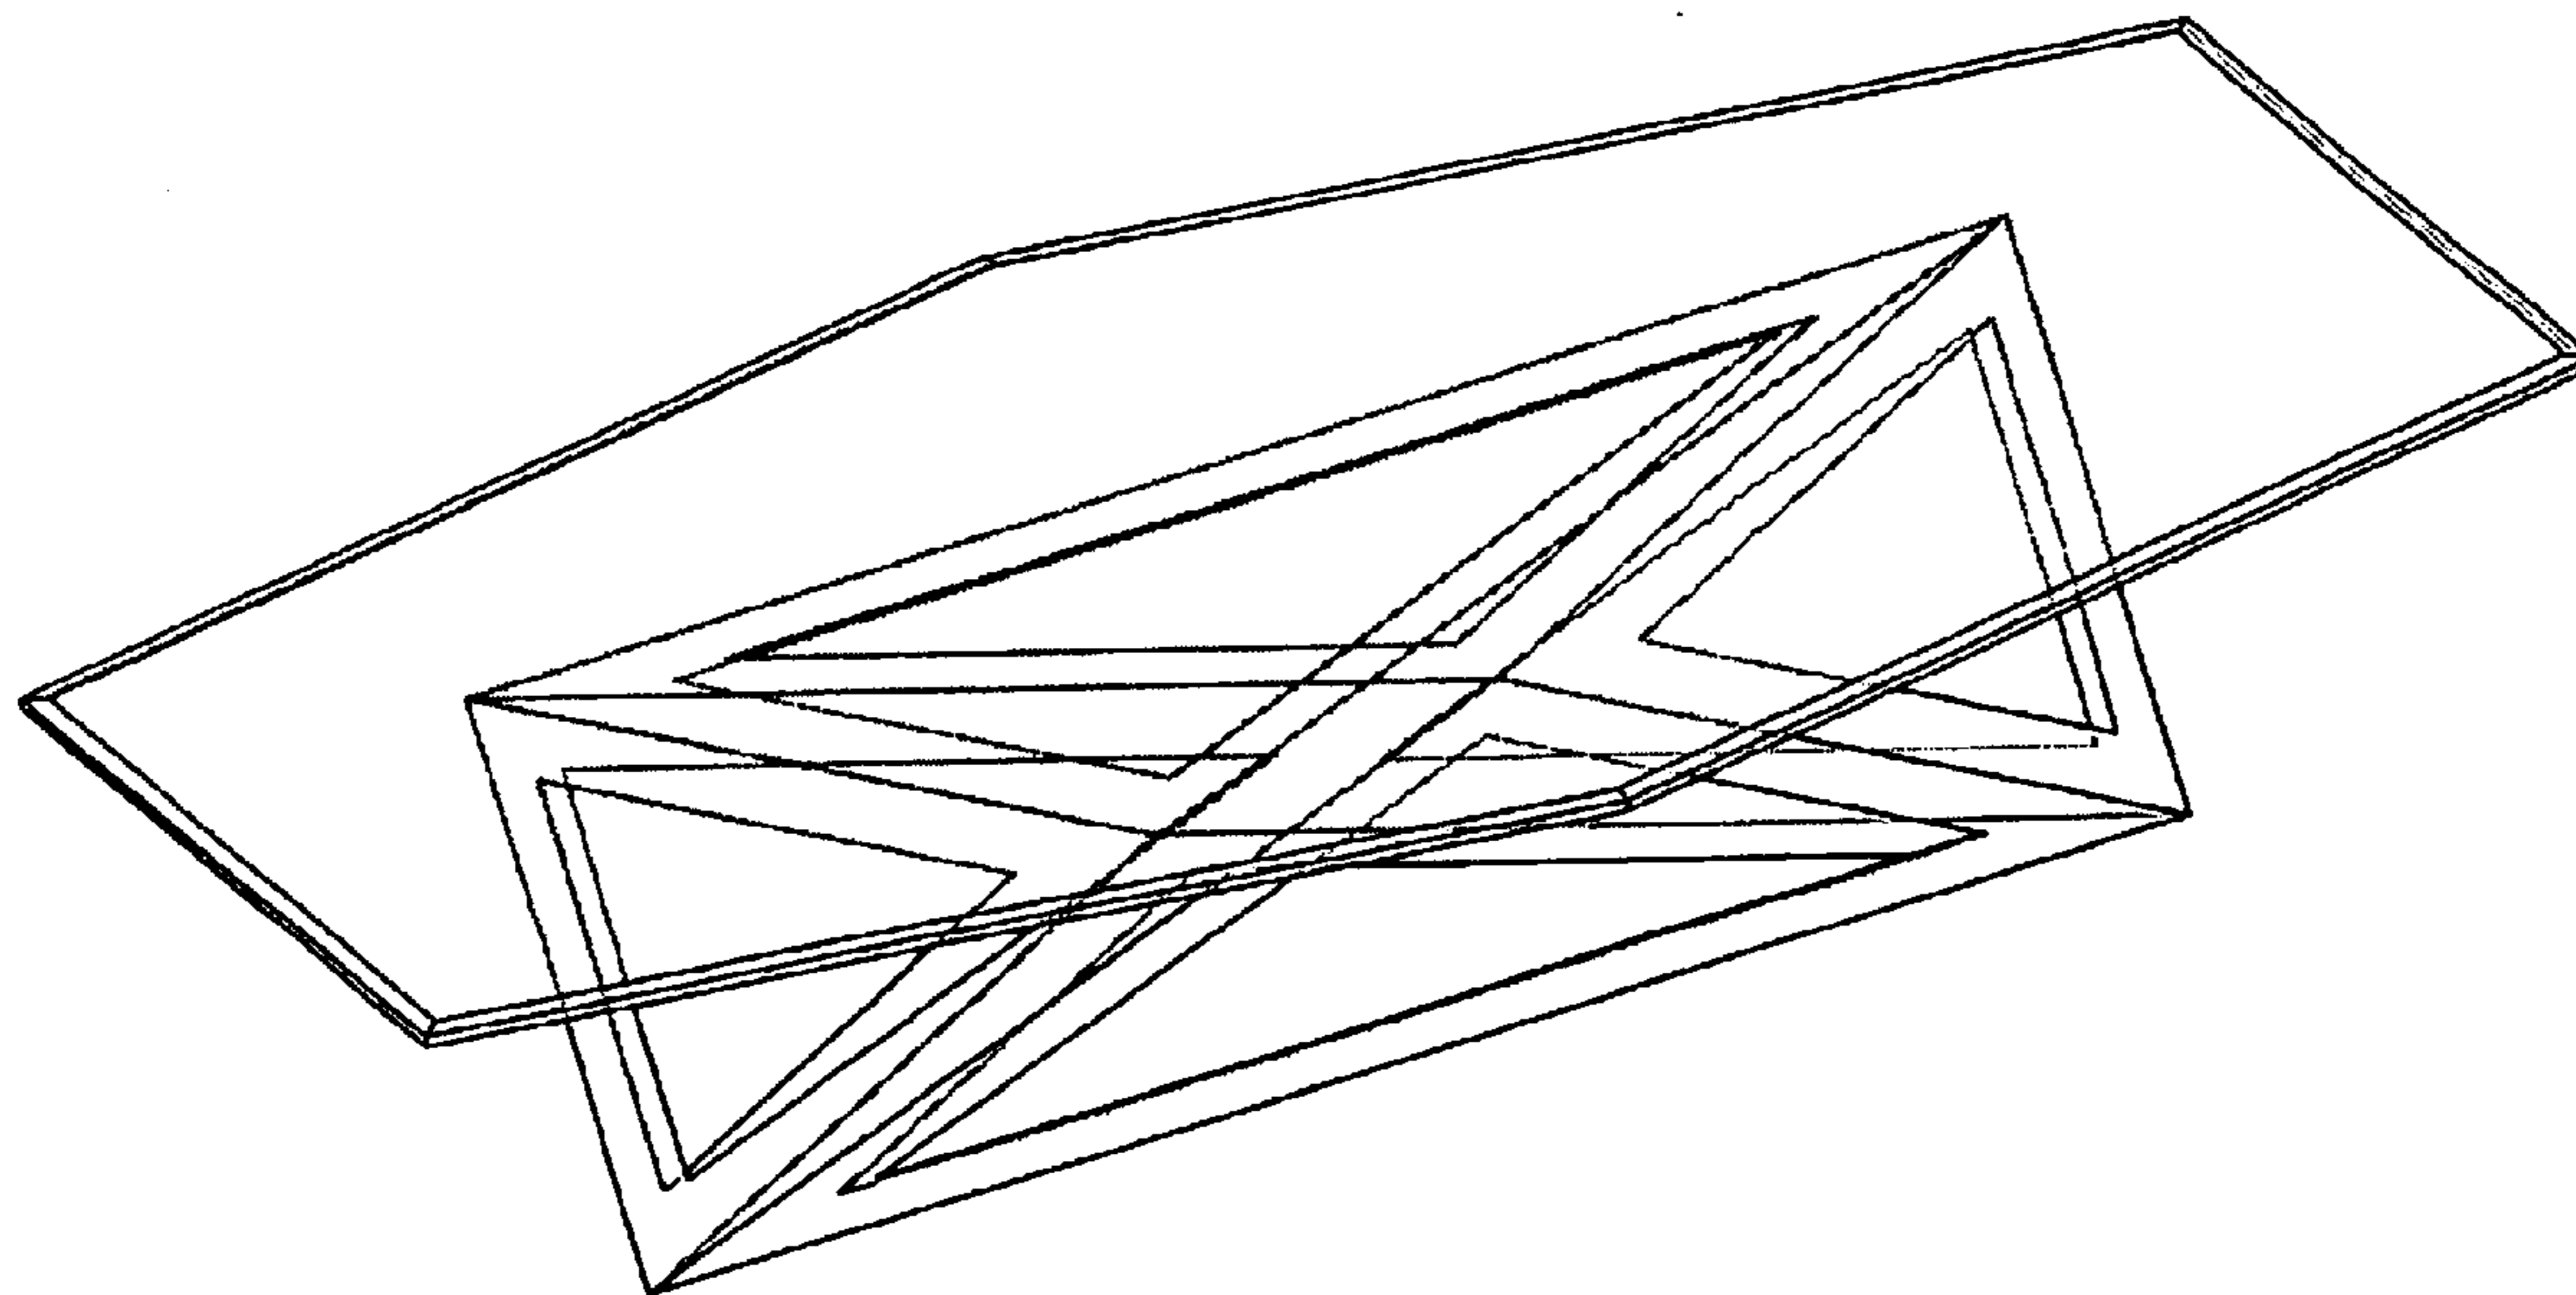

FIG. 2 illustrates a top plan view of the table, according to an embodiment of the present invention.

FIG. 3 illustrates a front elevational view of the table, according to an embodiment of the present invention; and,

FIG. 4 illustrates a right side elevational view of the table, according to an embodiment of the present invention.

The left side elevational view of the table is a mirror image of the right side elevational view of FIG. 4.
