(57) **CLAIM**

The ornamental design for a fly swatter cover, as shown and described.

DESCRIPTION

FIG. 1 is a front elevation view of the fly swatter cover showing my new design in the down position, also showing the magnetic strip located at the bottom front and rear of the cover;

FIG. 2 is a left side view of the invention in the up position; the right being a mirror image thereof;

FIG. 3 is a front elevation view shown in the down position, showing the magnetic strip at the bottom;

FIG. 4 is the right side view of the invention in the down position;

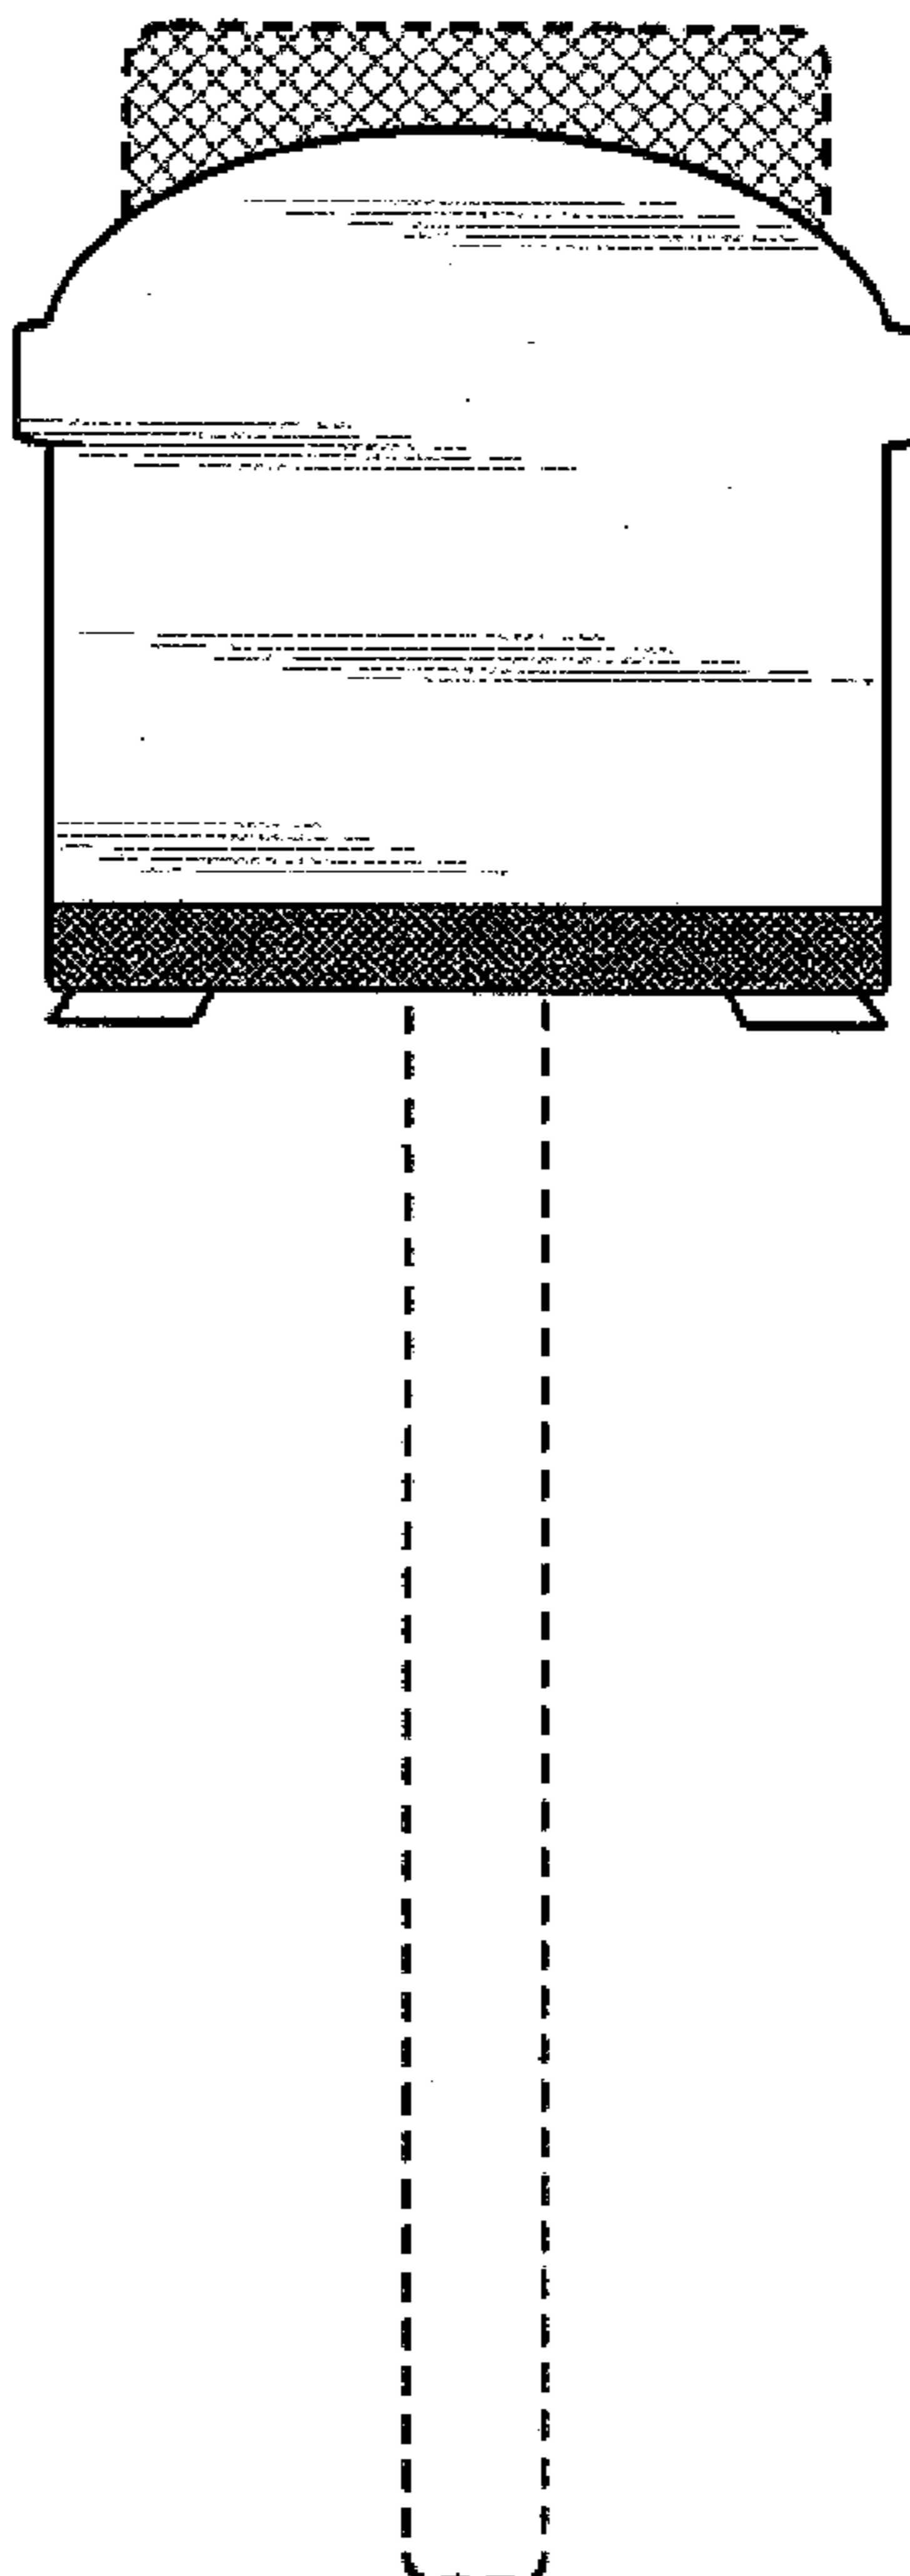

FIG. 5 is a left side view showing the fly swatter cover, the right being a mirror image thereof;

FIG. 6 is a top plan view of the invention;

FIG. 7 is bottom plan view of the invention.

The broken line showing of environment in the drawings is for illustrative purposes only and forms no part of the claimed design.
