(57) **CLAIM**

The ornamental design for a multi-hole beverage locking cap for use with a beverage locking device, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a beverage locking cap. FIG. 2 is a front view of the beverage locking cap. FIG. 3 is a side view of the beverage locking cap. FIG. 4 is a bottom view of the beverage locking cap. FIG. 5 is a top view of the beverage locking cap; and, FIG. 6 is a perspective view of the beverage locking cap engaged with a beverage locking device and bottle for environmental illustration. The broken line showing of environmental structure in the figures is for illustrative purposes only and forms no part of the claimed design.

1 Claim, 2 Drawing Sheets

FIG. 6
