(57) **CLAIM**

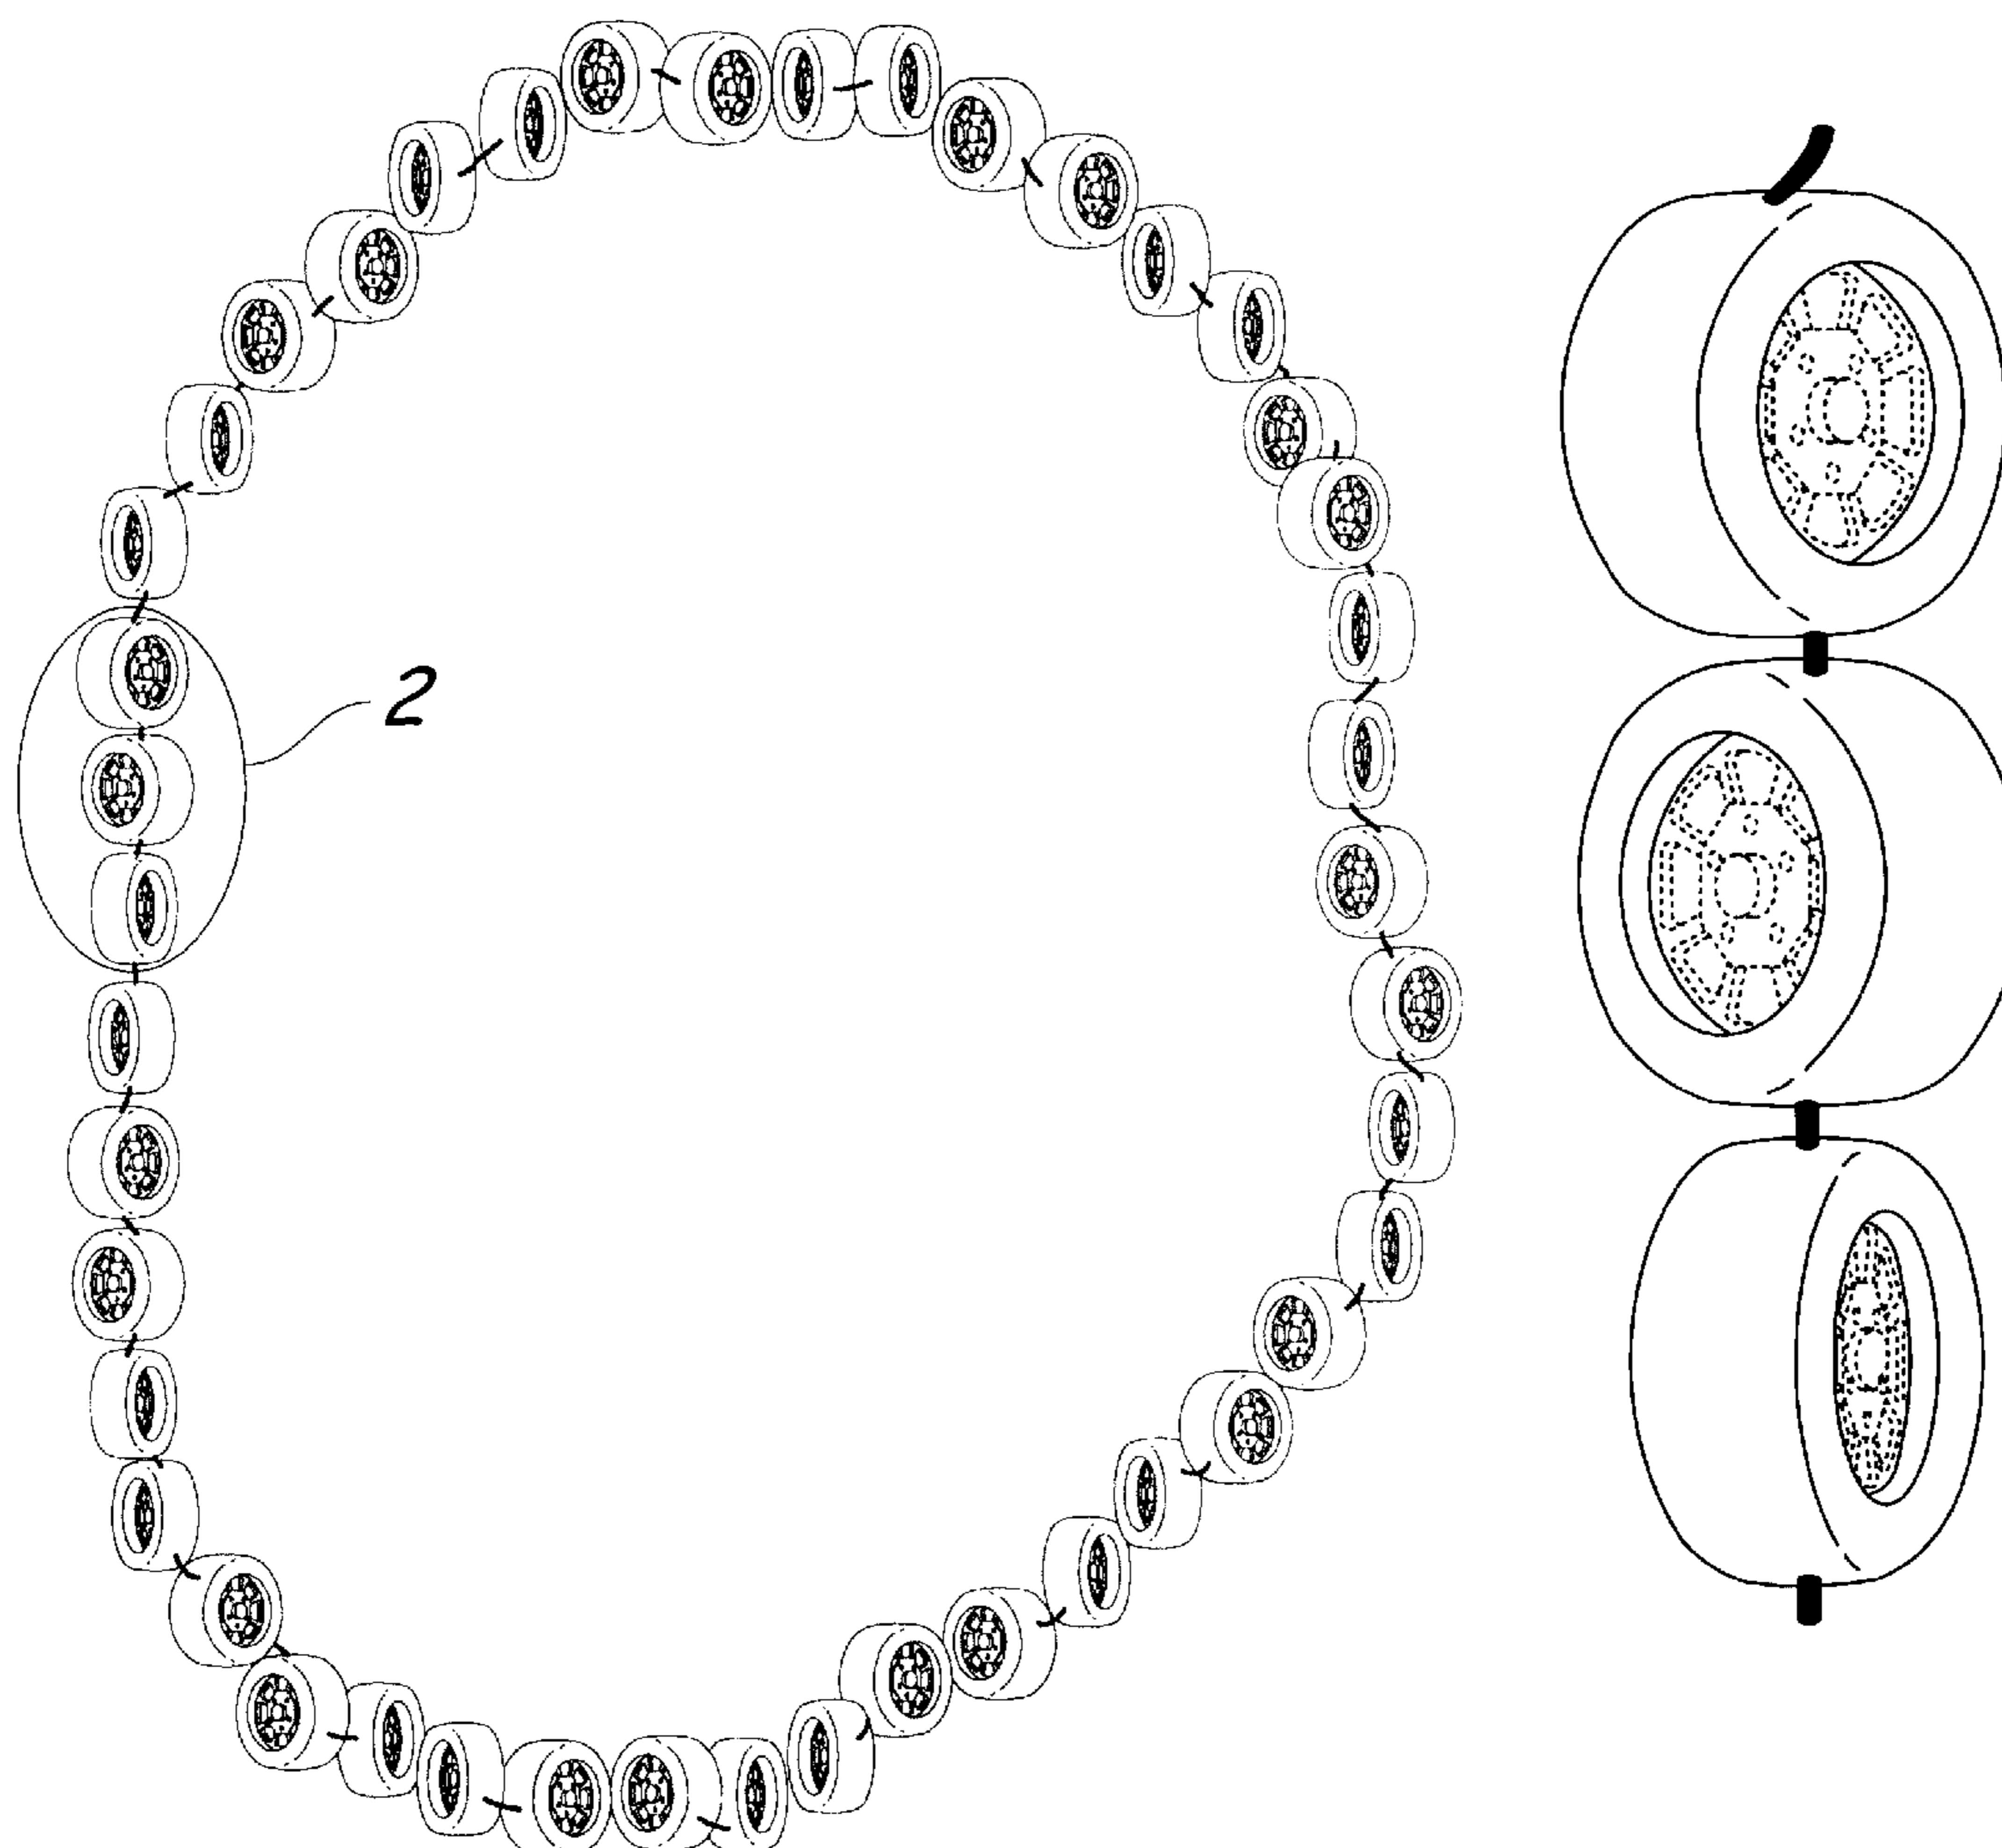

The ornamental design for a tire bead necklace, as shown and described.

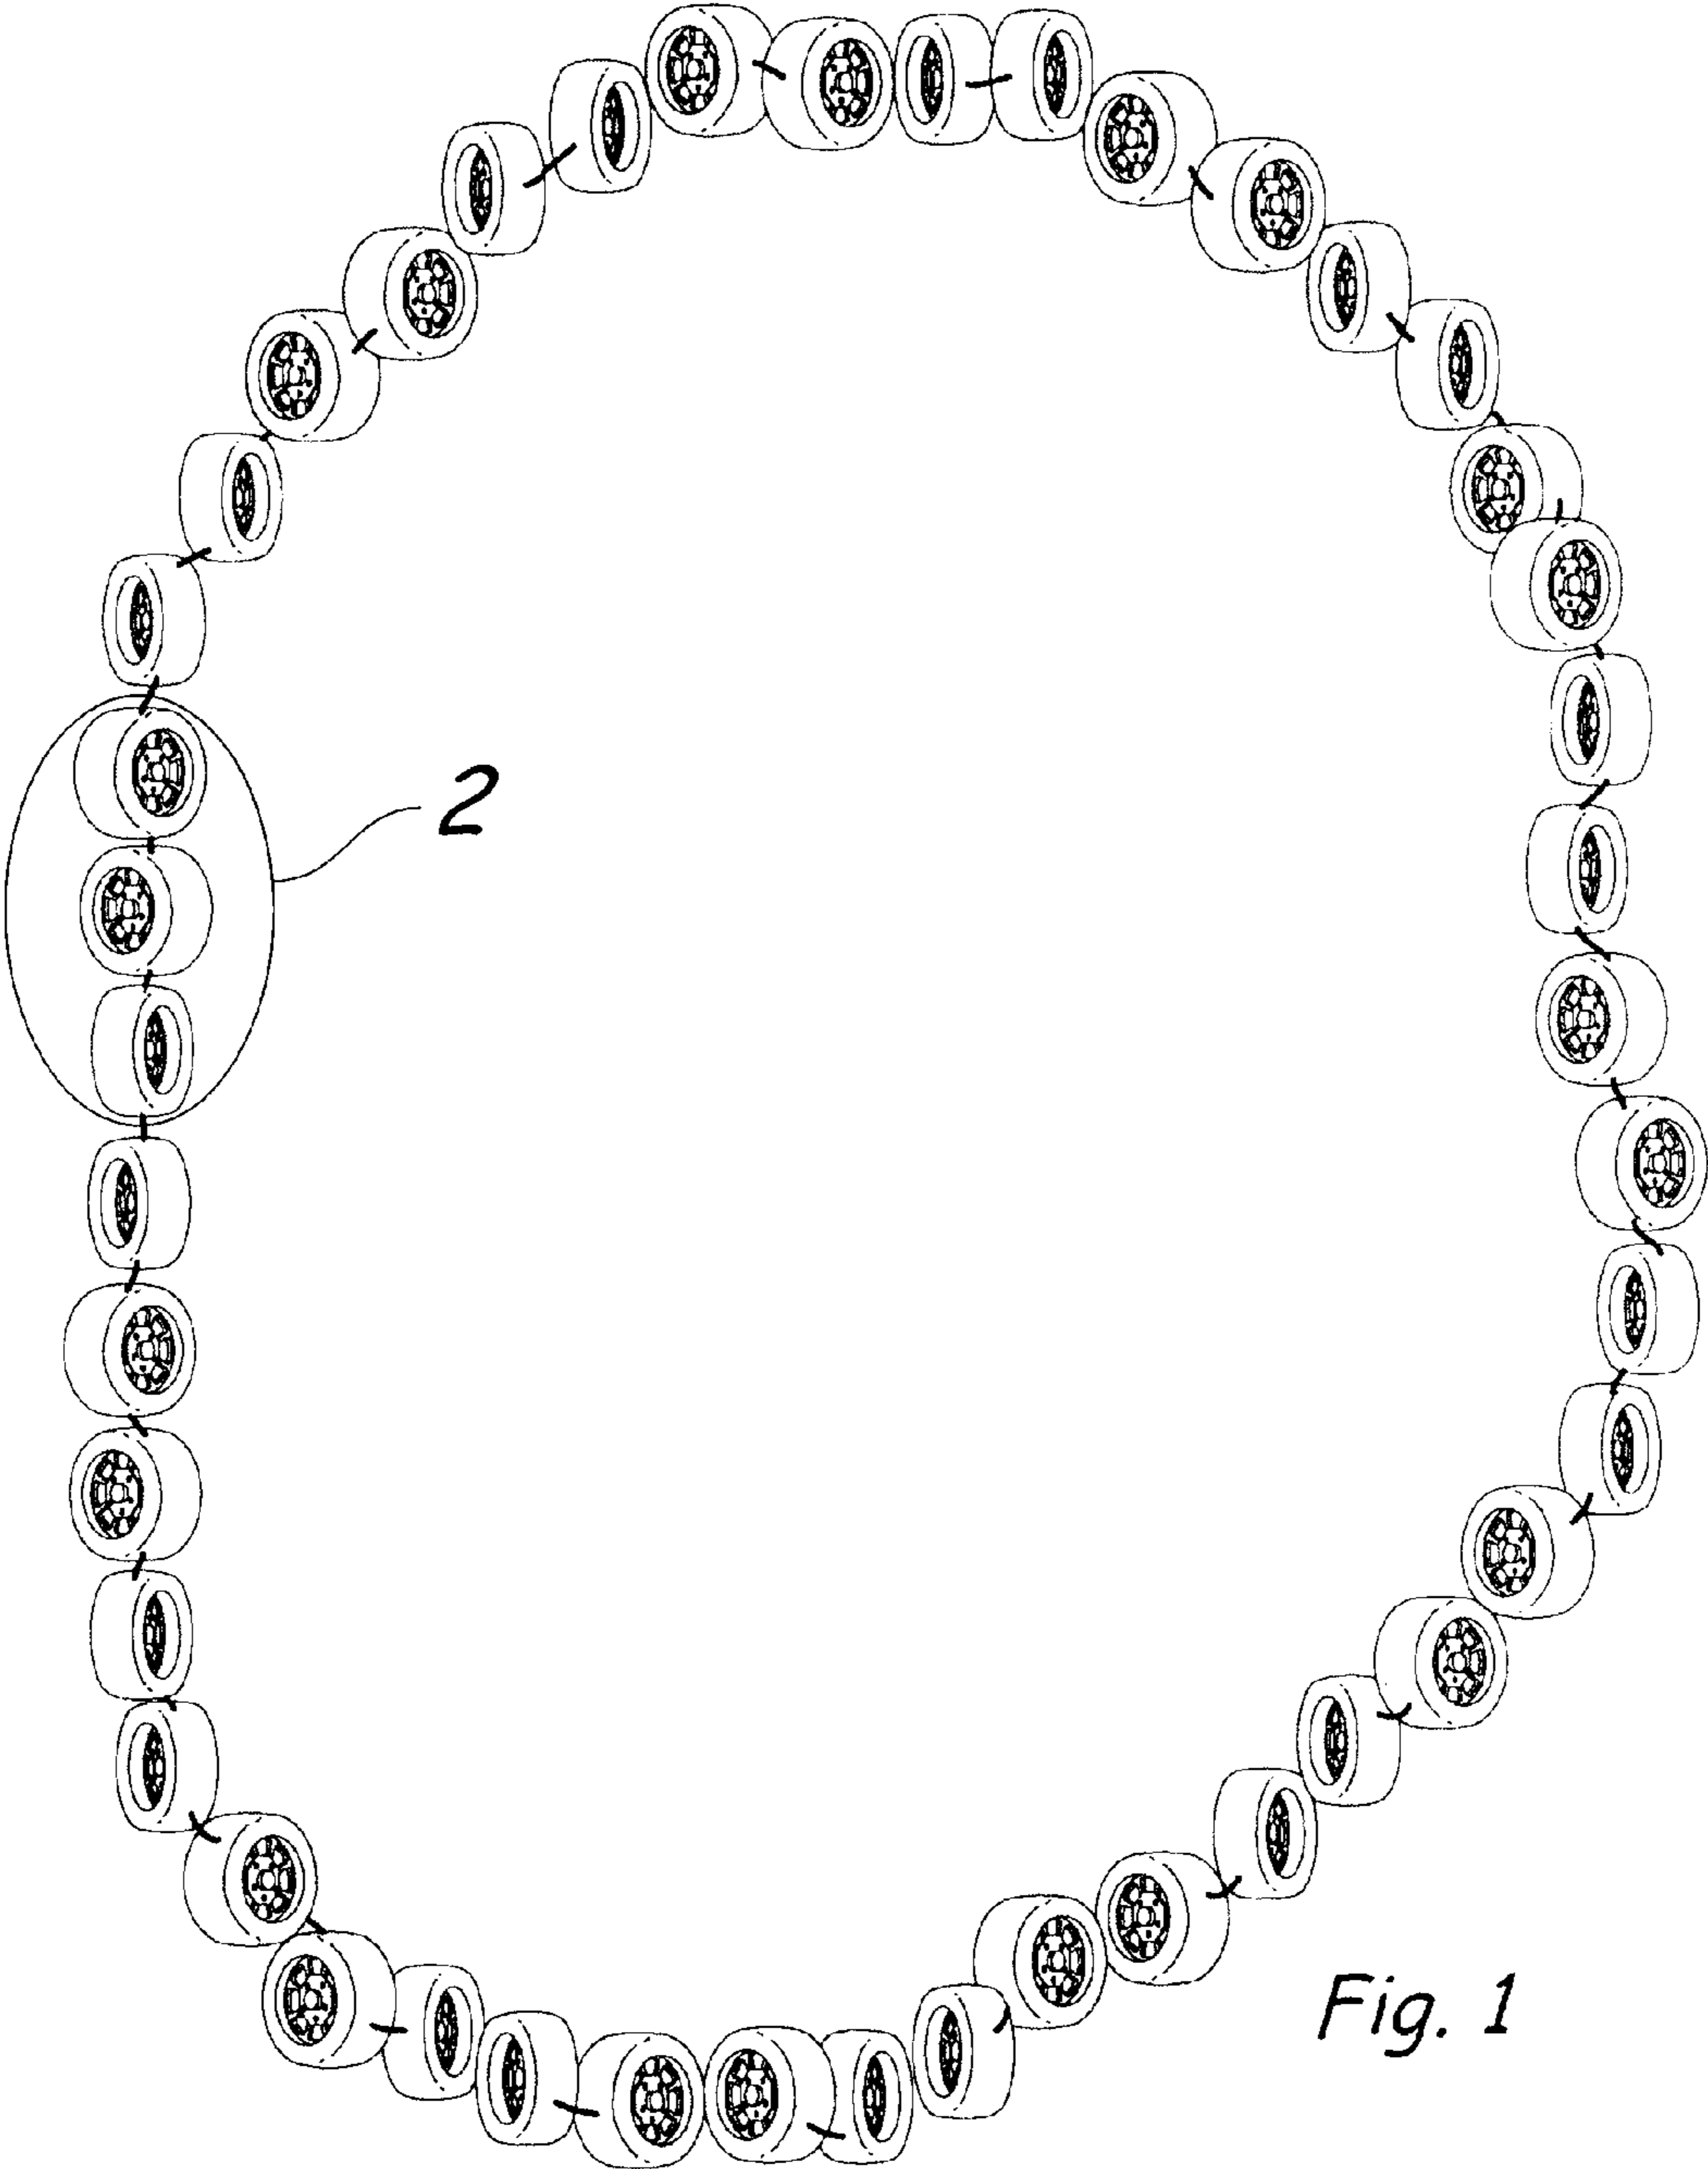

DESCRIPTION

FIG. 1 is a front view of a necklace of a plurality of tire beads, with individual tire beads shown in different perspective orientations to illustrate the design of the tire bead forming the necklace; and,

FIG. 2 is an enlarged view of three consecutive beads of the necklace of FIG. 1, as indicated on FIG. 1. The central radial portion of each tire bead, corresponding to the normal location of a wheel, is illustrated with broken lines and forms no part of the claimed design.
