(57) **CLAIM**

The ornamental design for a post cap, as shown and described.

**DESCRIPTION**

FIG. 1 is a front elevational view of the post cap embodying the new design. The rear, right side and left side elevational views of the post cap also appear as represented by FIG. 1.

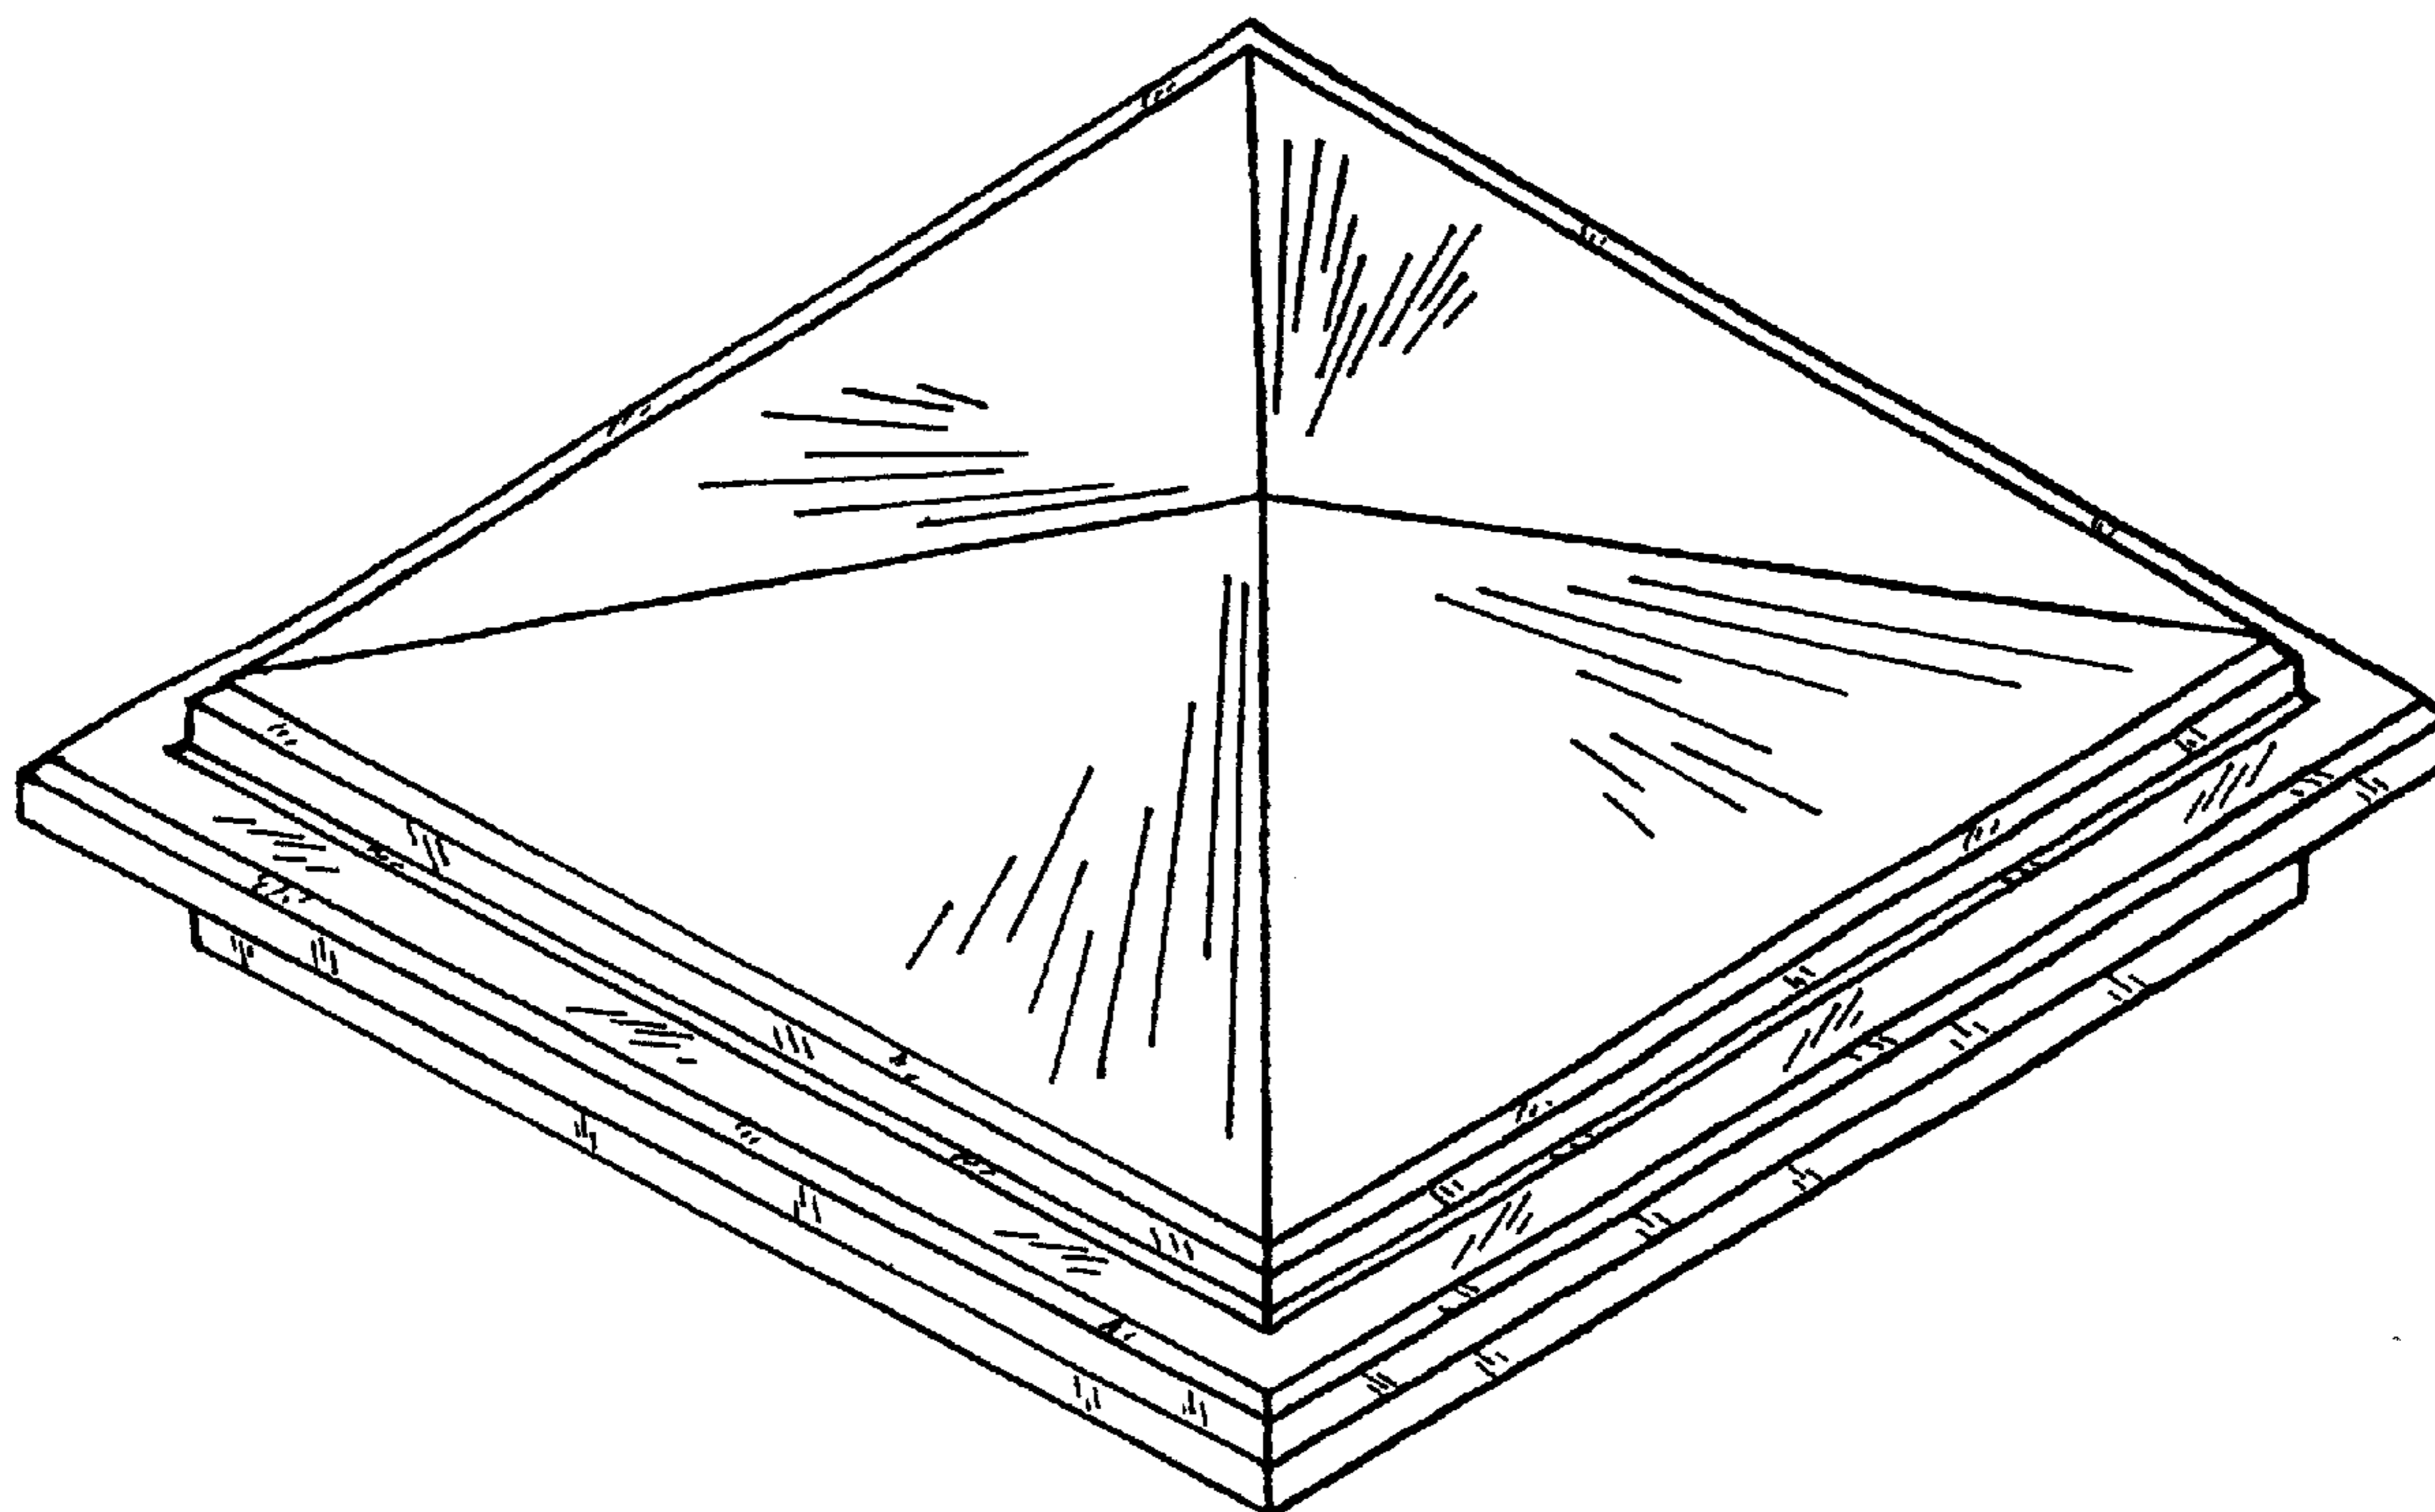

FIG. 2 is a top plan view of the post cap embodying the new design.

FIG. 3 is a top perspective view of the post cap embodying the new design.

FIG. 4 is a bottom view of the post cap of FIGS. 1–3; and, FIG. 5 is a sectional view through the post cap illustrated in FIG. 2, taken generally along the line V—V of FIG. 2.

The broken lines on the drawings are for purposes of illustrating the environment of those portions of the post cap that is shown in solid lines. The broken lines form no part of the design of this invention, but are environmental structure.

**1 Claim, 3 Drawing Sheets**

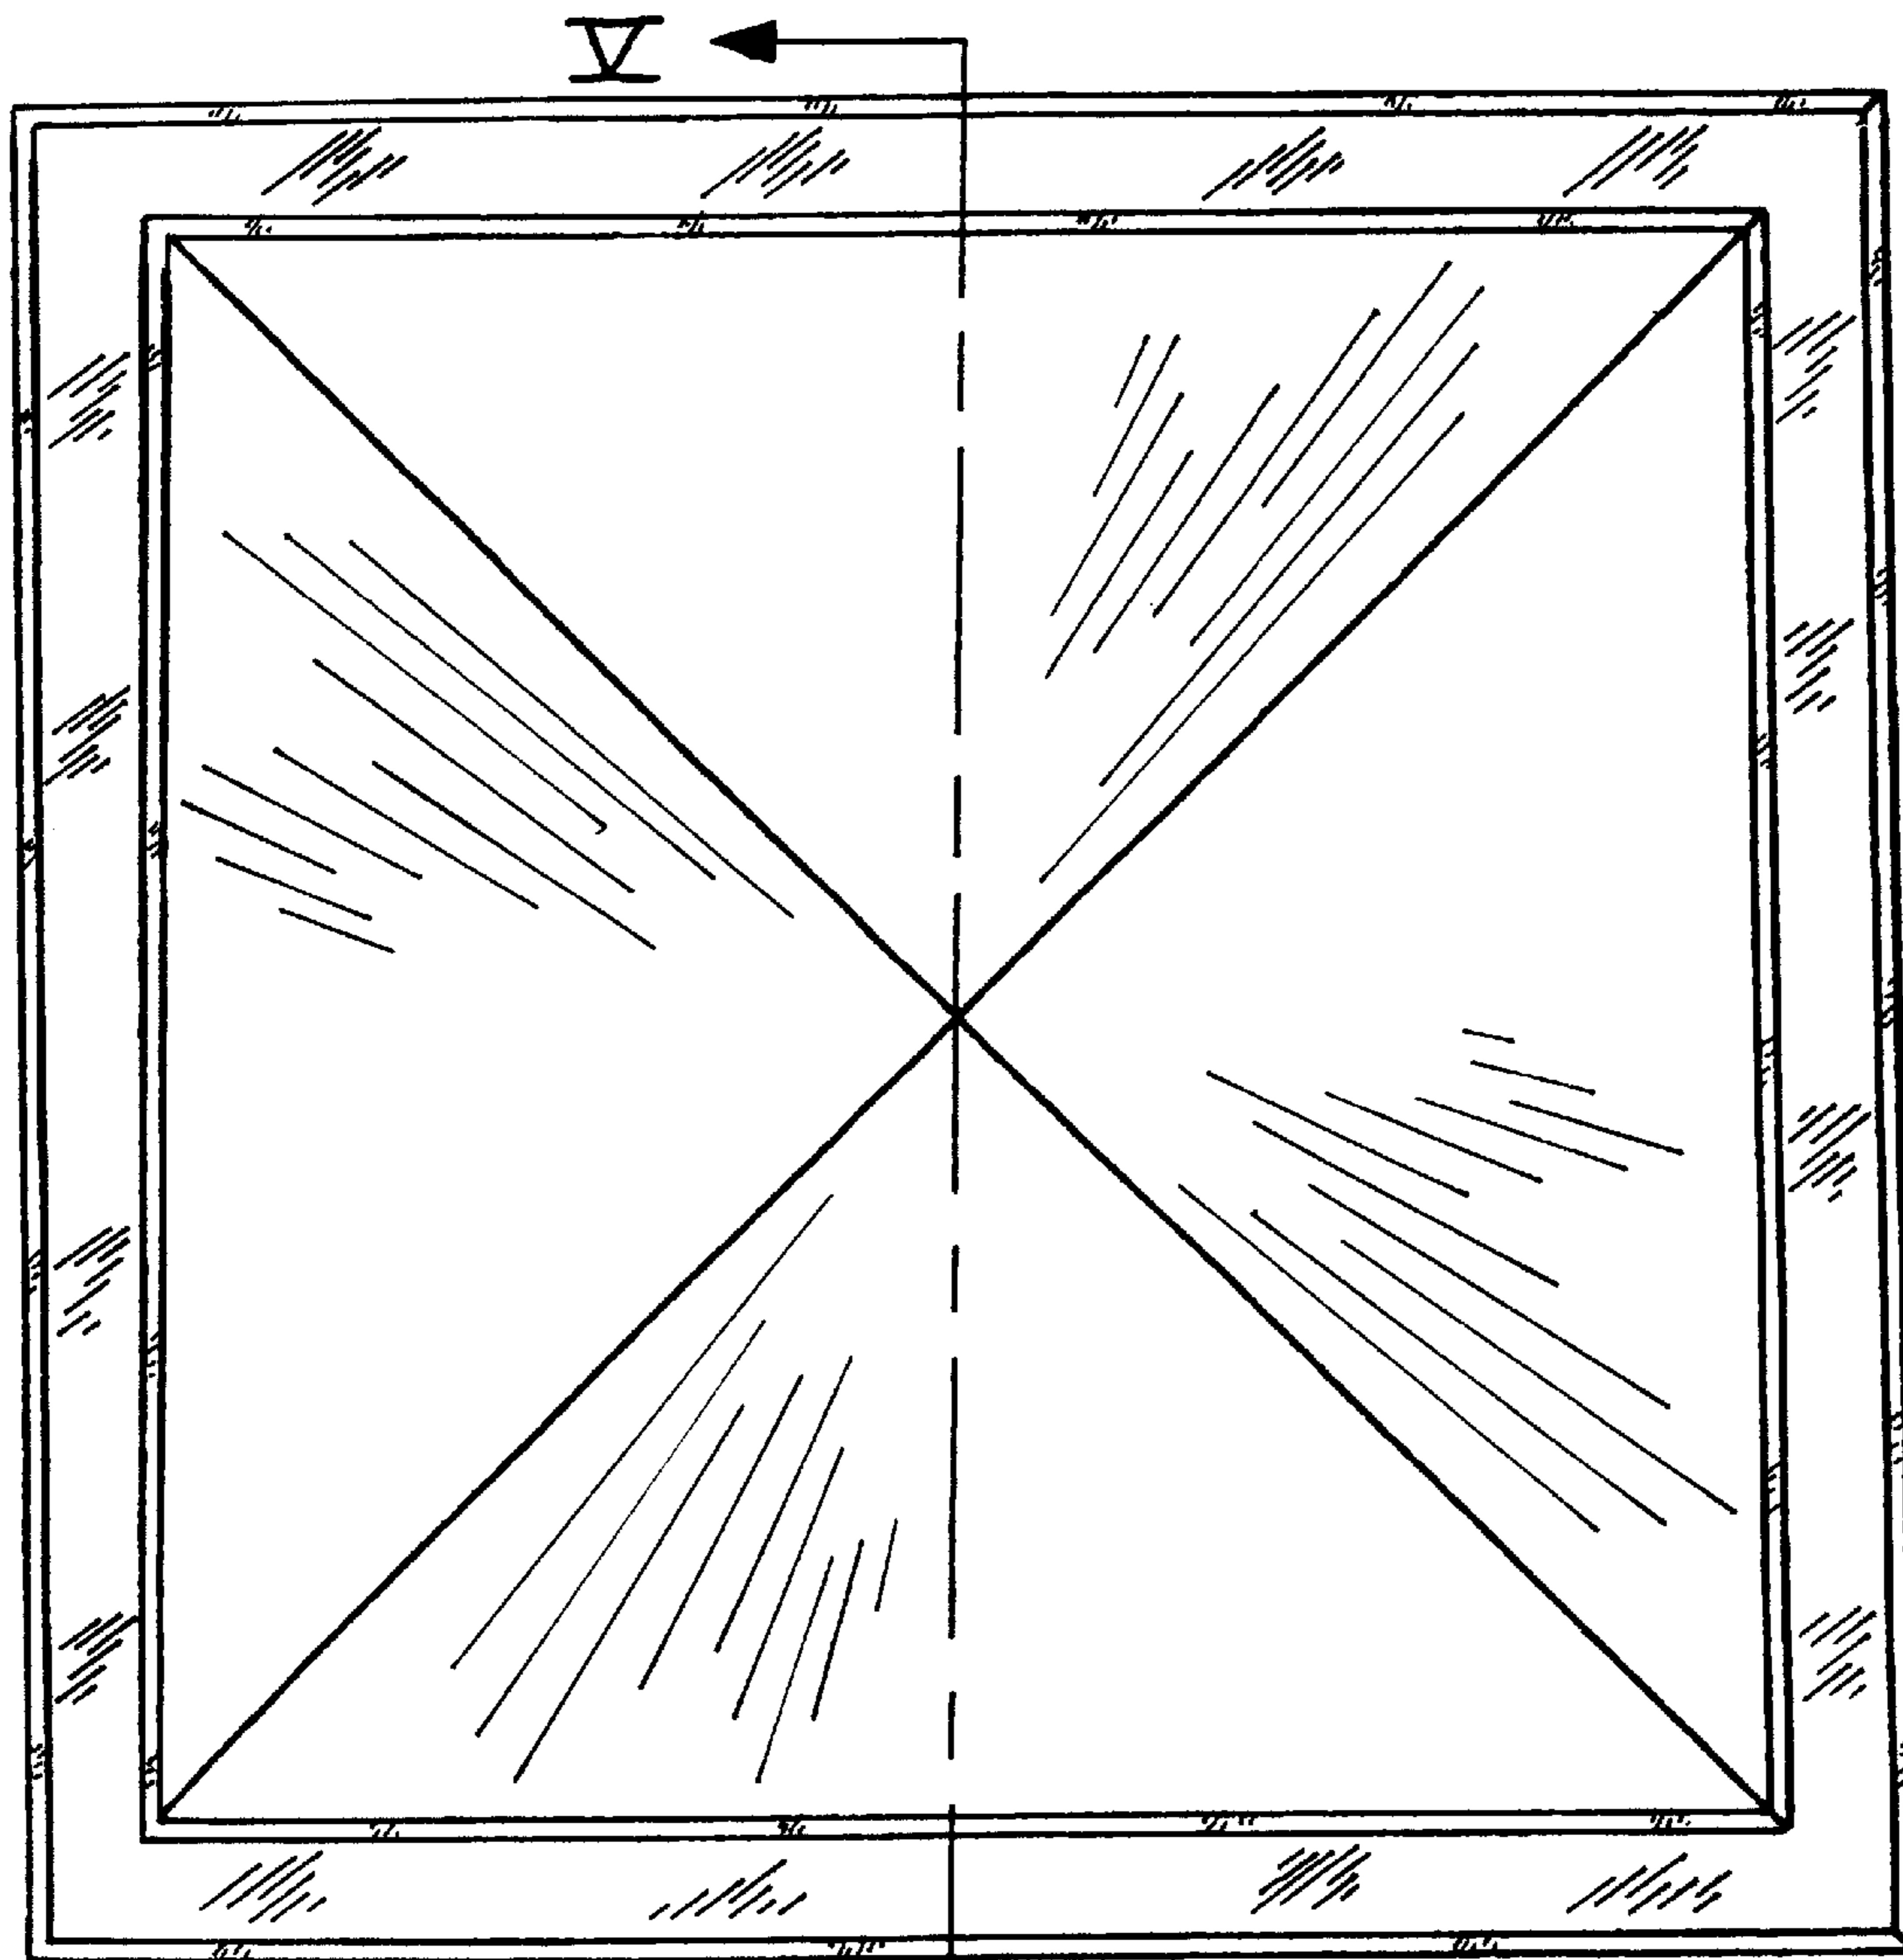

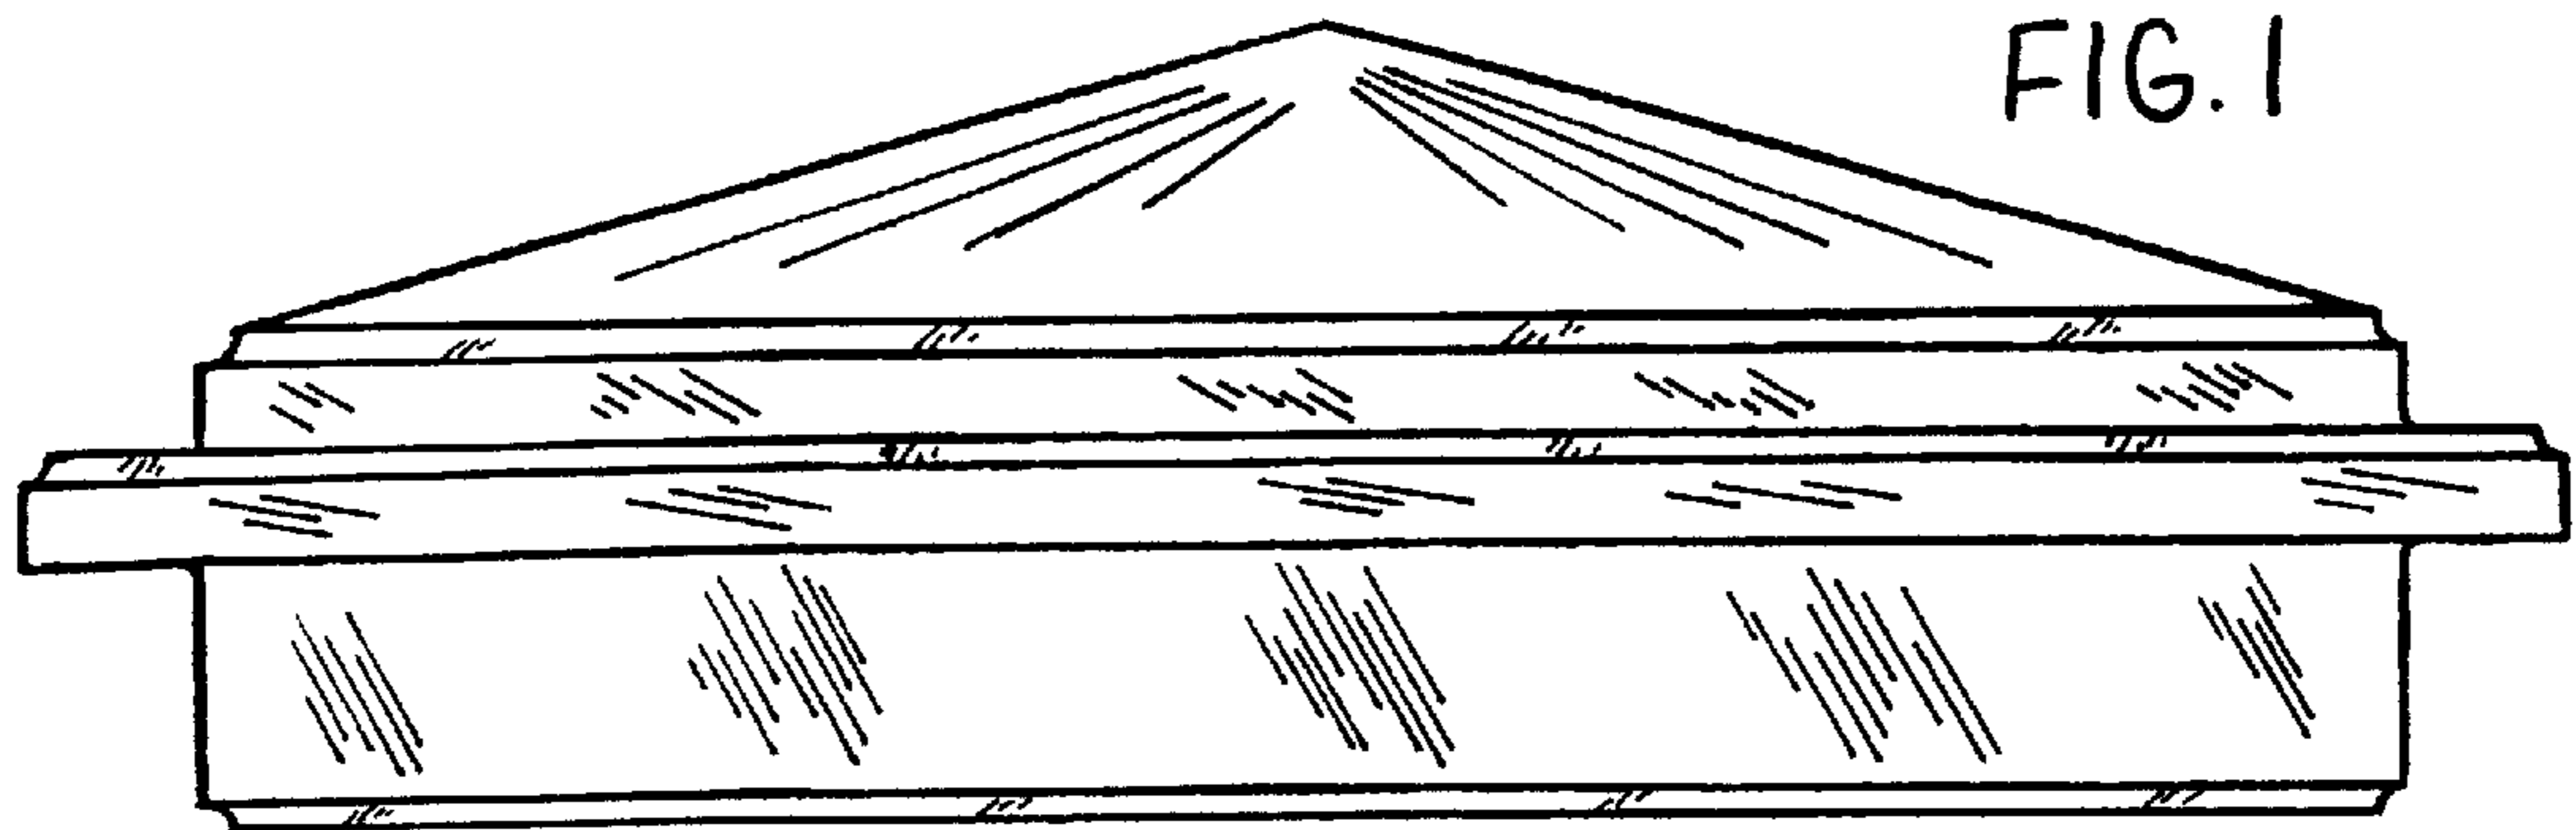

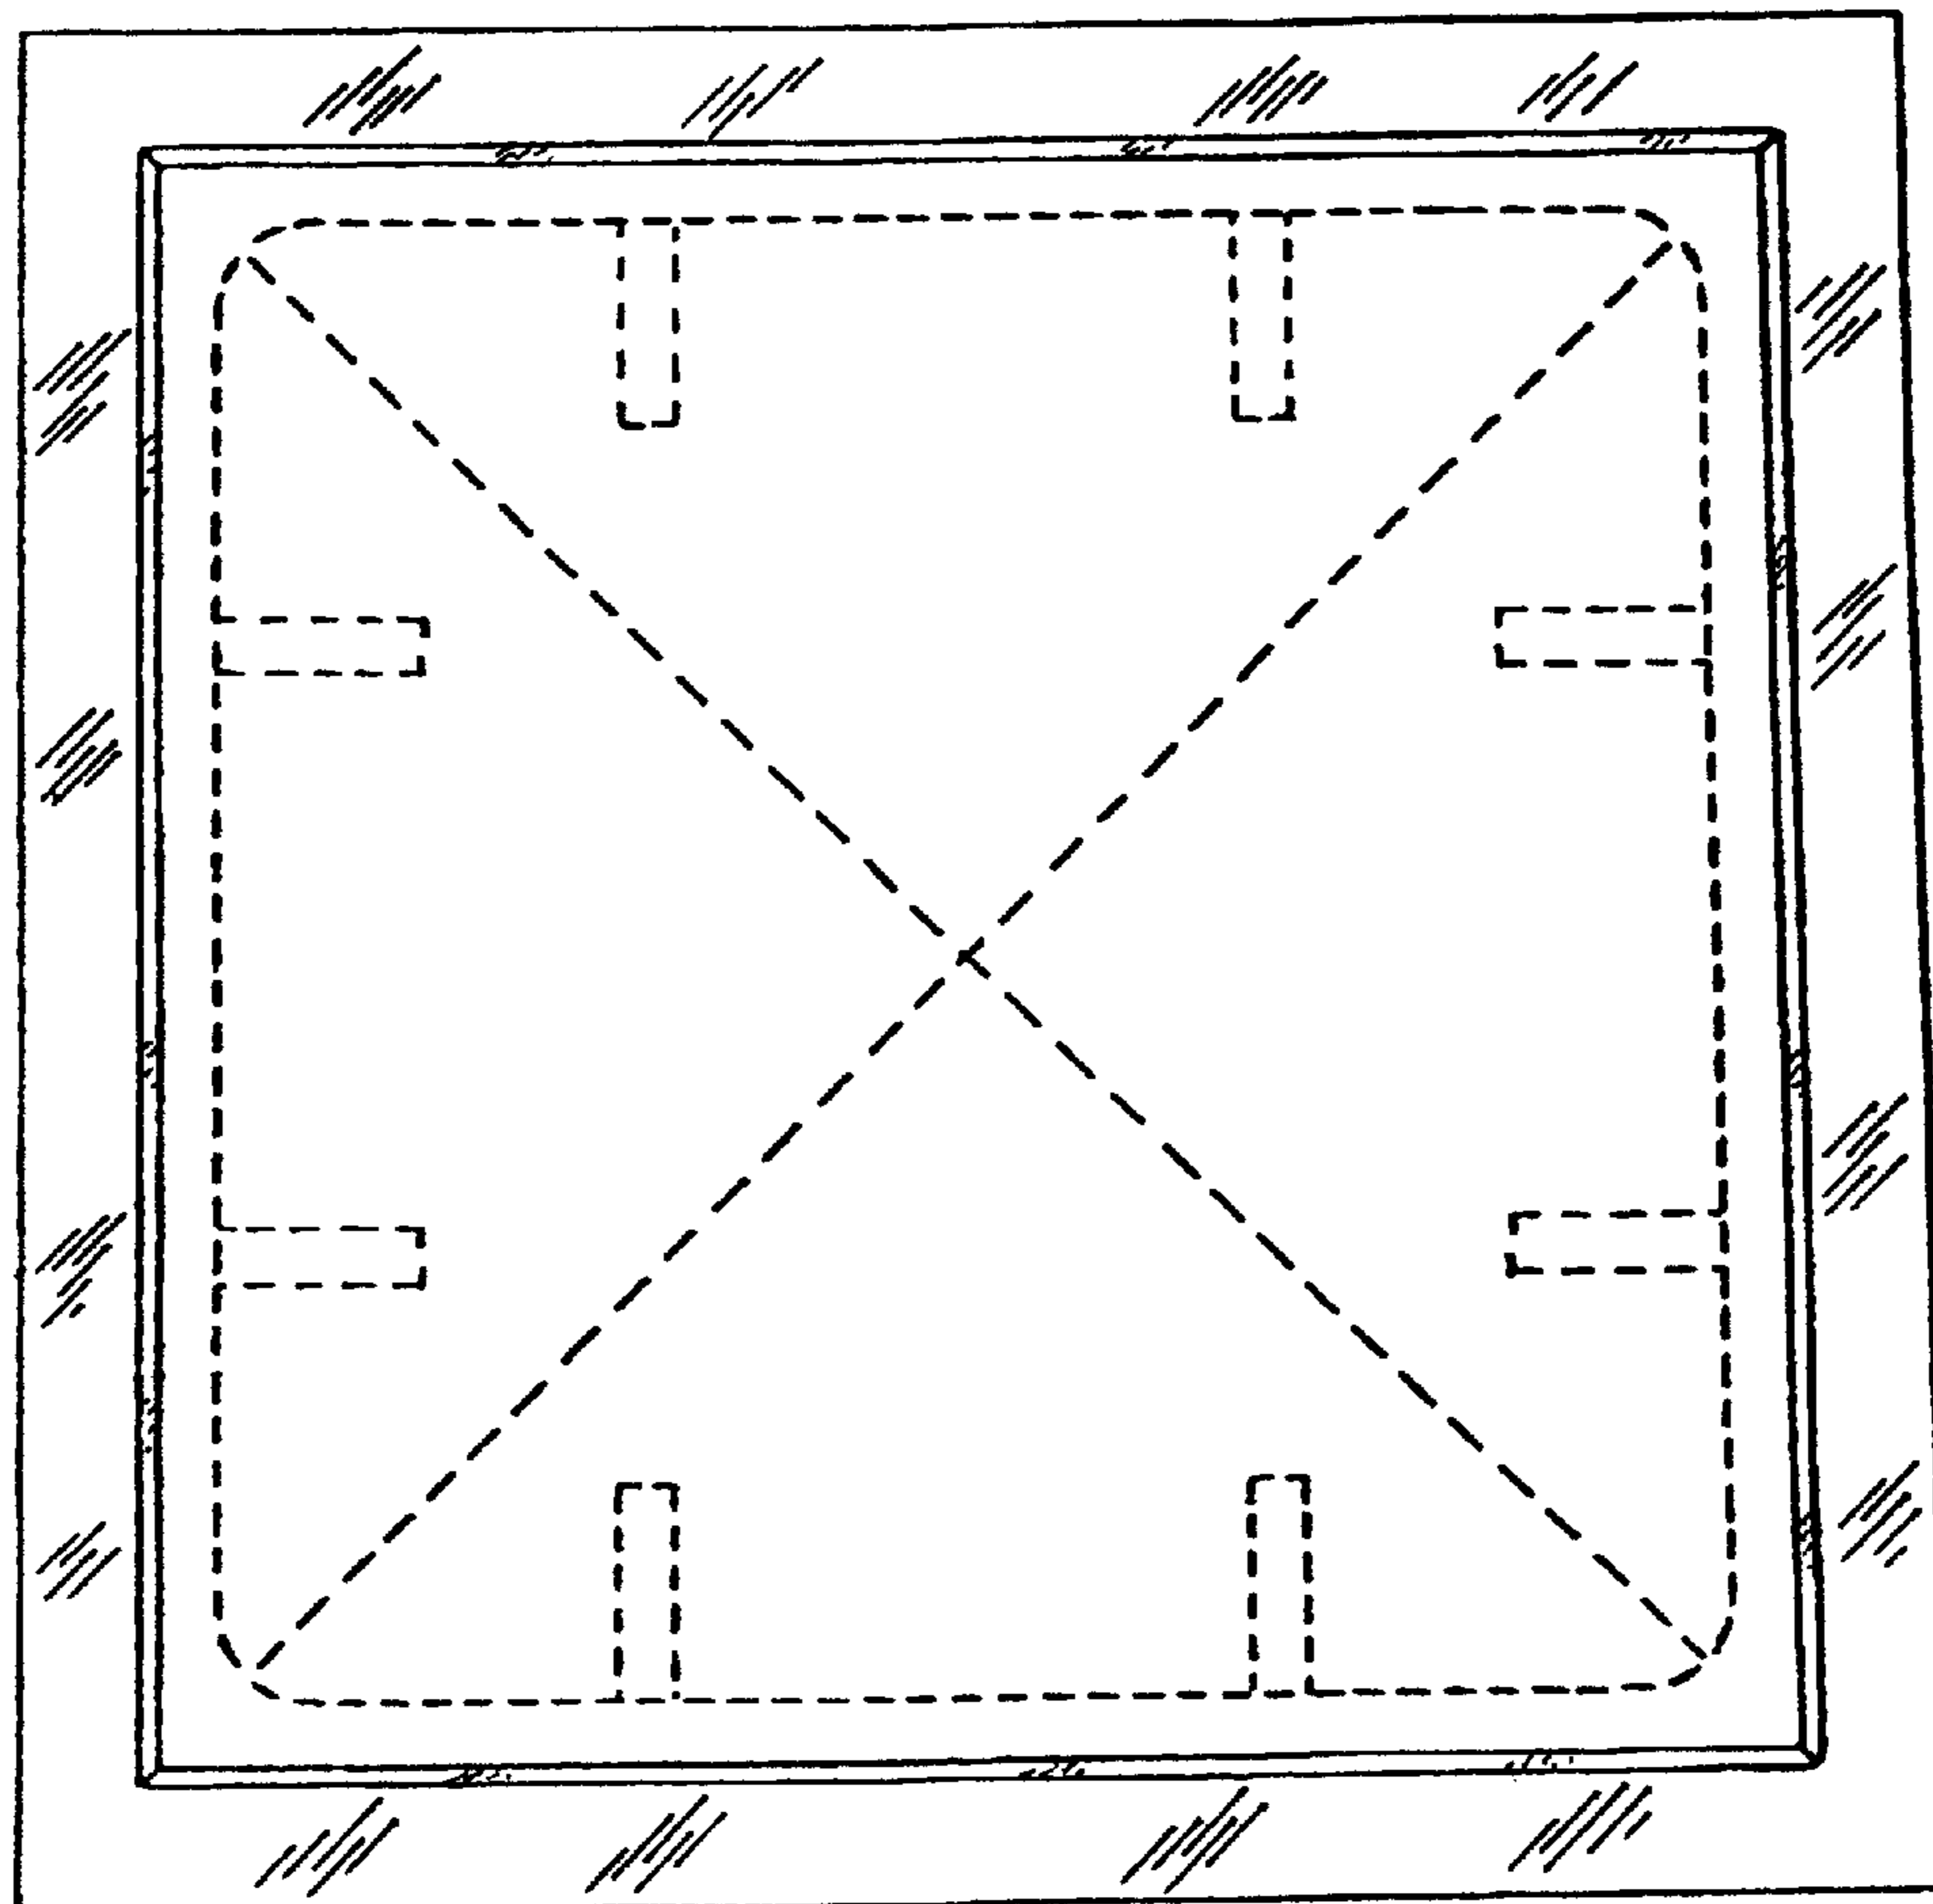

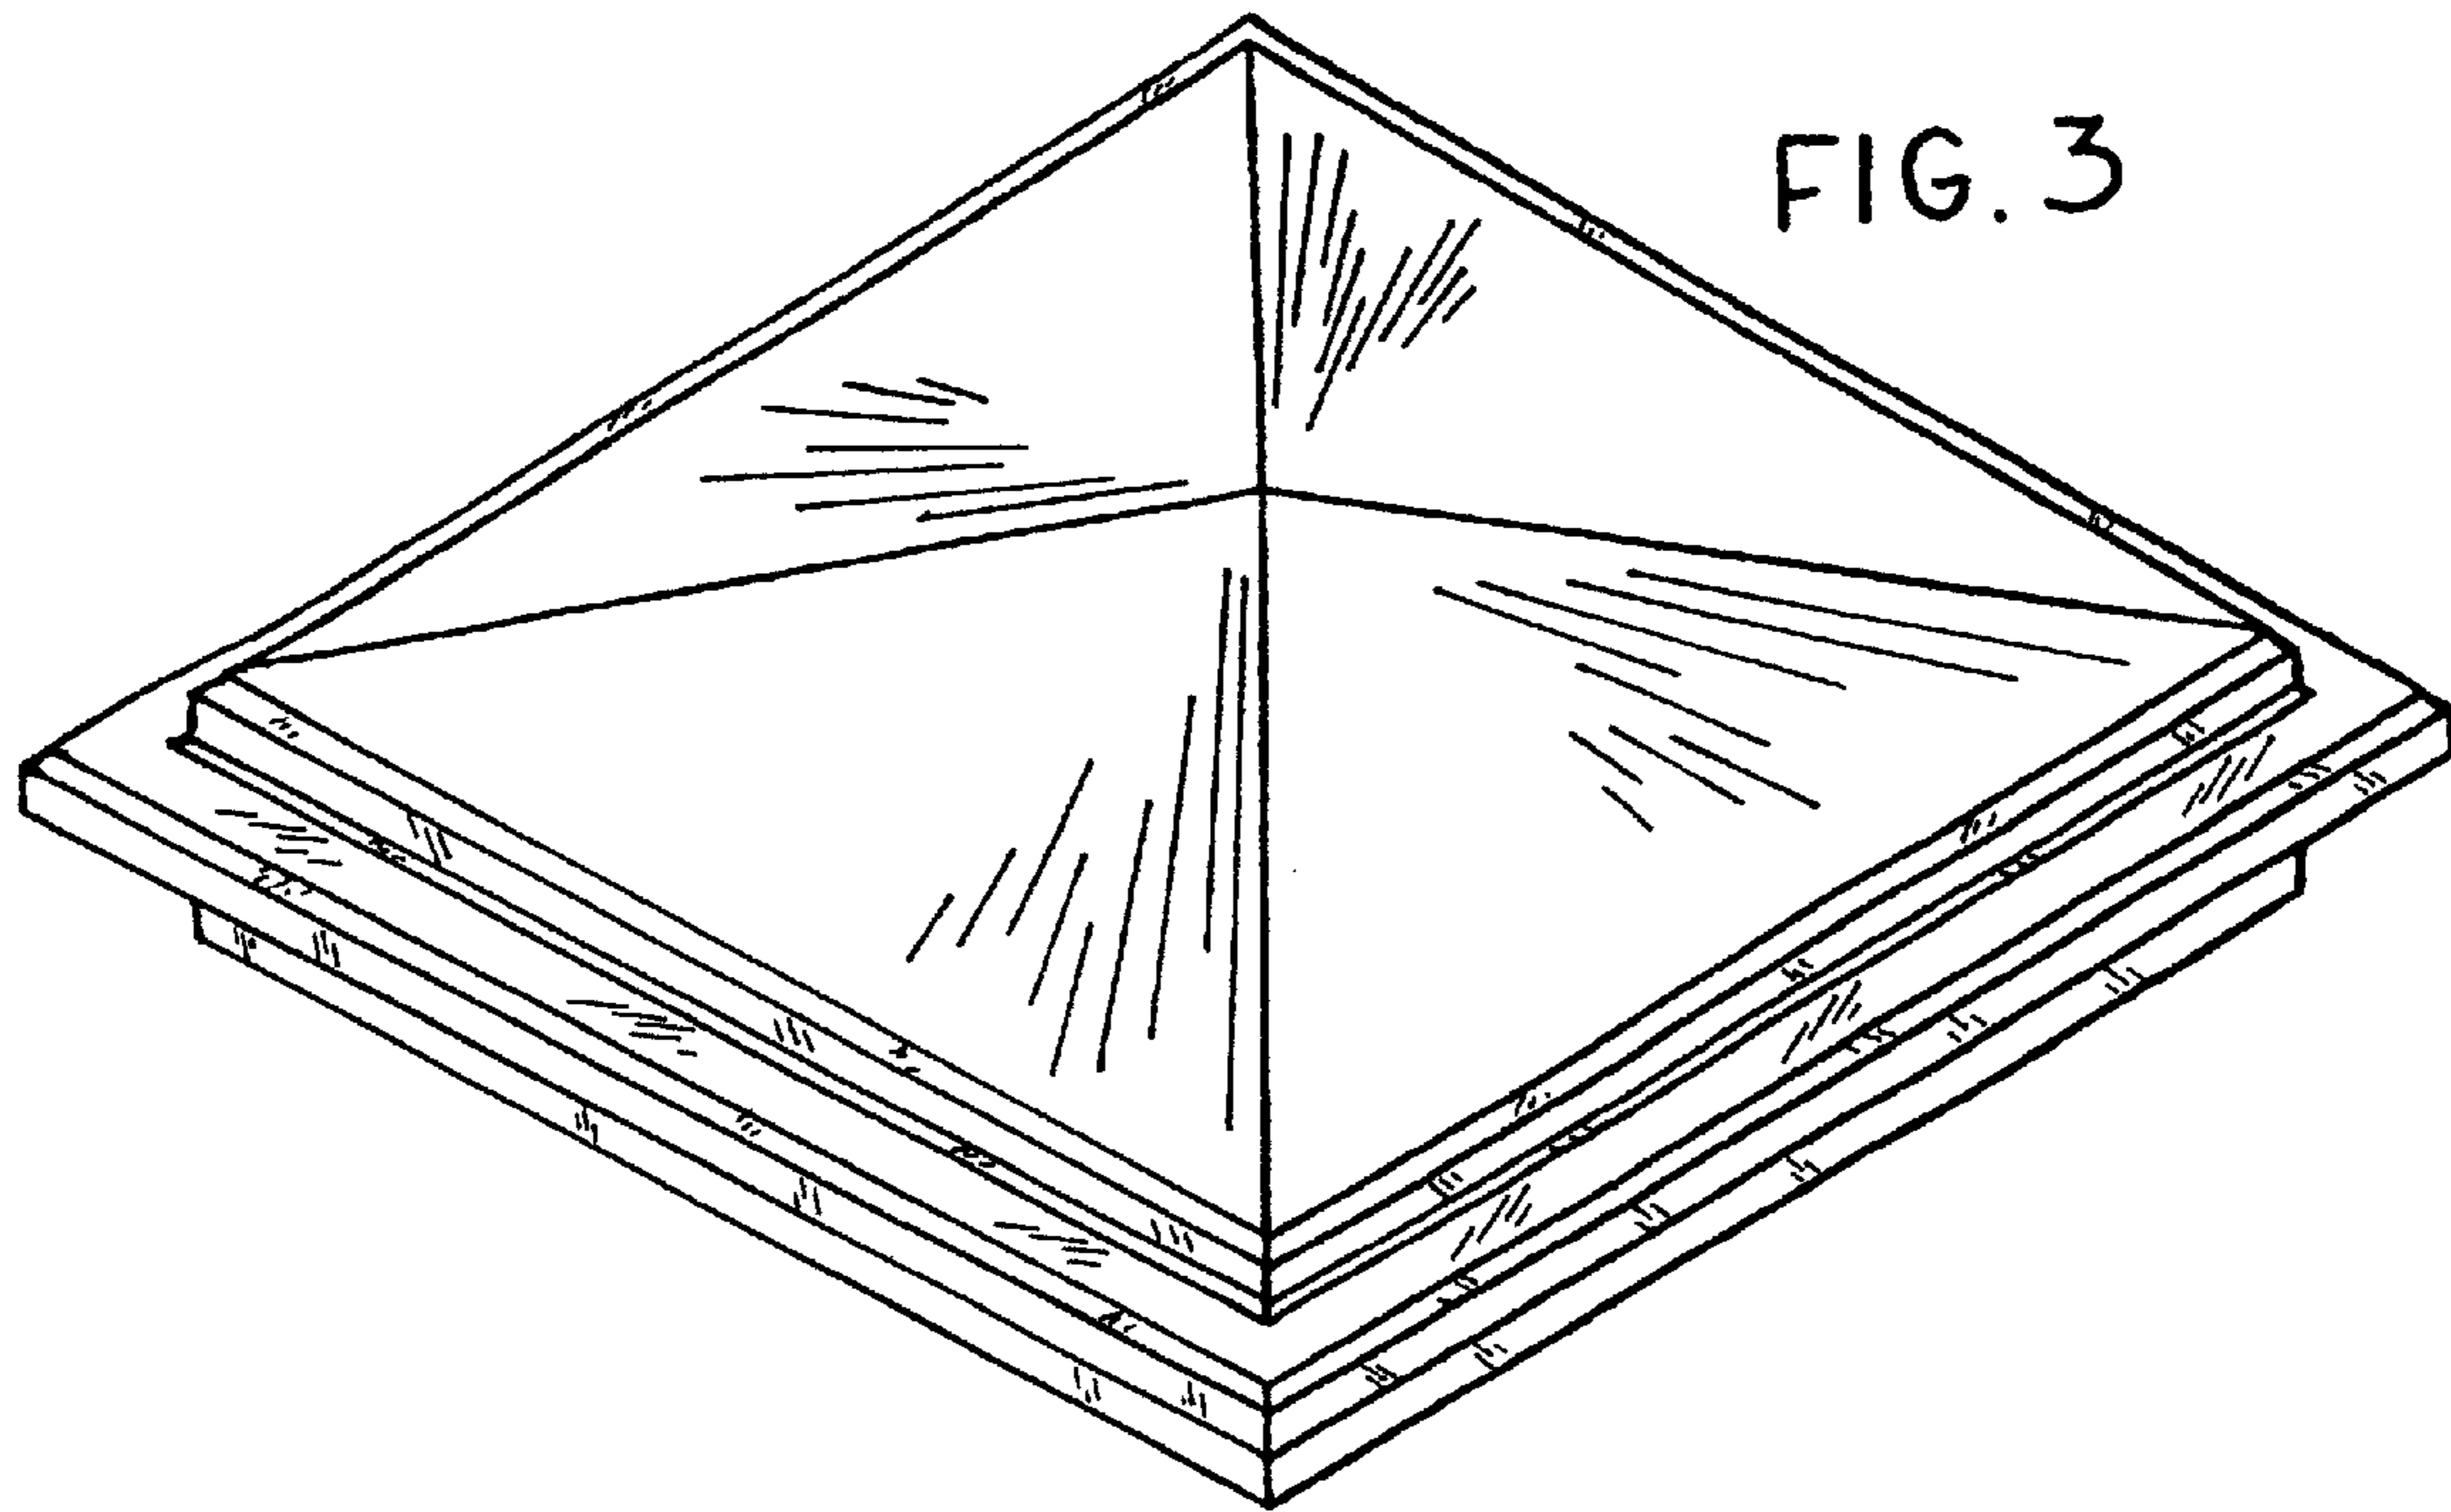

FIG. 2
