(57) **CLAIM**

The ornamental design for a American flag lantern, as shown and described.

FIG. 1 is a perspective view of an American flag lantern as a whole.

FIG. 2 is a perspective view of an American flag lantern at partially opened position by sliding the translucent Stars and Stripes cover to the left.

FIG. 3 is a perspective view of an American flag lantern, shown without the cover for clarity, showing the box with its internal space divided into partitions, which contain their corresponding incandescent bulbs, which are illuminated at different time intervals.

FIG. 4 is a perspective view of an American flag lantern showing only the shaded stars illuminated.

FIG. 5 is a perspective view of an American flag lantern showing the shaded middle portion of the stripes illuminated.

FIG. 6 is a perspective view of an American flag lantern showing the Shaded outer portion of the stripes illuminated.

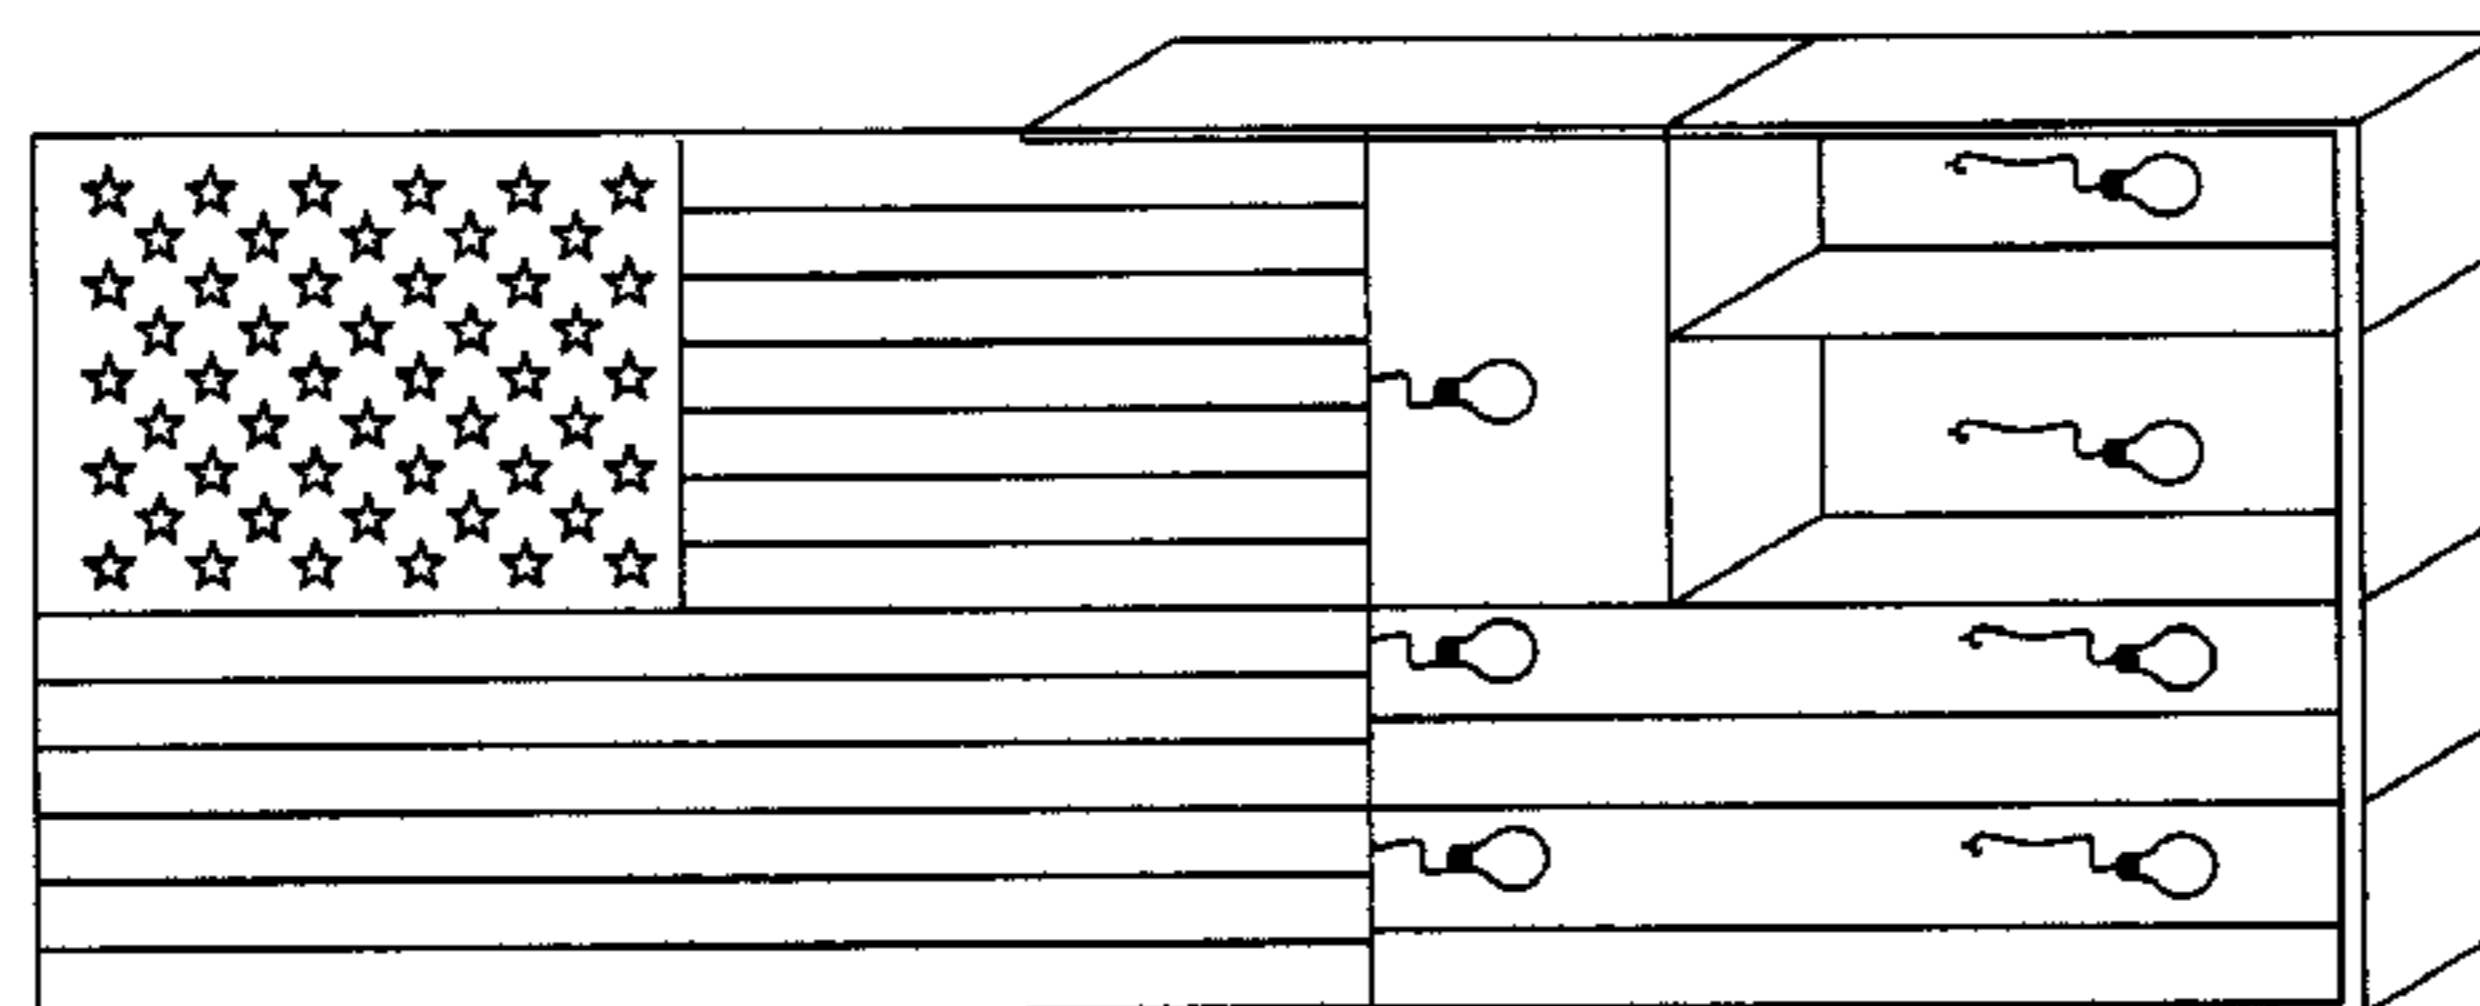

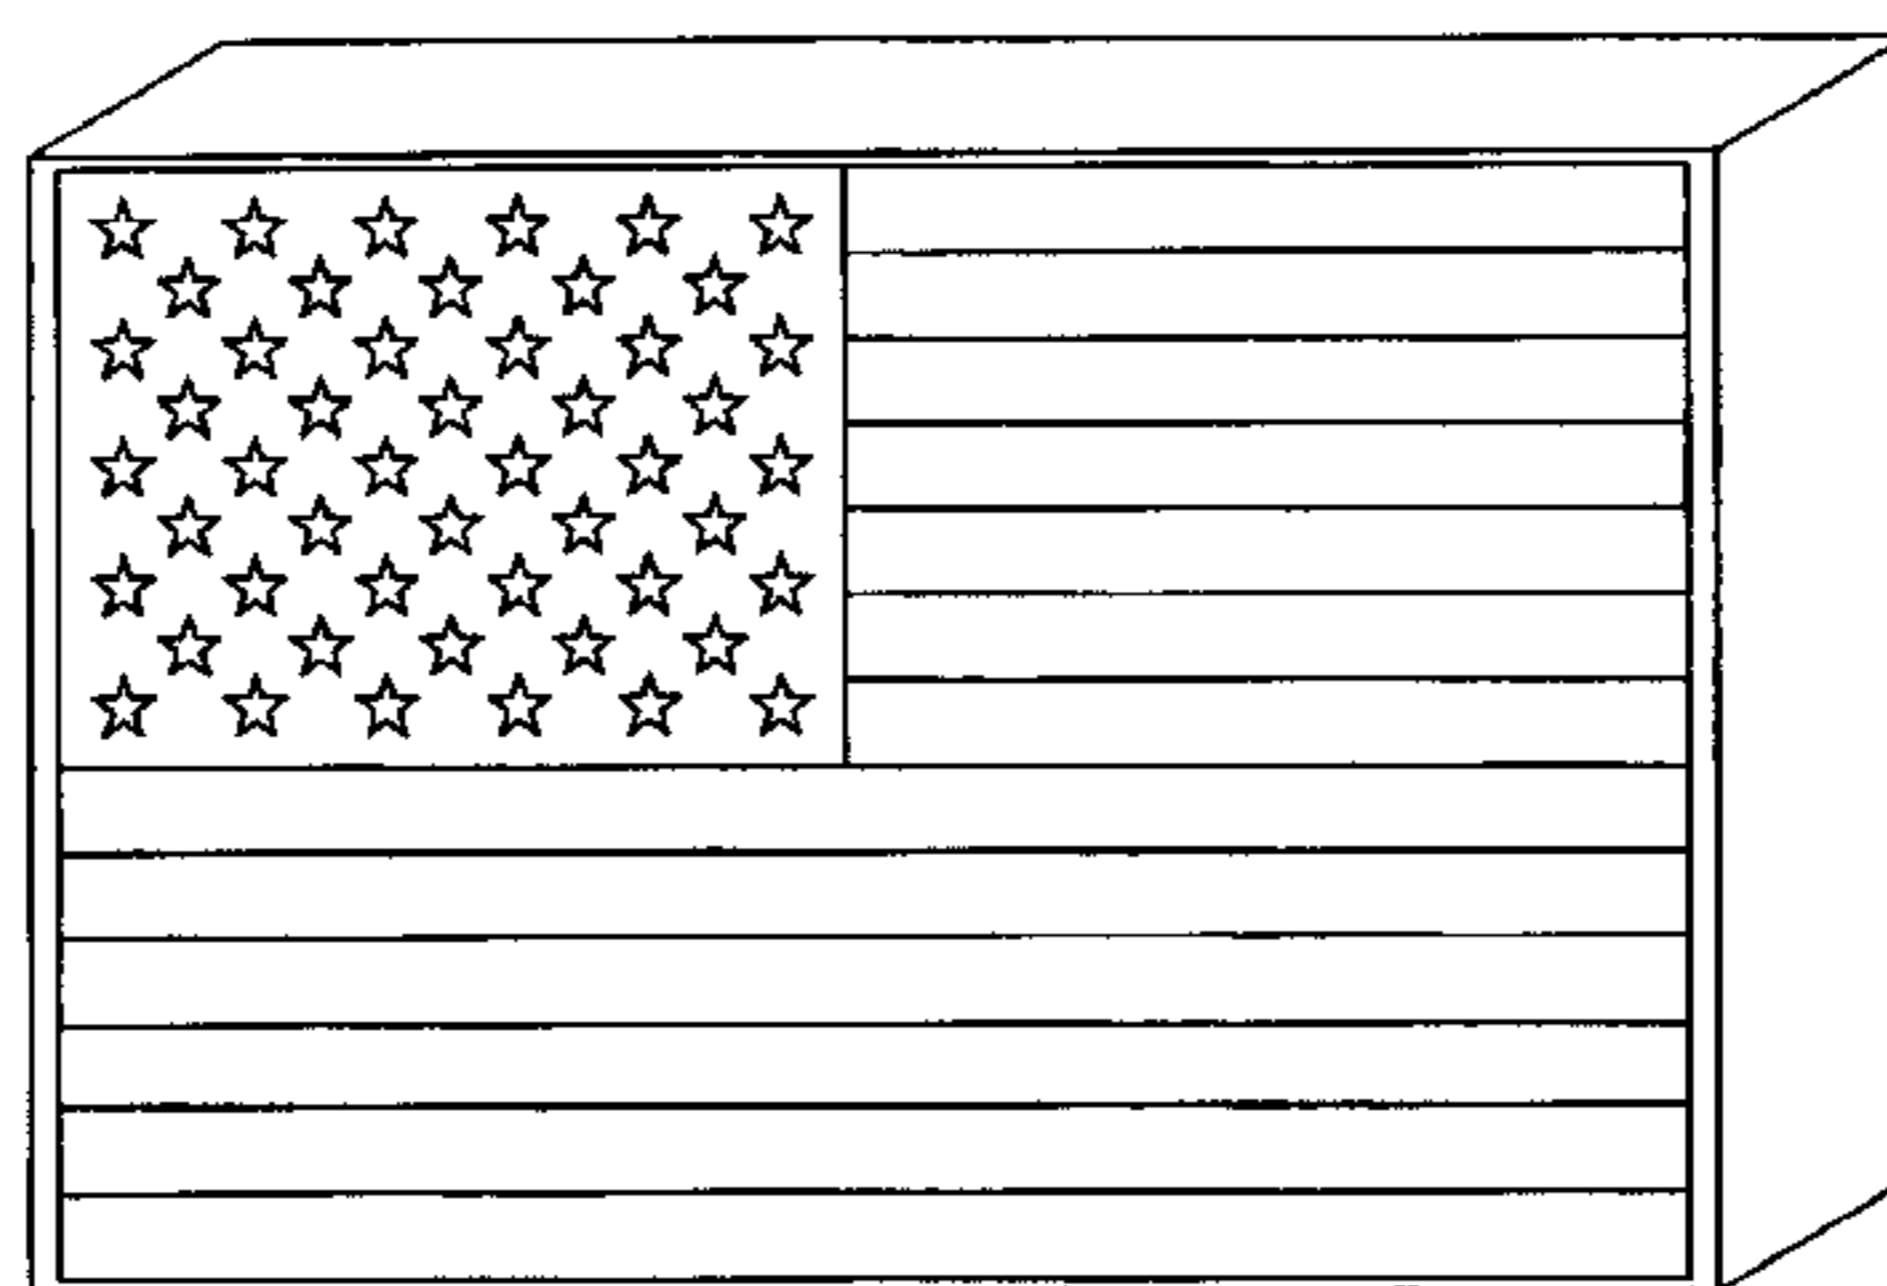

FIG. 7 is a perspective view of an American flag lantern showing the shaded stars and middle portion of the stripes illuminated simultaneously.

FIG. 8 is a perspective view of an American flag lantern showing the shaded stars and the outer portion of the stripes illuminated simultaneously.

FIG. 9 is a perspective view of an American flag lantern showing all the shaded stripes illuminated simultaneously; and,

FIG. 10 is a perspective view of an American flag lantern showing the shaded Stars and Stripes illuminated simultaneously.
