(57) **CLAIM**

The ornamental design for a ceiling fan housing, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view from below of a ceiling fan housing in accordance with my design;

FIG. 2 is an enlarged perspective view from below of the ceiling fan housing in accordance with my design;

FIG. 3 is a front elevation view of the ceiling fan housing in accordance with my design; the rear being identical; and,

FIG. 4 is a side elevation view of the ceiling fan housing in accordance with my design the opposite side being a mirror image of that shown; and,

FIGS. 3 and 4 are identical except for the positioning of the fan blades. The broken lines showing environmental structure are for illustrative purposes and form no part of the claimed design.

In FIG. 2, the fan blades are shown broken away to indicate indeterminate length.
