(57) **CLAIM**

The ornamental design for a display, transport, or storage device for fishing equipment, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a display, transport, or storage device for fishing equipment showing my new design, wherein the broken line showing of the fishing pole and reel is for illustrative purposes only and forms no part of the claimed design.

FIG. 2 is a perspective view of the device as illustrated in FIG. 1, wherein the broken line structure is omitted.

FIG. 3 is a front view of the device as illustrated in FIG. 1.

FIG. 4 is a side view of the device as illustrated in FIG. 1.

FIG. 5 is a rear view of the device as illustrated in FIG. 1.

FIG. 6 is a side view of the device as illustrated in FIG. 1.

FIG. 7 is a top view of the device as illustrated in FIG. 1;

and,

FIG. 8 is a bottom view of the device as illustrated in FIG. 1.

The material shown in dashed lines in the figures is not part of or a component of the claimed design.
