CLAIM

The ornamental design for a hinge, as shown and described.

DESCRIPTION

FIG. 1 shows a front view of the design of the invention. FIG. 2 shows a right side view of the design of the invention. FIG. 3 shows a left side view of the design of the invention. FIG. 4 shows a top plan view of the design of the invention. FIG. 5 shows a bottom view of the design of the invention. FIG. 6 shows a rear view of the design of the invention. FIG. 7 shows a perspective view of the design of the invention; and,

FIG. 8 shows a perspective view of the design in use.

The broken lines show environmental structure, are for illustrative purposes only, and form no part of the claimed design.
