(57) **CLAIM**

I claim the ornamental design for a container holder with clip, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a container holder with clip, in accordance with the invention.
 FIG. 2 is a top plan view thereof.
 FIG. 3 is a rear elevation view thereof.
 FIG. 4 is a right-side elevation view thereof (the left side, not shown, being symmetrical with respect to the right side).
 FIG. 5 is a front elevation view thereof; and,
 FIG. 6 is a bottom plan view thereof.
 The item shown in broken lines (a container for holding a liquid) is for illustrative purposes only and forms no part of the claimed design.
