(57) **CLAIM**

The ornamental design for a credit card with internal rotatable storage member accessible from the surface of the card, as shown and described.

**DESCRIPTION**

FIG. 1 is a top plan view of a credit card with internal rotatable storage member accessible from the surface of the card; and,

FIG. 2 is a cross-sectional view thereof taken along the line 2—2 in FIG. 1.

The broken lines showing environmental structure in the drawings are for illustrative purposes only and form no part of the claimed design.
