(57) **CLAIM**

The ornamental design for a light emitting diode, as shown and described.

DESCRIPTION

FIG. 1 shows a front view of the design according to a first embodiment.

FIG. 2 shows a rear view of the design thereof.

FIG. 3 shows a plan view of the design thereof.

FIG. 4 shows a right side view of the design thereof.

FIG. 5 shows a perspective view of the design thereof; and, FIG. 6 shows a perspective view of the second embodiment of FIG. 1.

The left side view is a mirror image of its corresponding right side view.

The bottom view is a mirror image of its corresponding plan view.

The different types of stippling show a contrast in materials.
