(57) **CLAIM**

The ornamental design for a license plate having security shape, as applied to an article as shown and described.

DESCRIPTION

The sole FIGURE is a top plan view of a license plate having a security shape, showing my new design. Side and back views are not shown as the design would not be visible thereon. The license plate and alphanumeric indicia thereon are shown in broken lines for illustrative purposes only and form no part of the invention.

1 Claim, 1 Drawing Sheet
