(57) **CLAIM**

The ornamental design for a decking, as shown and described.

DESCRIPTION

FIG. 1 is a top perspective view of a decking showing our new design;

FIG. 2 is a front elevational view thereof, the rear being identical thereto;

FIG. 3 is a top plan view thereof;

FIG. 4 is a right side elevational view thereof;

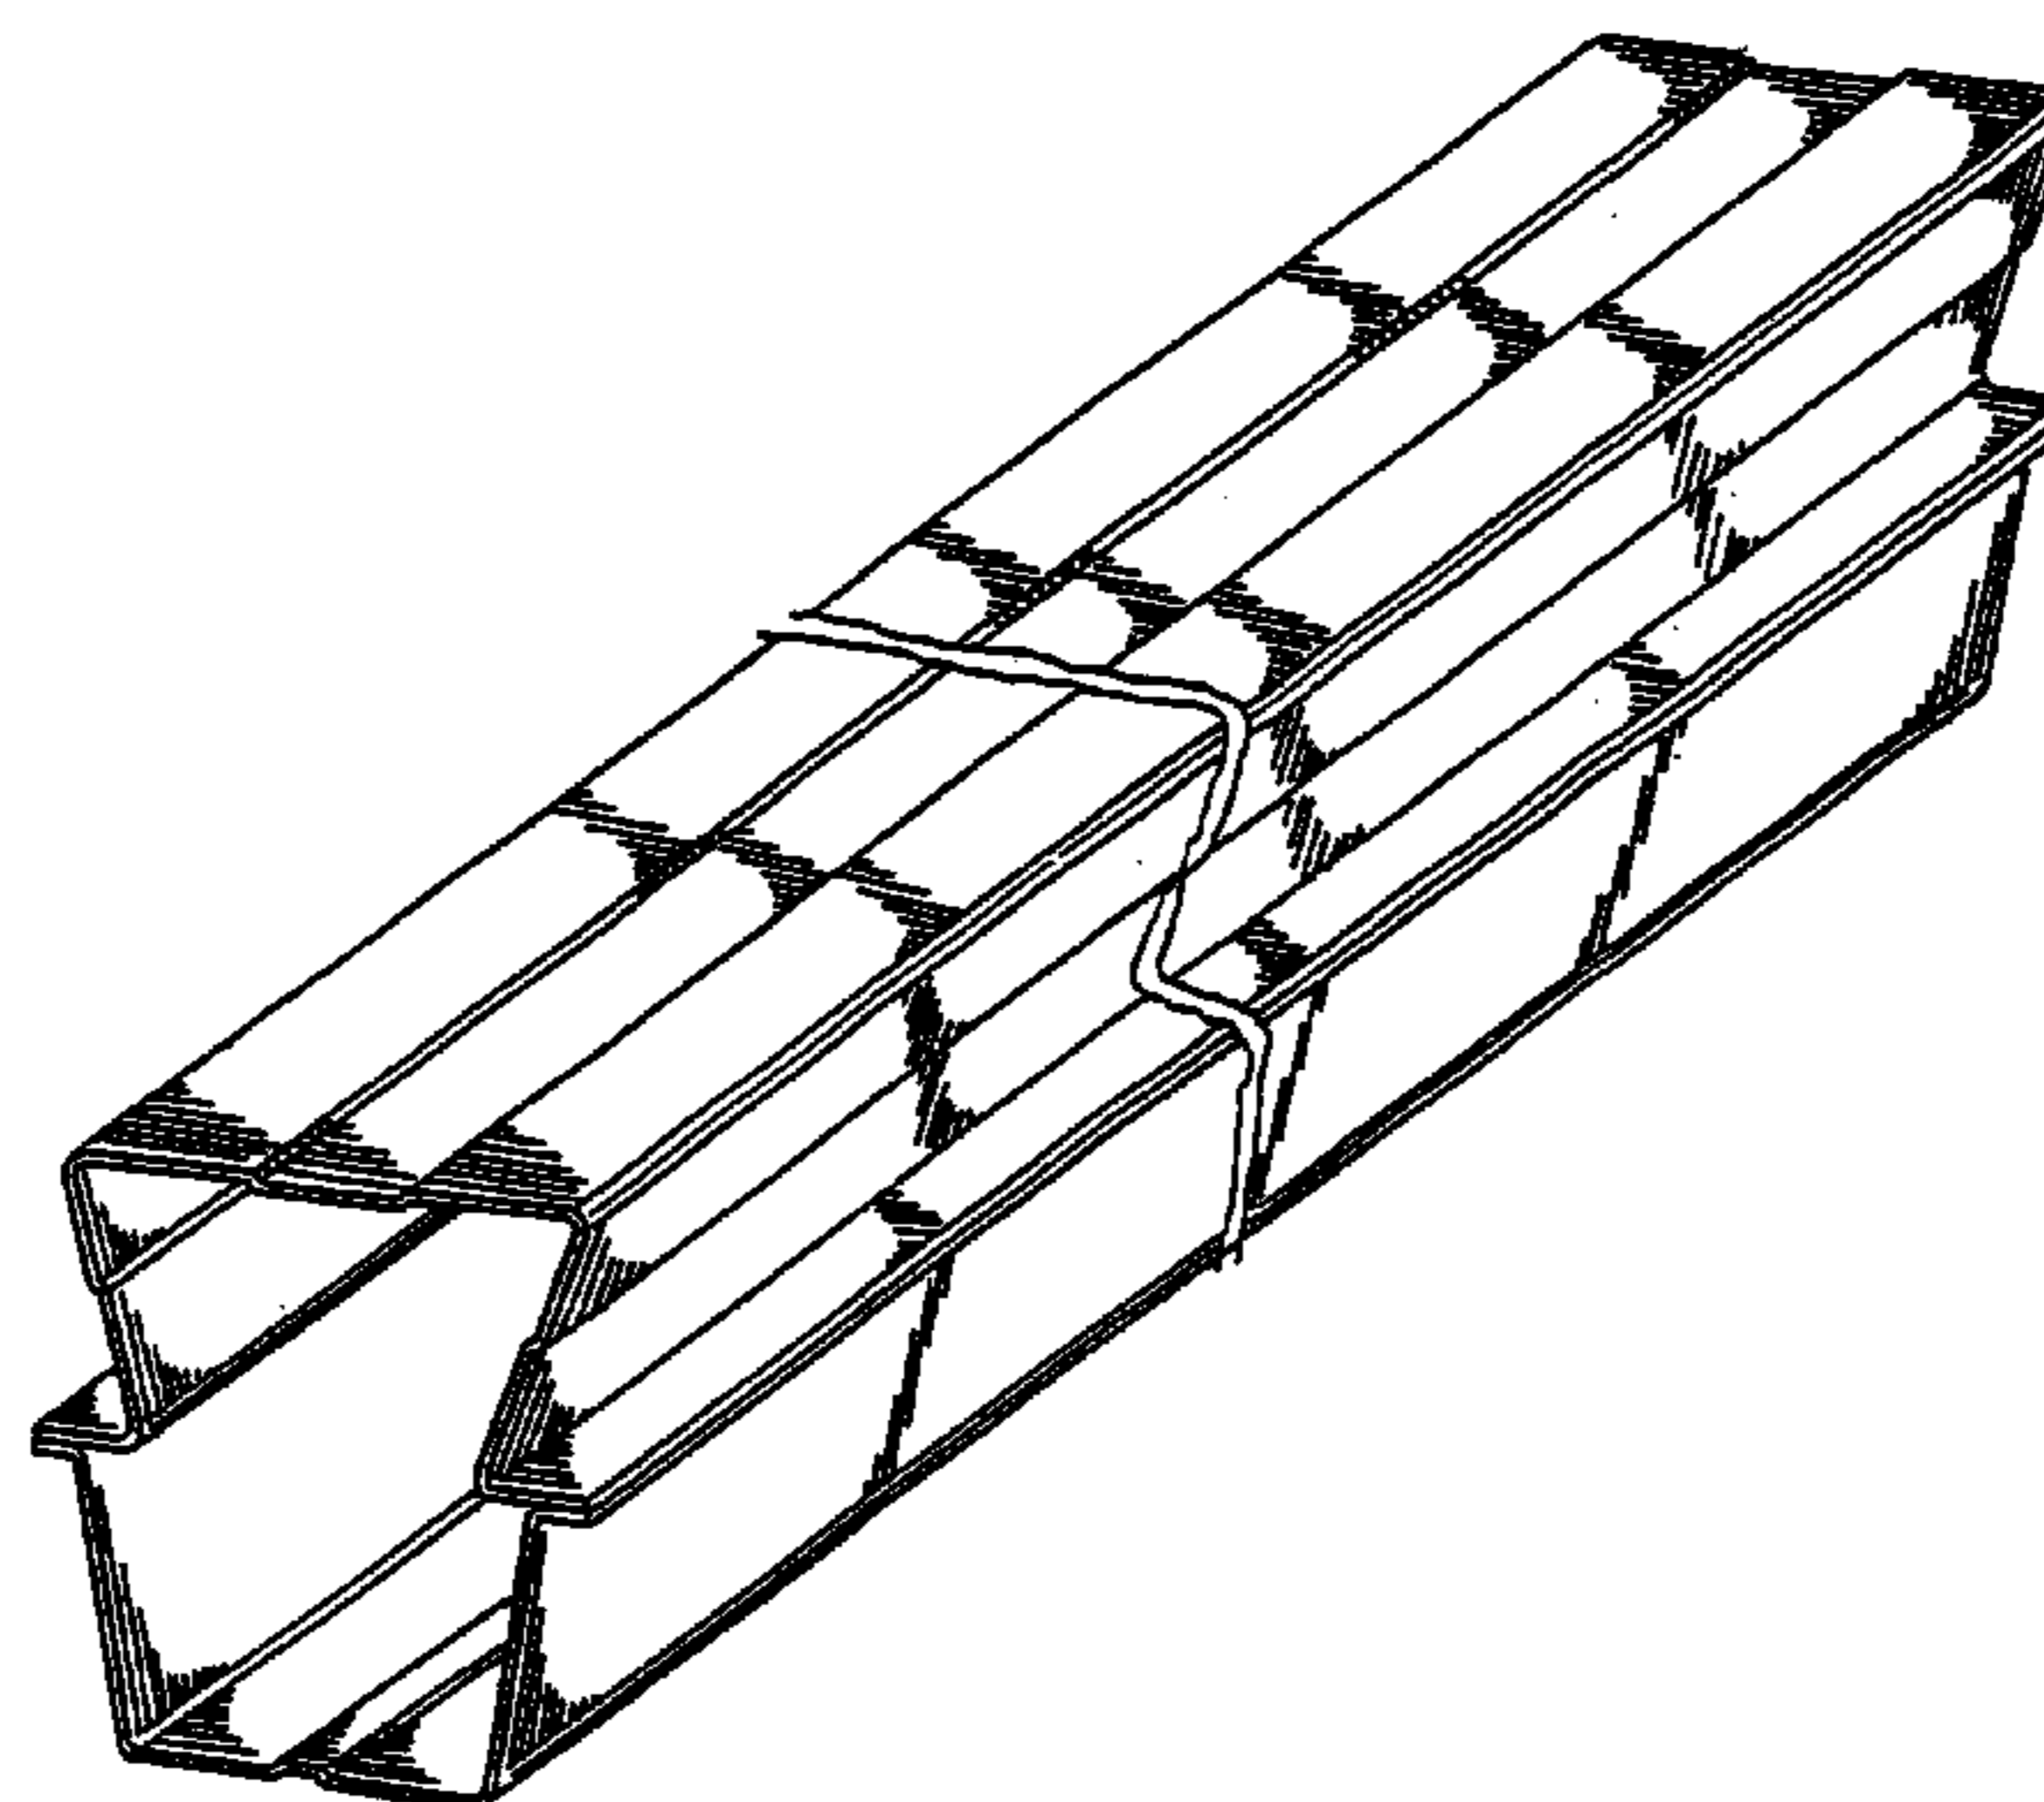

FIG. 5 is a left side elevational view thereof;

FIG. 6 is a bottom plan view thereof; and,

FIG. 7 is a top front perspective view thereof.

The decking has been broken in the center to show indefinite length. The broken lines are for illustrative purposes only and form no part of the claimed design.
