(57) **CLAIM**

I claim the ornamental design for a door guard having extendable straps with suction cups, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a door guard having extendable straps with suction cups showing my new design; FIG. 2 is an enlarged top plan view thereof; FIG. 3 is an enlarged side elevational view thereof, the elevational view of the opposing side being identical thereto; FIG. 4 is an enlarged bottom plan view thereof; FIG. 5 is an enlarged end elevational view thereof, the elevational view of the opposing end being identical thereto; and, FIG. 6 is a reduced perspective view showing the door guard having extendable straps with suction cups in use; the broken lines depict environmental structure for illustrative purposes only and form no part of the claimed design.
