(57) **CLAIM**

The ornamental design for a nine shelf compact disc rack, as shown and described.

**DESCRIPTION**

The claimed compact disk rack has nine shelves each consisting of three compartments which can be used to store compacts disks in a spine out or face out manner.

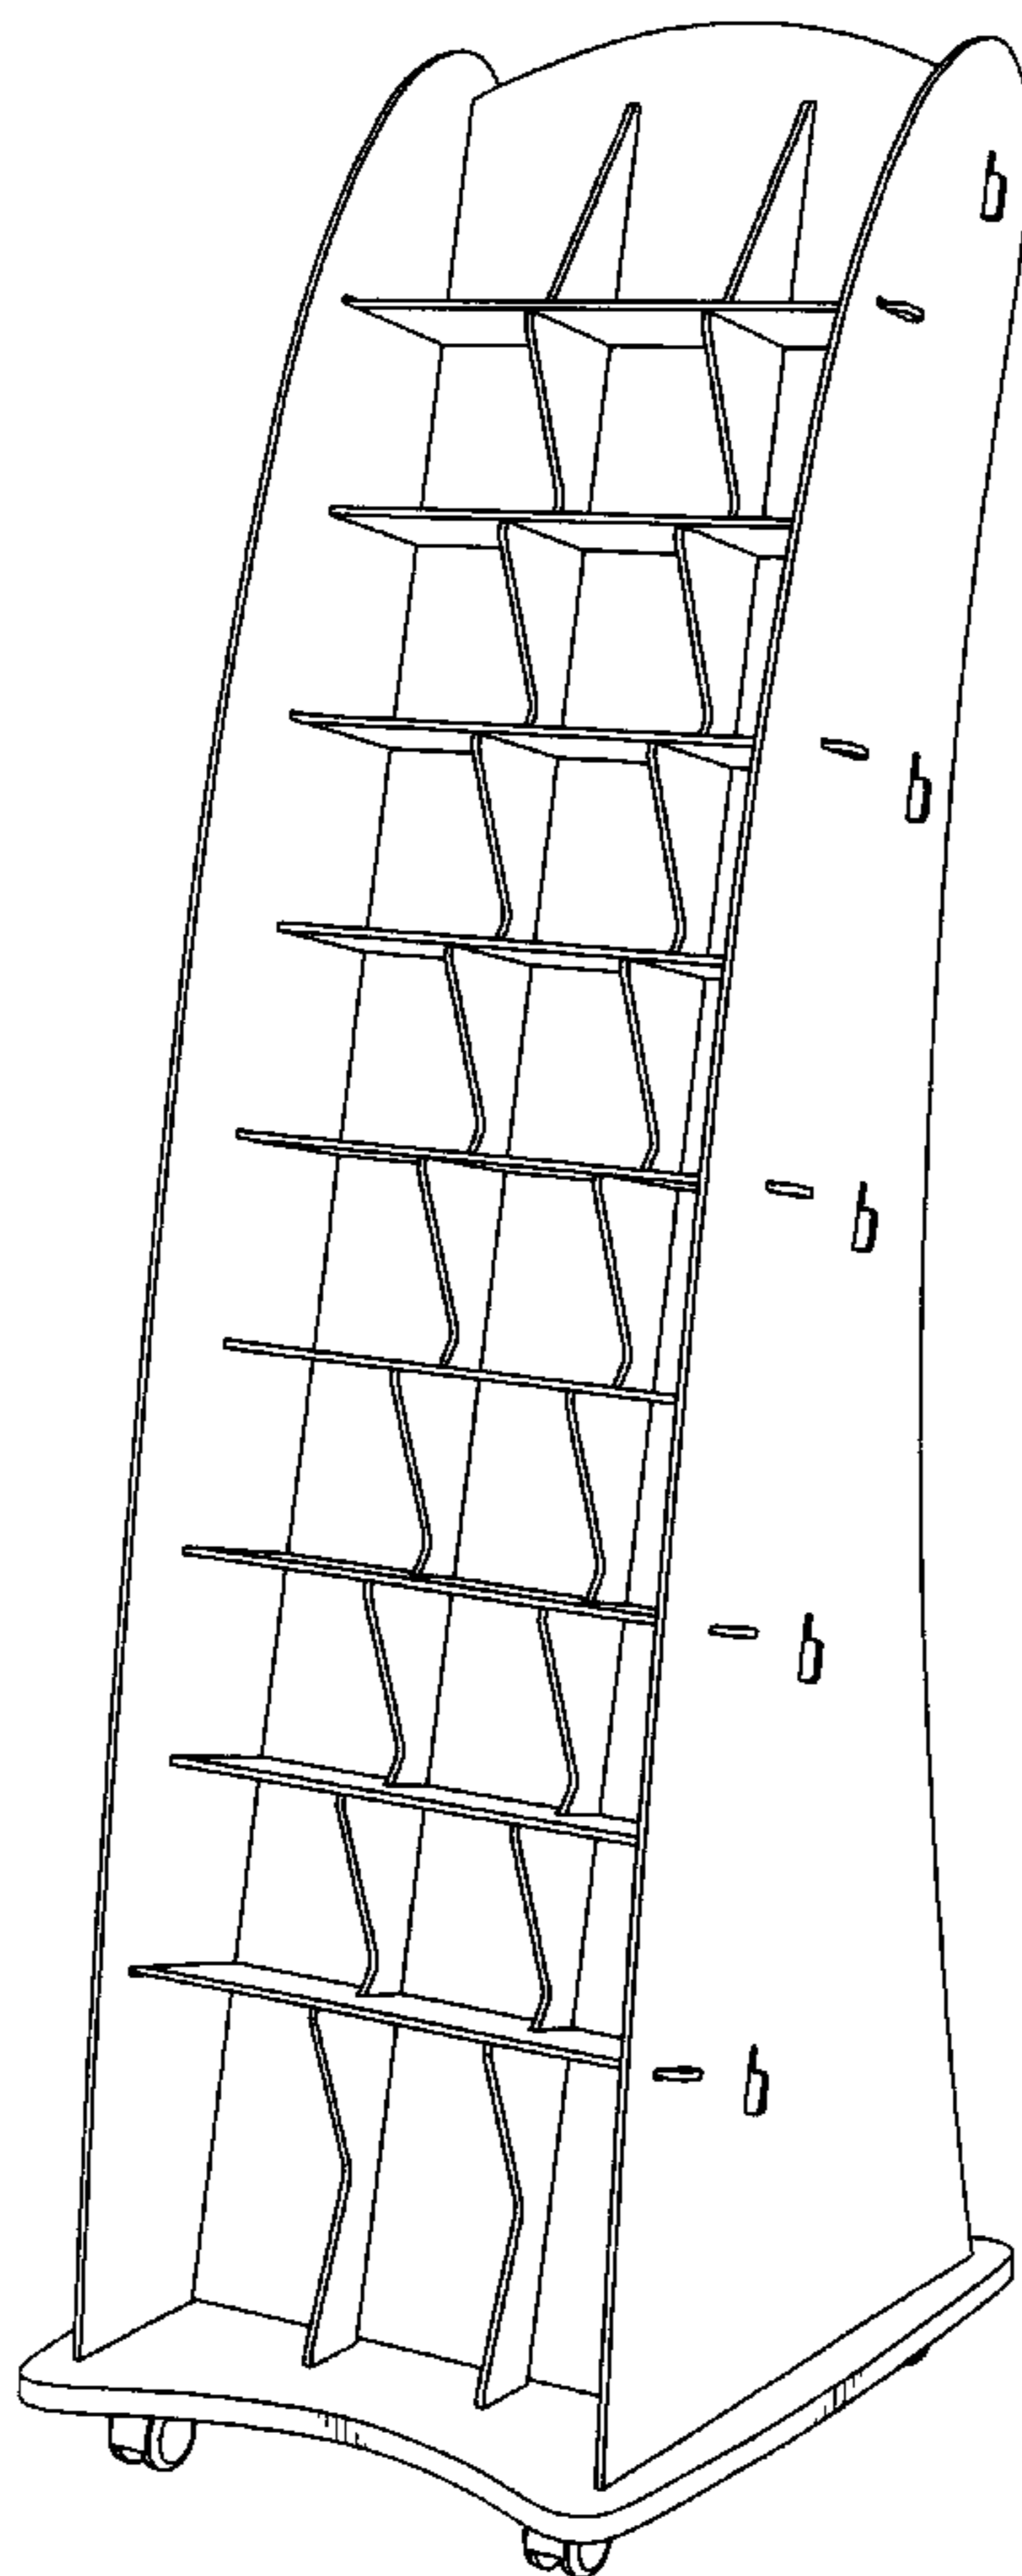

FIG. 1 is a front elevational view of a nine shelf compact disc rack showing my new design;

FIG. 2 is a right side elevational view thereof, the left side being a mirror image;

FIG. 3 is a front perspective view thereof; and,

FIG. 4 is a back perspective view thereof.
