(57) **CLAIM**

The ornamental design for a fitting member for a hard disk drive, as shown and described.

DESCRIPTION

FIG. 1 is a front, bottom and right side perspective view of a fitting member for a hard disk drive, showing our new design;

FIG. 2 is a front elevational view thereof; a rear elevational view being identical thereof;

FIG. 3 is a top plan view thereof;

FIG. 4 is a bottom plan view thereof;

FIG. 5 is a right side elevational view thereof; a left side elevational view being a mirror image thereof; and,

FIG. 6 is a perspective view showing a fitting member into which a hard disk drive is installed.

The broken line showing of a hard disk drive is for illustrative purposes only and forms no part of the claimed design.
