(57) **CLAIM**

What is claimed the ornamental design for the dispensing portion of a closure, as shown and described.

DESCRIPTION

FIG. 1 shows a top, front perspective view of a dispensing portion of a closure;

FIG. 2 shows a front elevational view of the dispensing portion of the closure; the rear elevational view is a mirror image of the front elevational view;

FIG. 3 is a right-sided view of the dispensing portion of the closure;

FIG. 4 is a top plan view of the dispensing portion of the closure; and,

FIG. 5 is a bottom plan view of the dispensing portion of the closure.

The dashed lines in the drawings do not form part of the claimed invention but are intended to merely show environment for the dispensing portion of the closure.
