(57) **CLAIM**

(73) Assignee: **Ford Global Technologies LLC**,
Dearborn, MI (US)

The ornamental design for a vehicle key head, as shown and described.

(**) Term: **14 Years**

DESCRIPTION

(21) Appl. No.: **29/187,363**

FIG. 1 is a front elevational view of the vehicle key head showing my new design, the shaft portion of the automotive key being shown in phantom and does not form a part of the ornamental design;

(22) Filed: **Jul. 31, 2003**

(51) **LOC (6) Cl.** **08-07**

(52) **U.S. Cl.** **D8/347**

(58) **Field of Search** D8/330, 343–348;
70/336, 344, 345, 431, 402, 408, 413, 393,
395, 405, 278.2, 278.3, DIG. 46, DIG. 47;
340/5.6

FIG. 2 is a side elevational view thereof, the shaft portion of the key being shown in phantom and does not form a part of the ornamental design, the back side of the vehicle key head being depicted with an optional face shown in phantom as being symmetrical with the front side, the opposing side elevational view being a mirror image thereto;
