(57) **CLAIM**

The ornamental design for a camouflage bark pattern applied to substrate, as shown and described.

DESCRIPTION

The camouflage bark pattern depicted herein is intended to be applied as surface ornamentation to substrate such as fabric.

The patent application file contains one drawing executed in color. Copies of this patent or patent application publication with a color drawing will be provided by the Office upon request and payment of the necessary fee.

The sole FIGURE view is a plan view of the camouflage bark pattern applied to substrate showing our new design.
