(57) **CLAIM**

The ornamental design for a food and/or beverage container, as shown and described.

DESCRIPTION

FIG. 1 is a top perspective view of the container showing our new design;
FIG. 2 is a front view of the container showing our new design;
FIG. 3 is a back view of the container showing our new design;
FIG. 4 is a right side view of the container, with a left side view being omitted since it is a mirror image of the right side view from side-to-side.
FIG. 5 is a top view of the container showing our new design; and,
FIG. 6 is a bottom view of the container showing our new design, wherein the bottom surface is not being claimed.
The broken lines are for illustrative purposes only and form no part of the claimed design.
