(57) **CLAIM**

The ornamental design for an actuator cap with cover, as shown and described.

DESCRIPTION

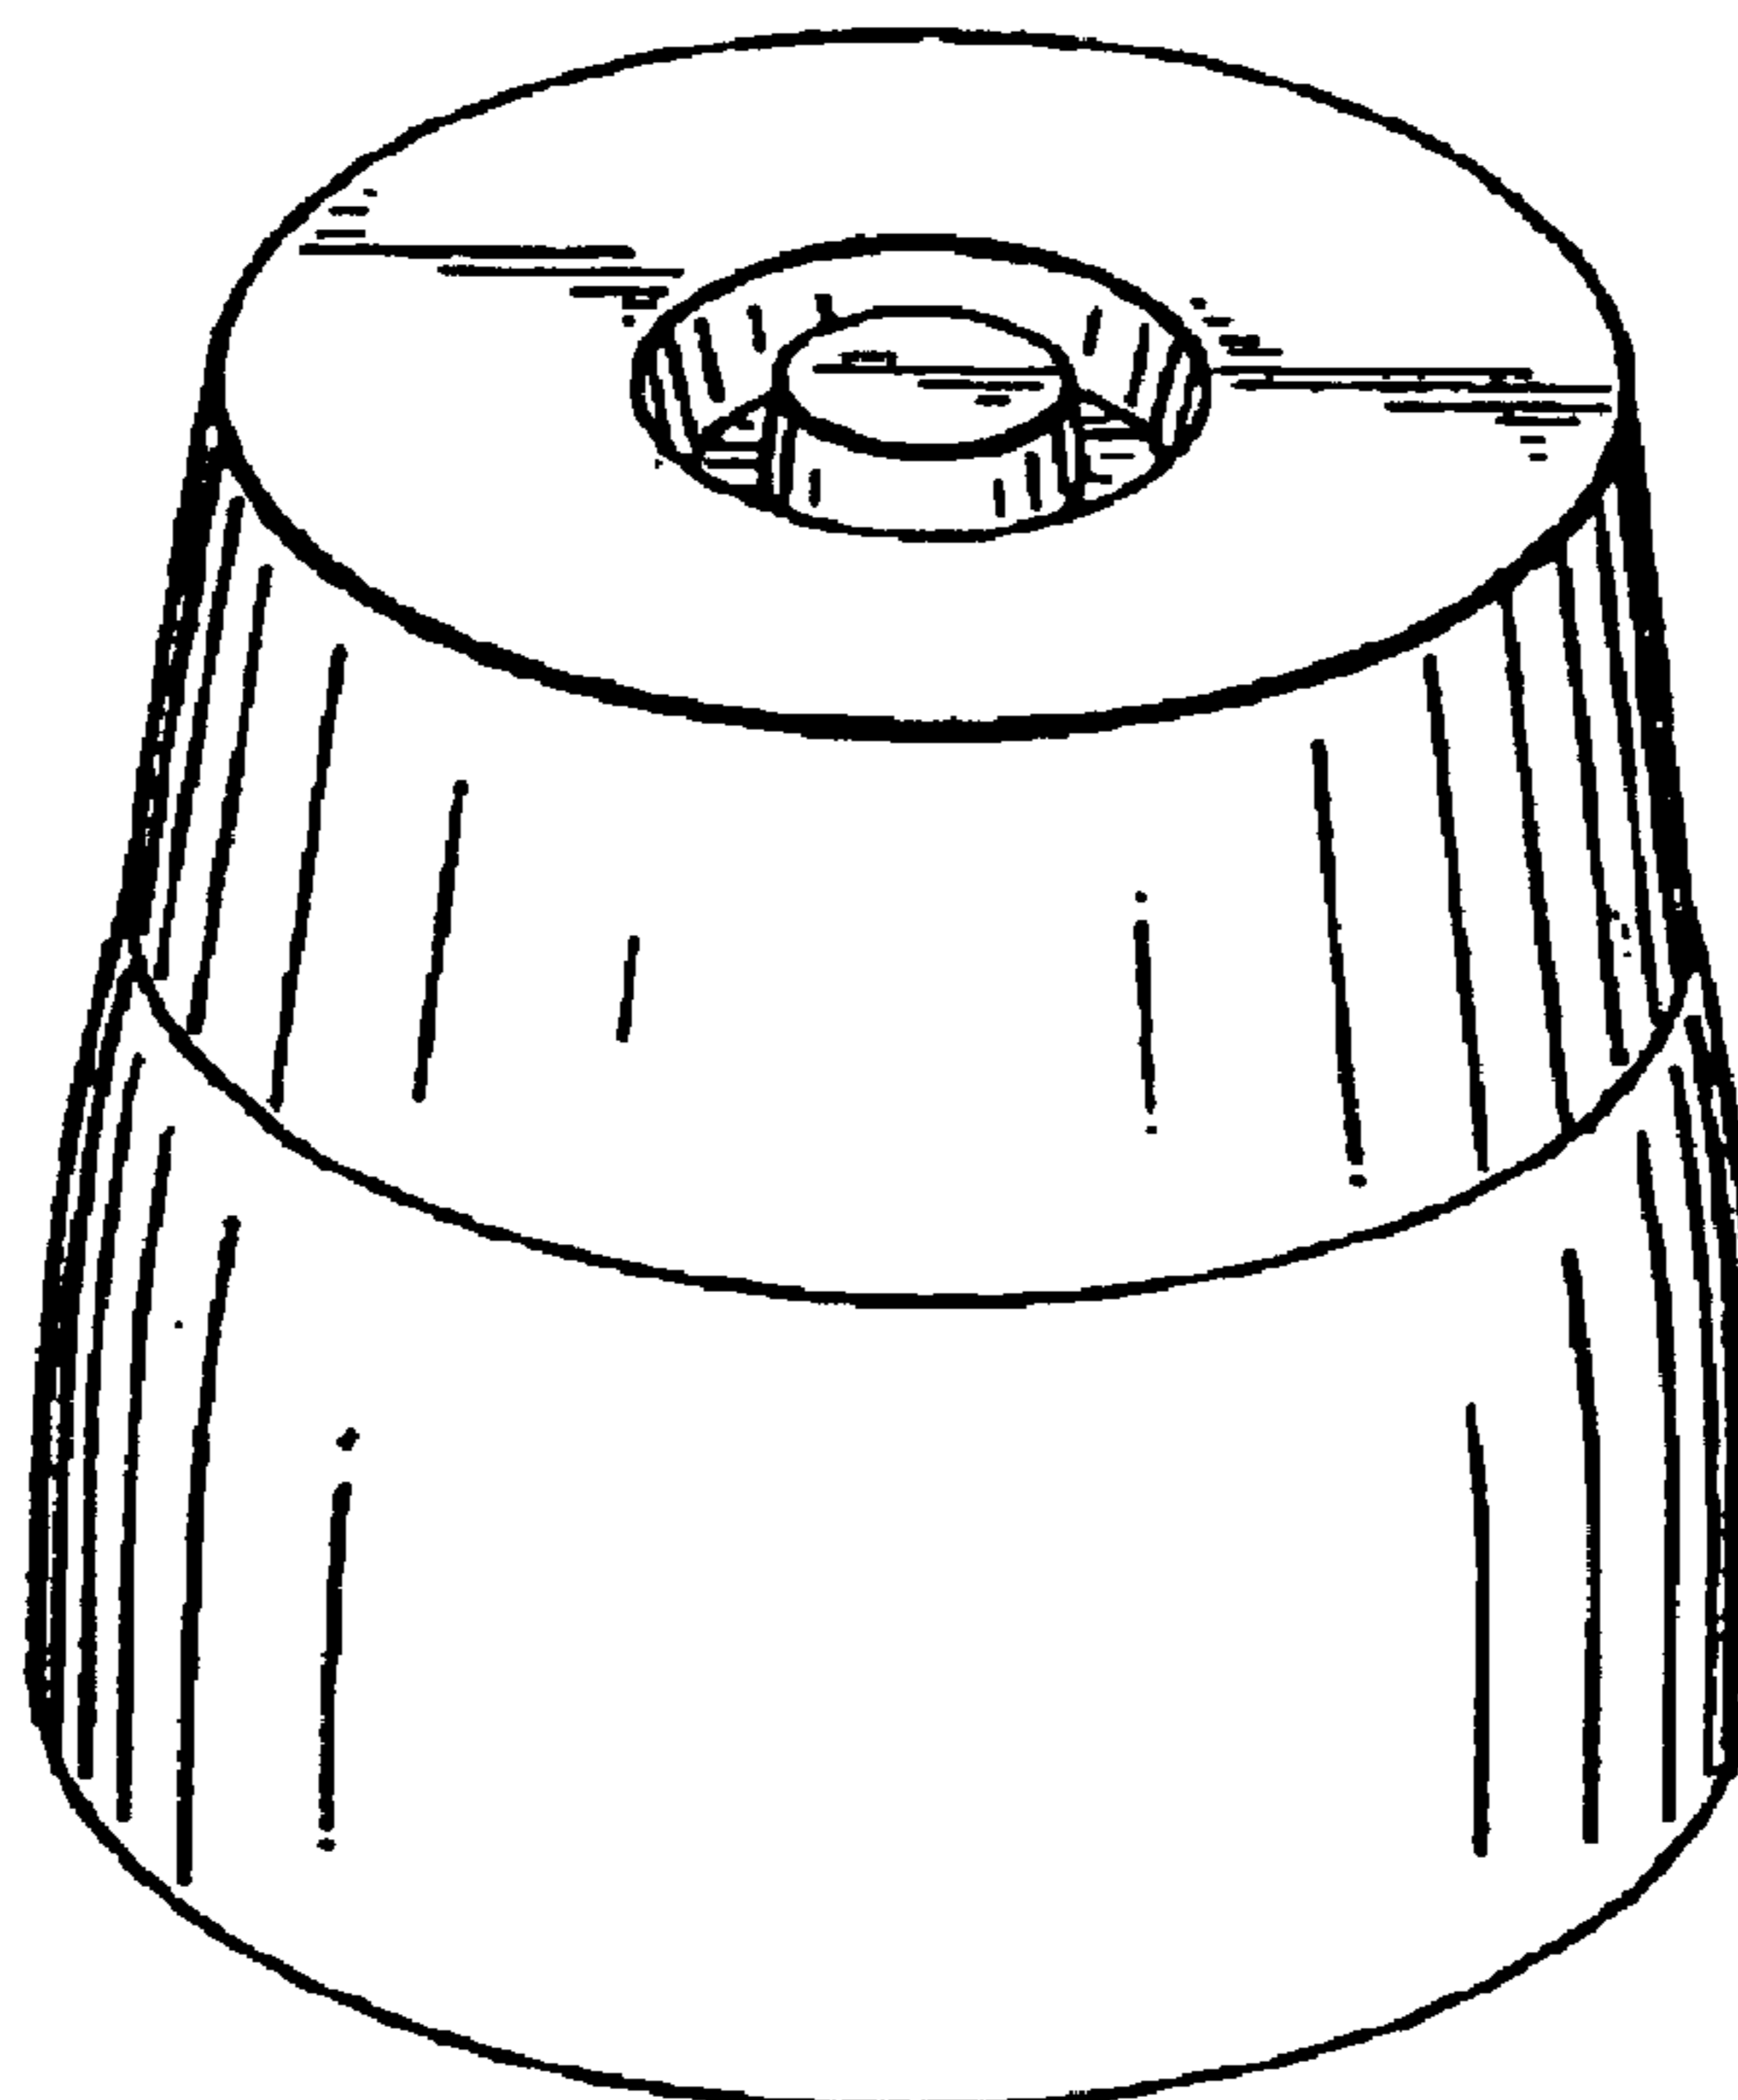

In a preferred embodiment, the nature of this product is an actuator cap with cover for an aerosol can.

FIG. 1 is a top, front, right perspective view of an actuator cap with cover embodying our new design;

FIG. 2 is a right side elevational view thereof, the left side elevational view, the front elevational view and the rear elevational view being identical to the right side elevational view shown; and,

FIG. 3 is a top plan view thereof.
