**DESCRIPTION**

FIG. 1 is a perspective view of the design for the computer having a bezel wherein broken lines illustrate environmental features;  
FIG. 2 is a front elevational view thereof; and,  
FIG. 3 is a right-side elevational view thereof, the left side being substantially the same as the illustrated right side.  
In these drawings the solid lines illustrate the claimed ornamental design whereas the broken lines illustrate environmental features that form no part of the claimed ornamental design.
