(57) **CLAIM**

I claim the ornamental design for a furniture panel, as shown and described.

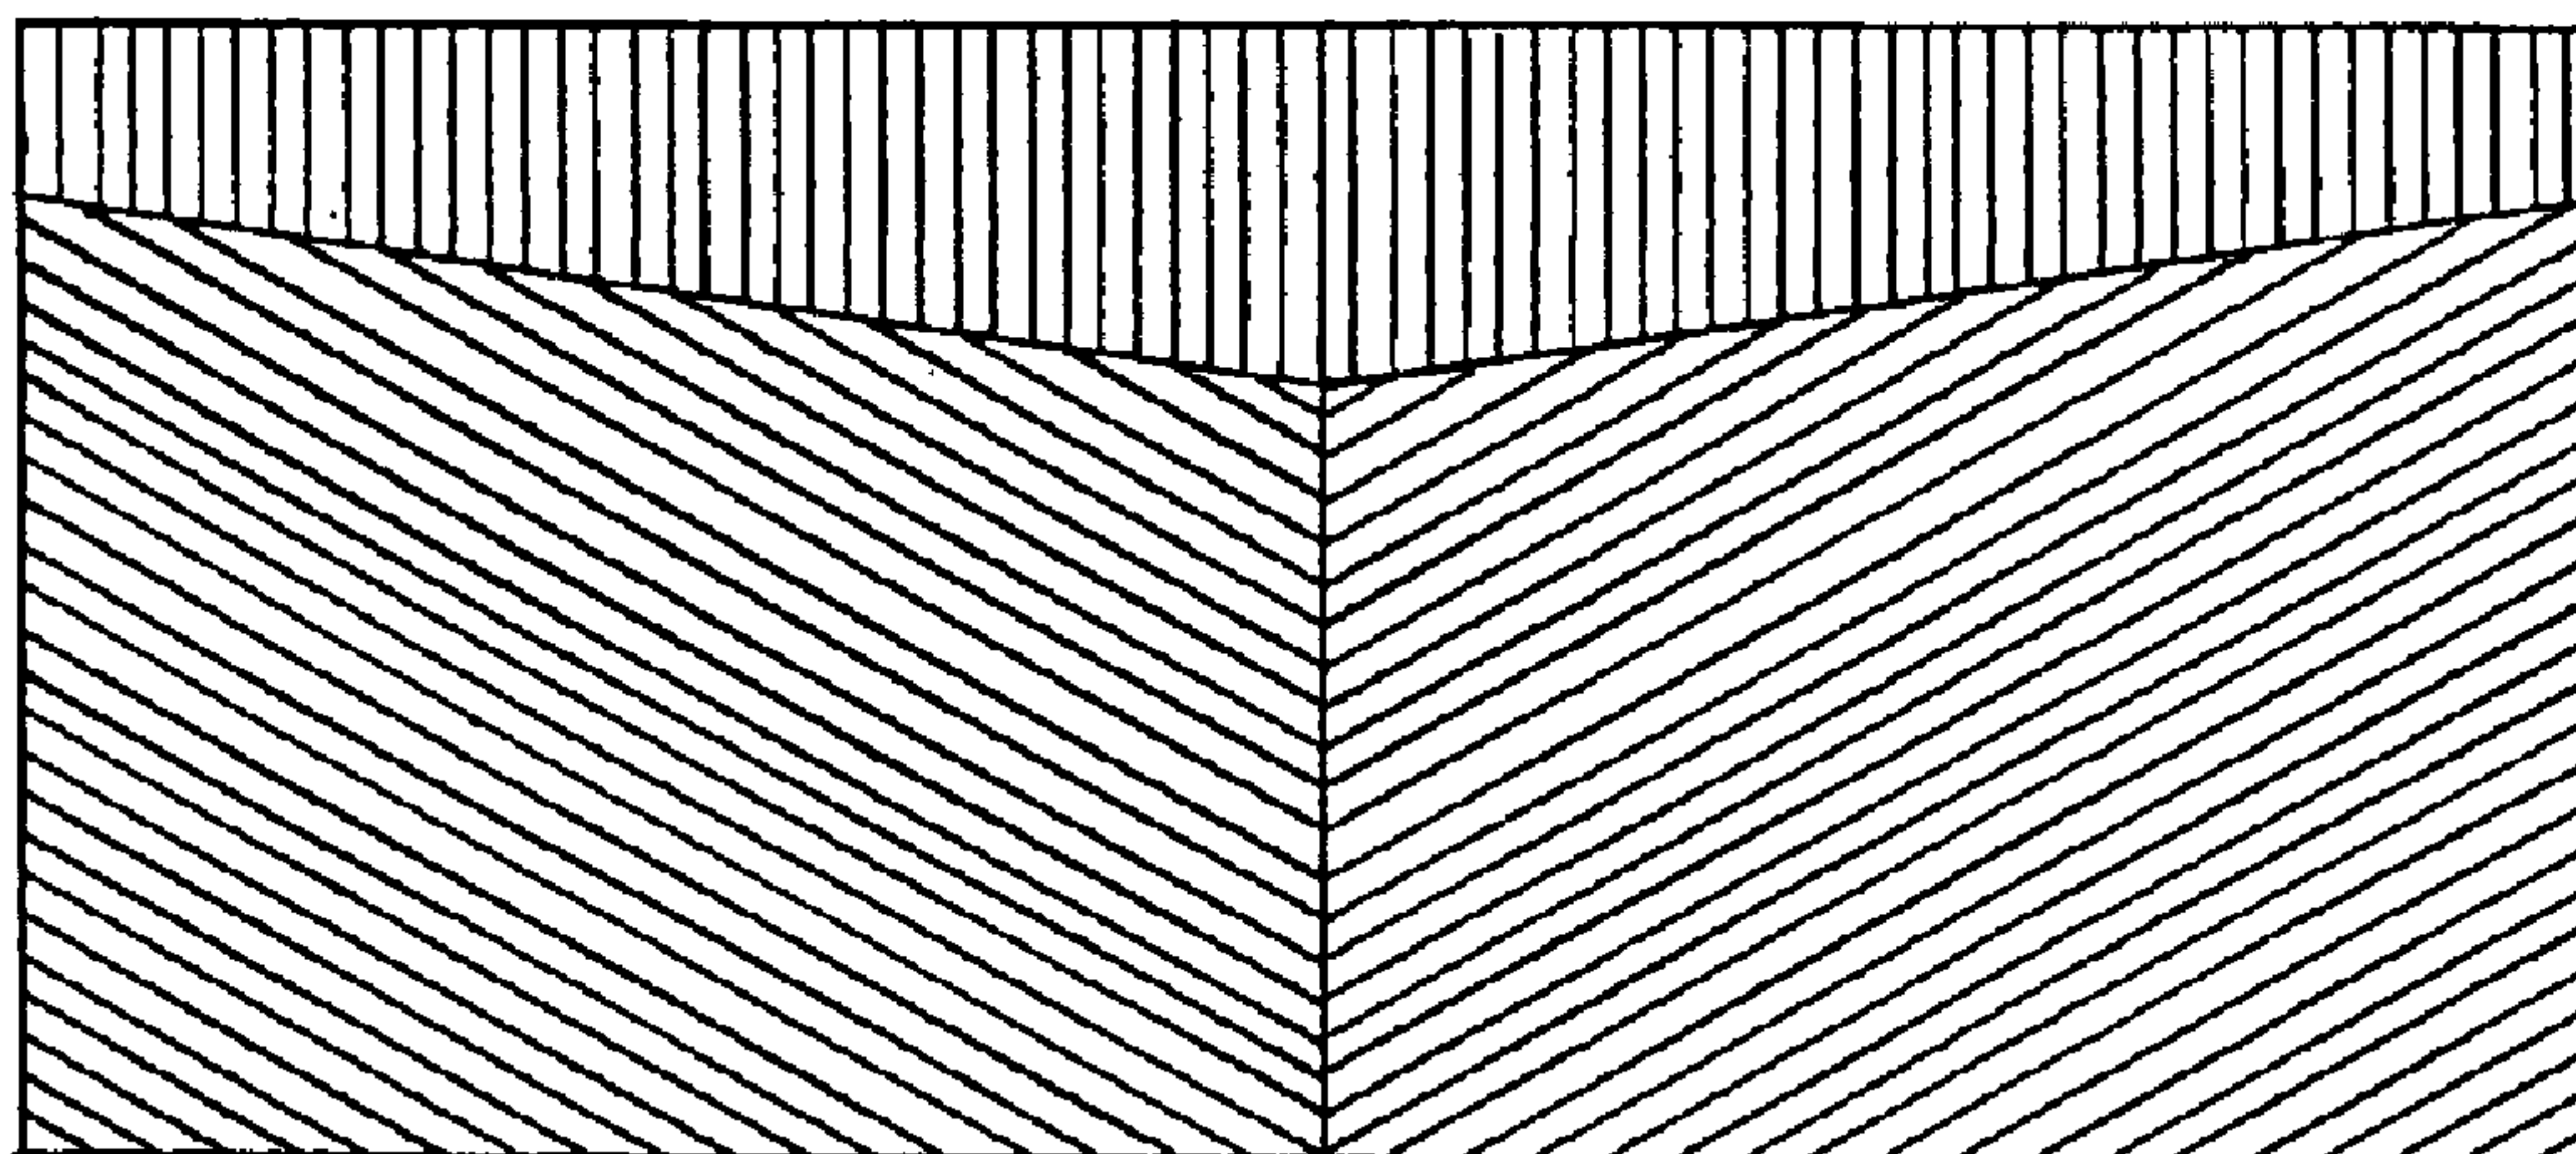

DESCRIPTION

FIG. 1 is a front view of a furniture panel of a first embodiment the present invention comprising a substantially rectangular shape. The panel comprises three sections of differing wood grain shown as opposing downward sloping lines in the lower two sections and vertical lines in the upper section.

FIG. 2 is a view of a furniture panel of a second embodiment of the present invention comprising a substantially square shape and further comprising three sections of differing wood grain.

FIG. 3 is a front view of a chest incorporating the furniture panel of a third embodiment of the present invention into the drawer faces thereof. The broken lines are for illustrative purposes only and form no part of the claimed design; and, FIG. 4 is a front view of a bed incorporating the furniture panel of a fourth embodiment of the present invention into the headboard thereof. The broken lines are for illustrative purposes only and form no part of the claimed design.

1 Claim, 3 Drawing Sheets

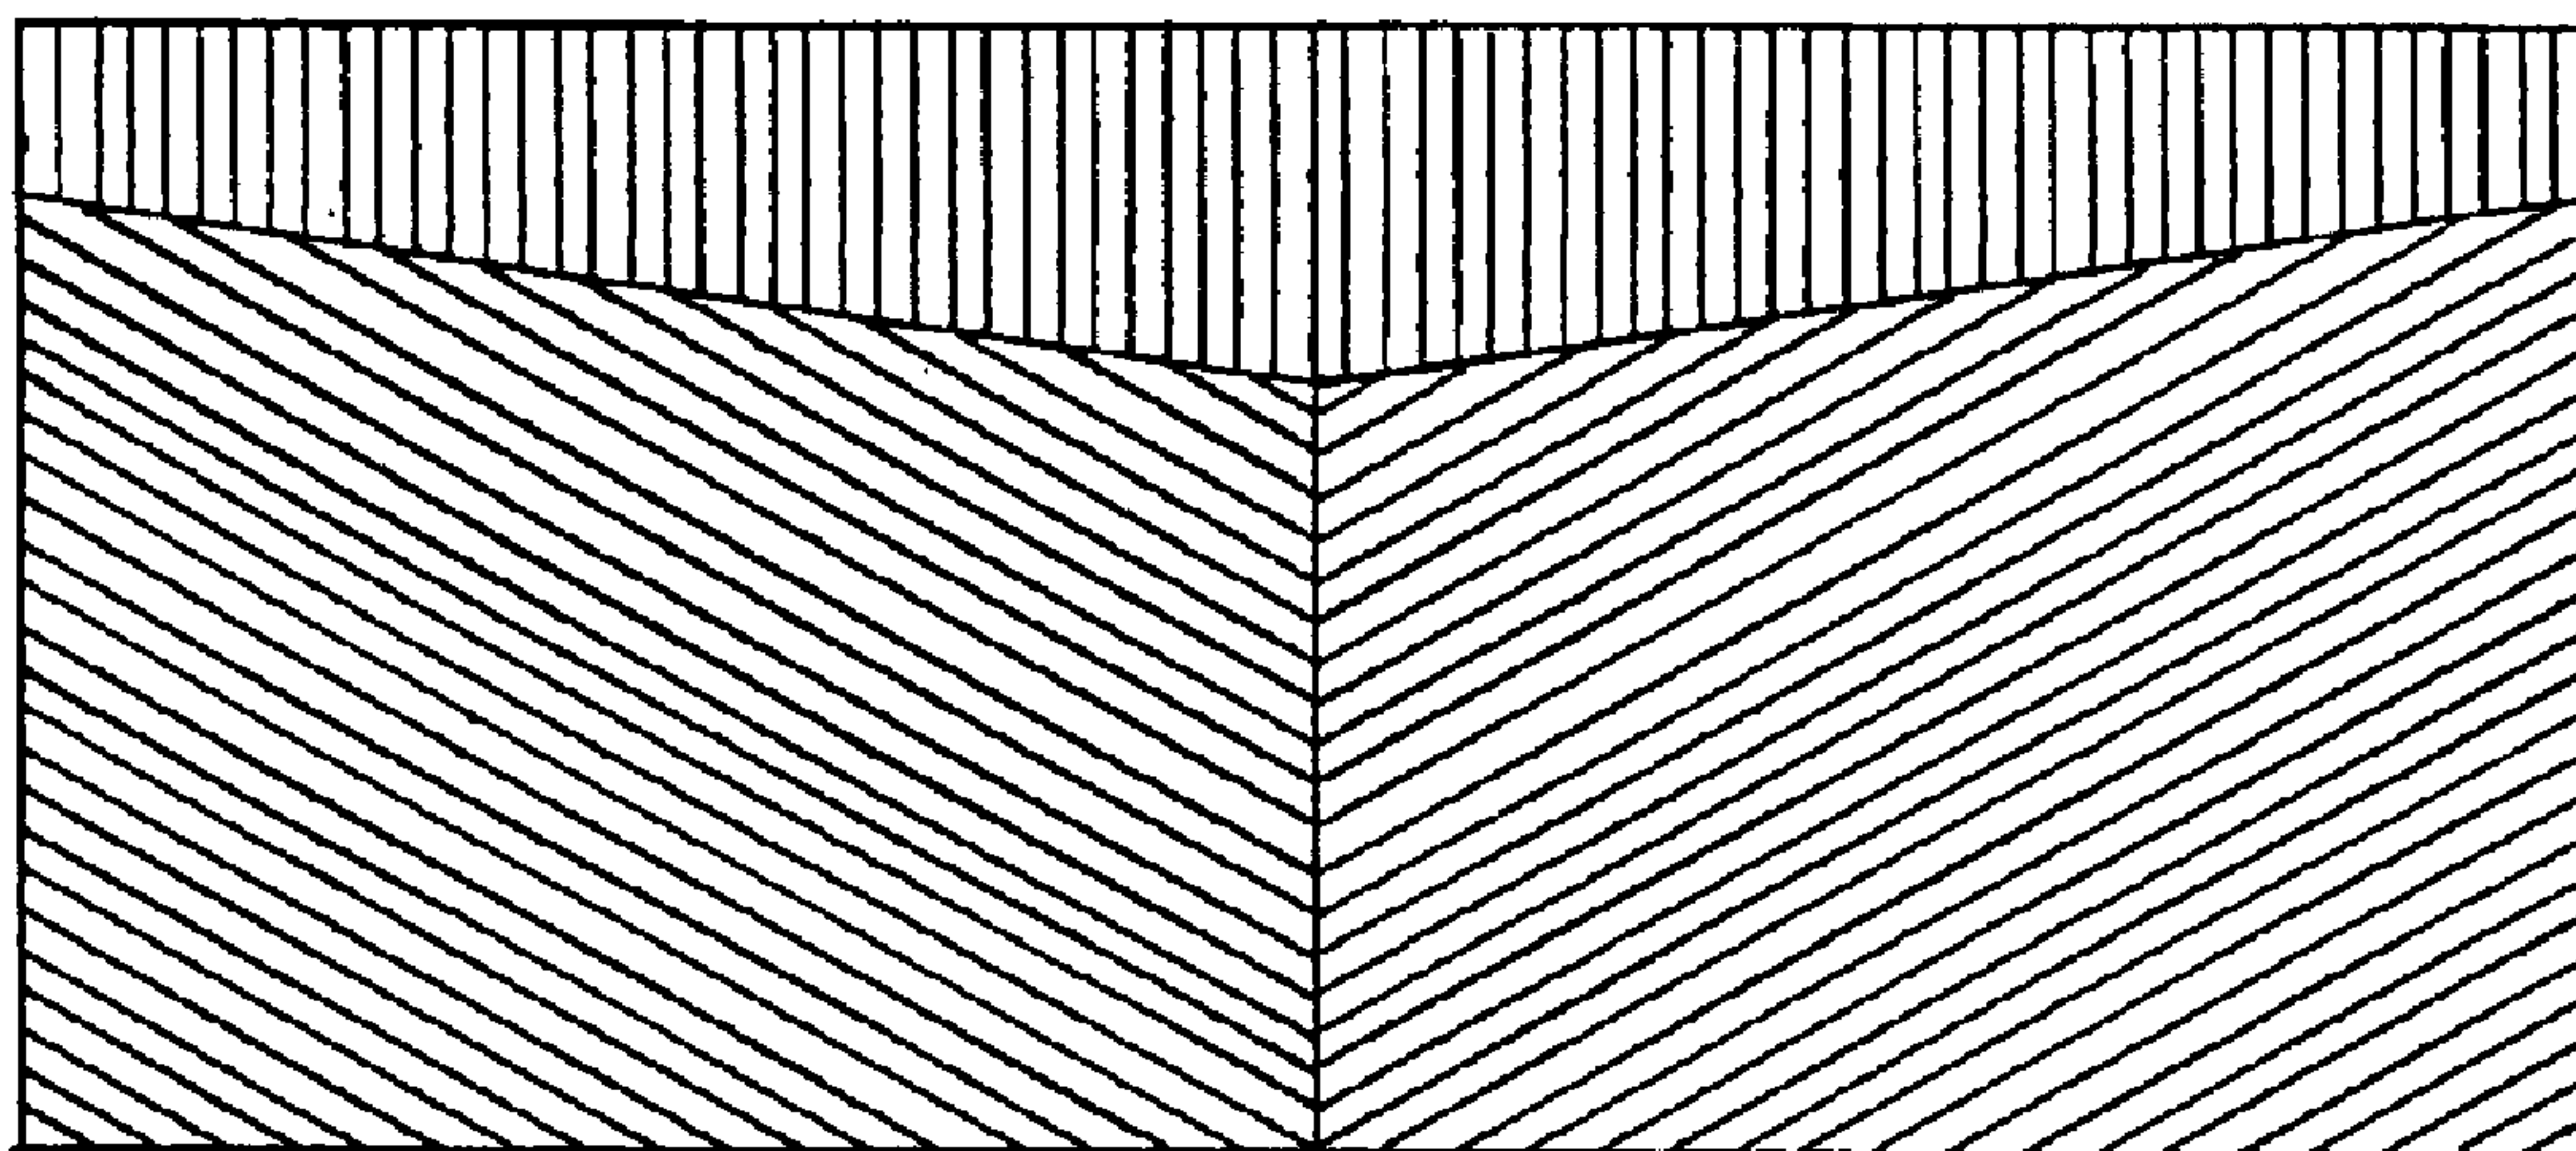

FIG. 1

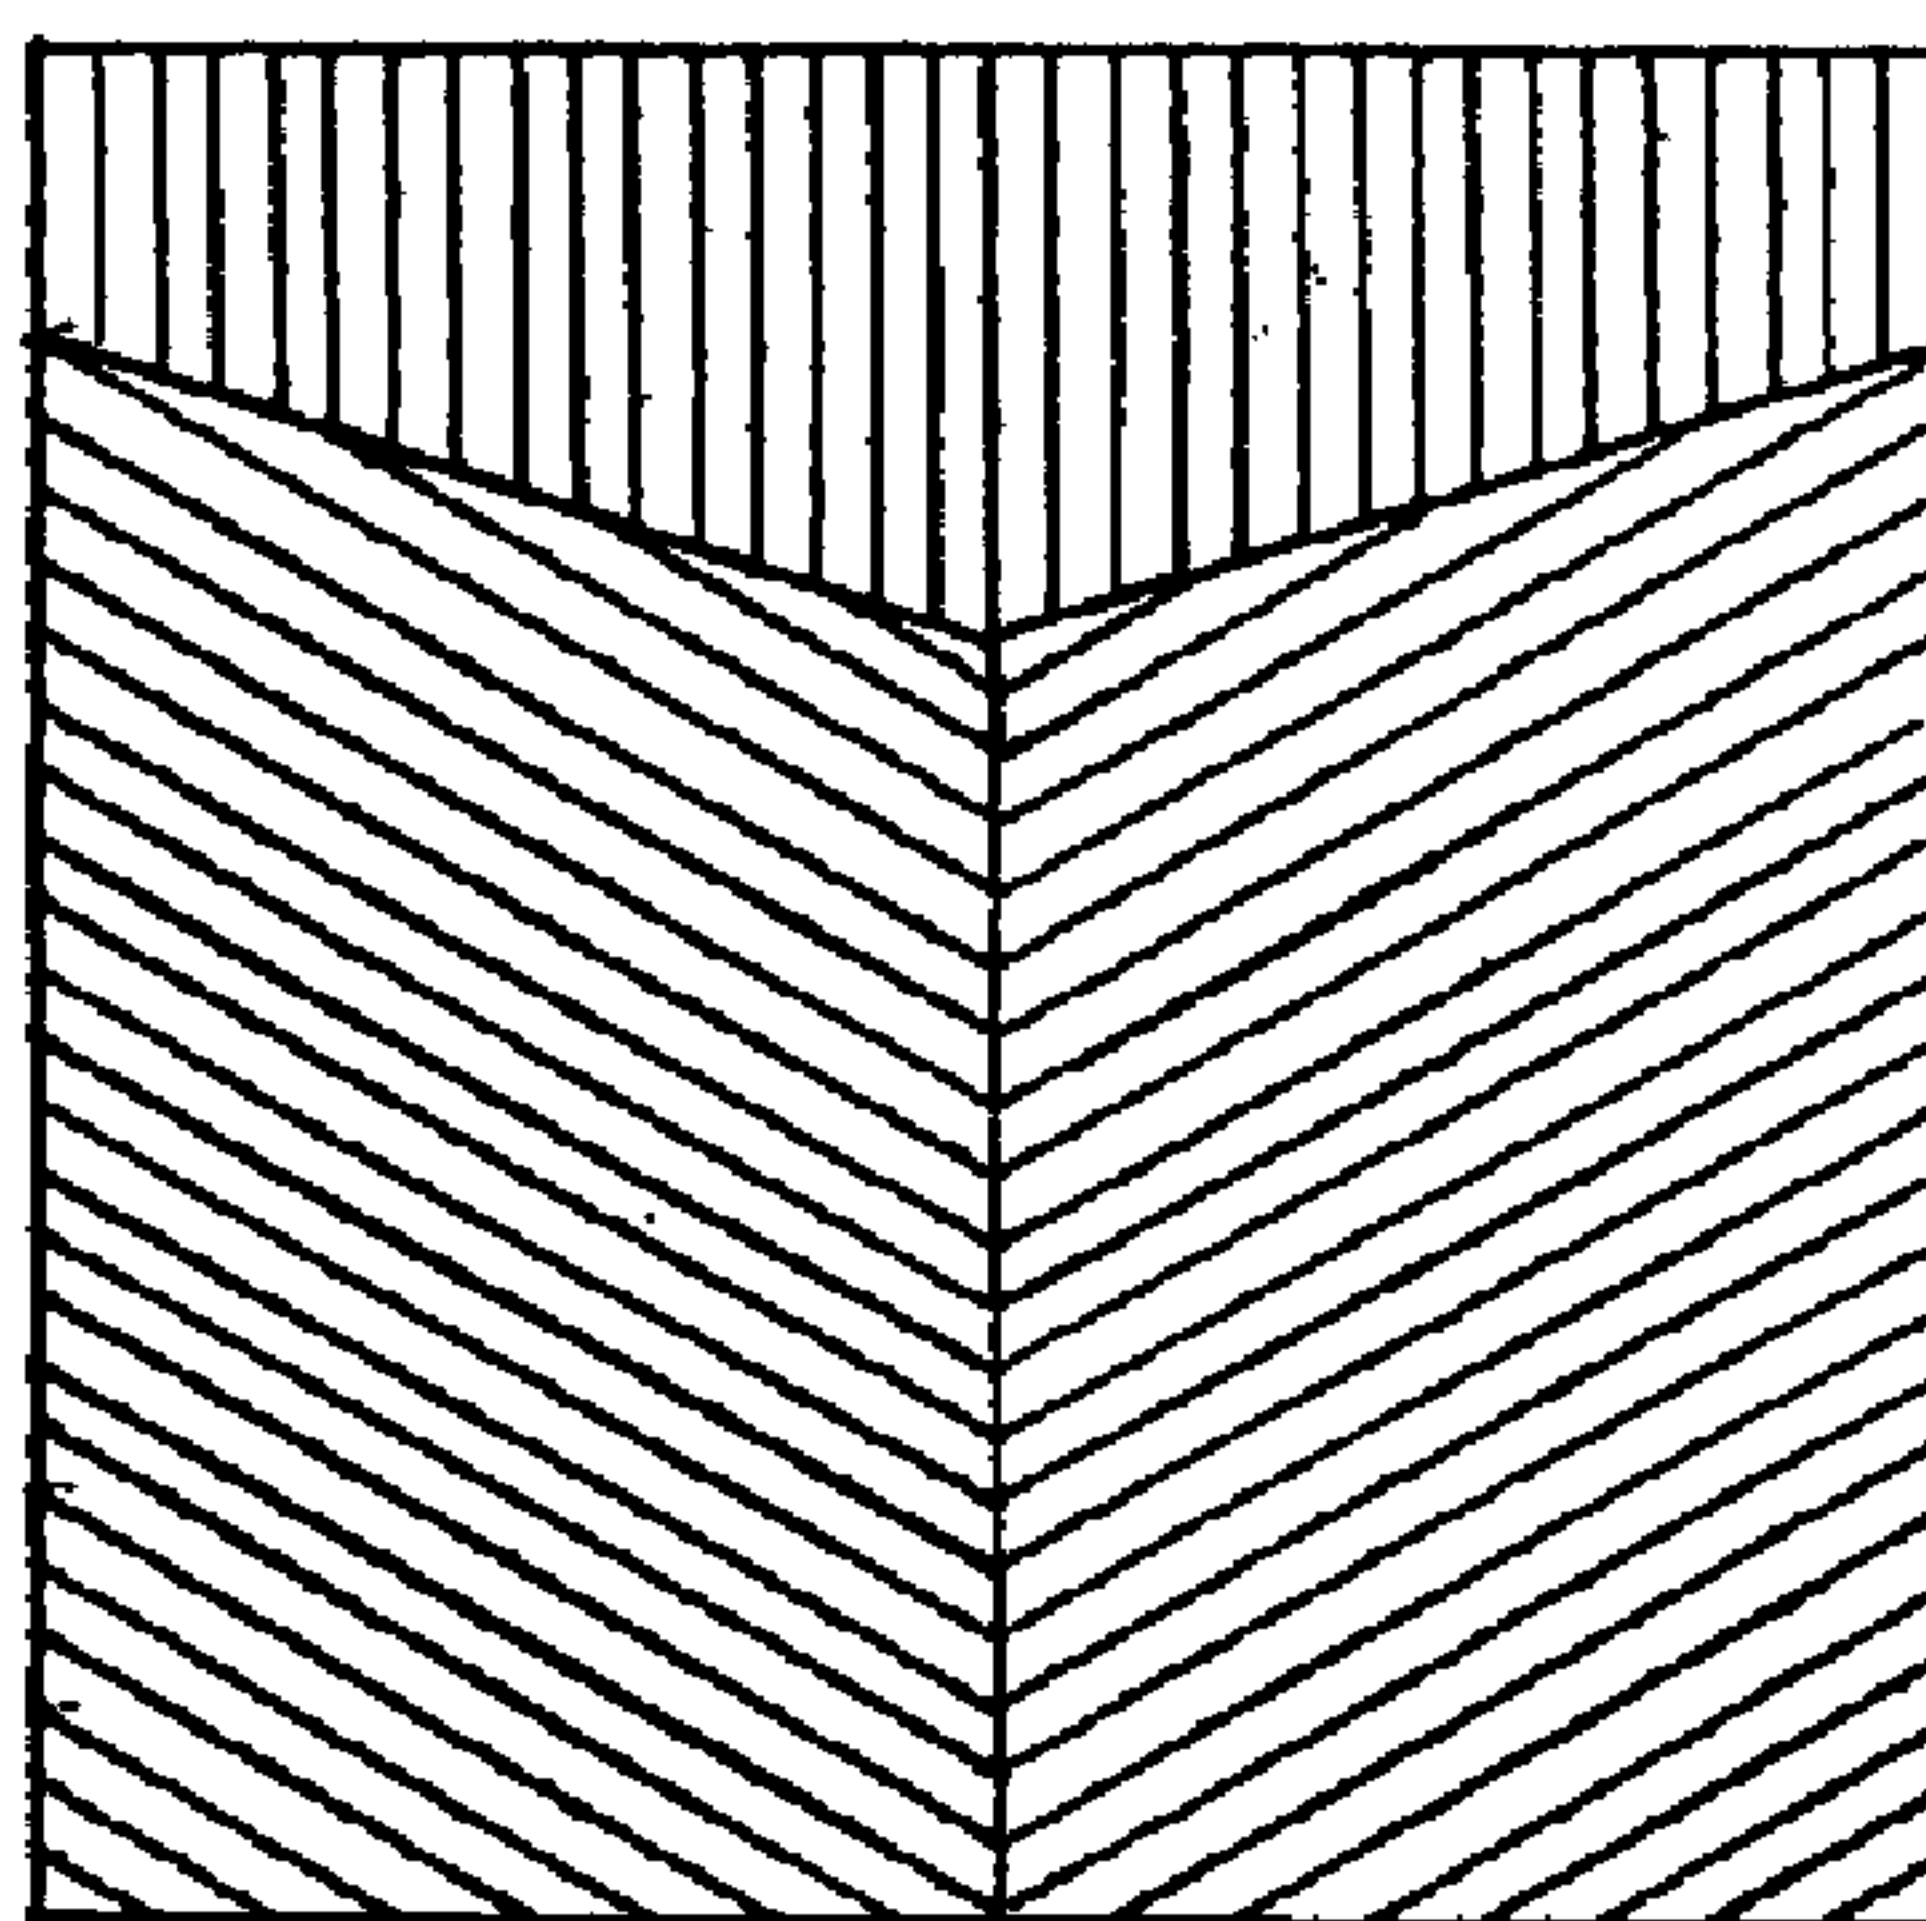

FIG. 2

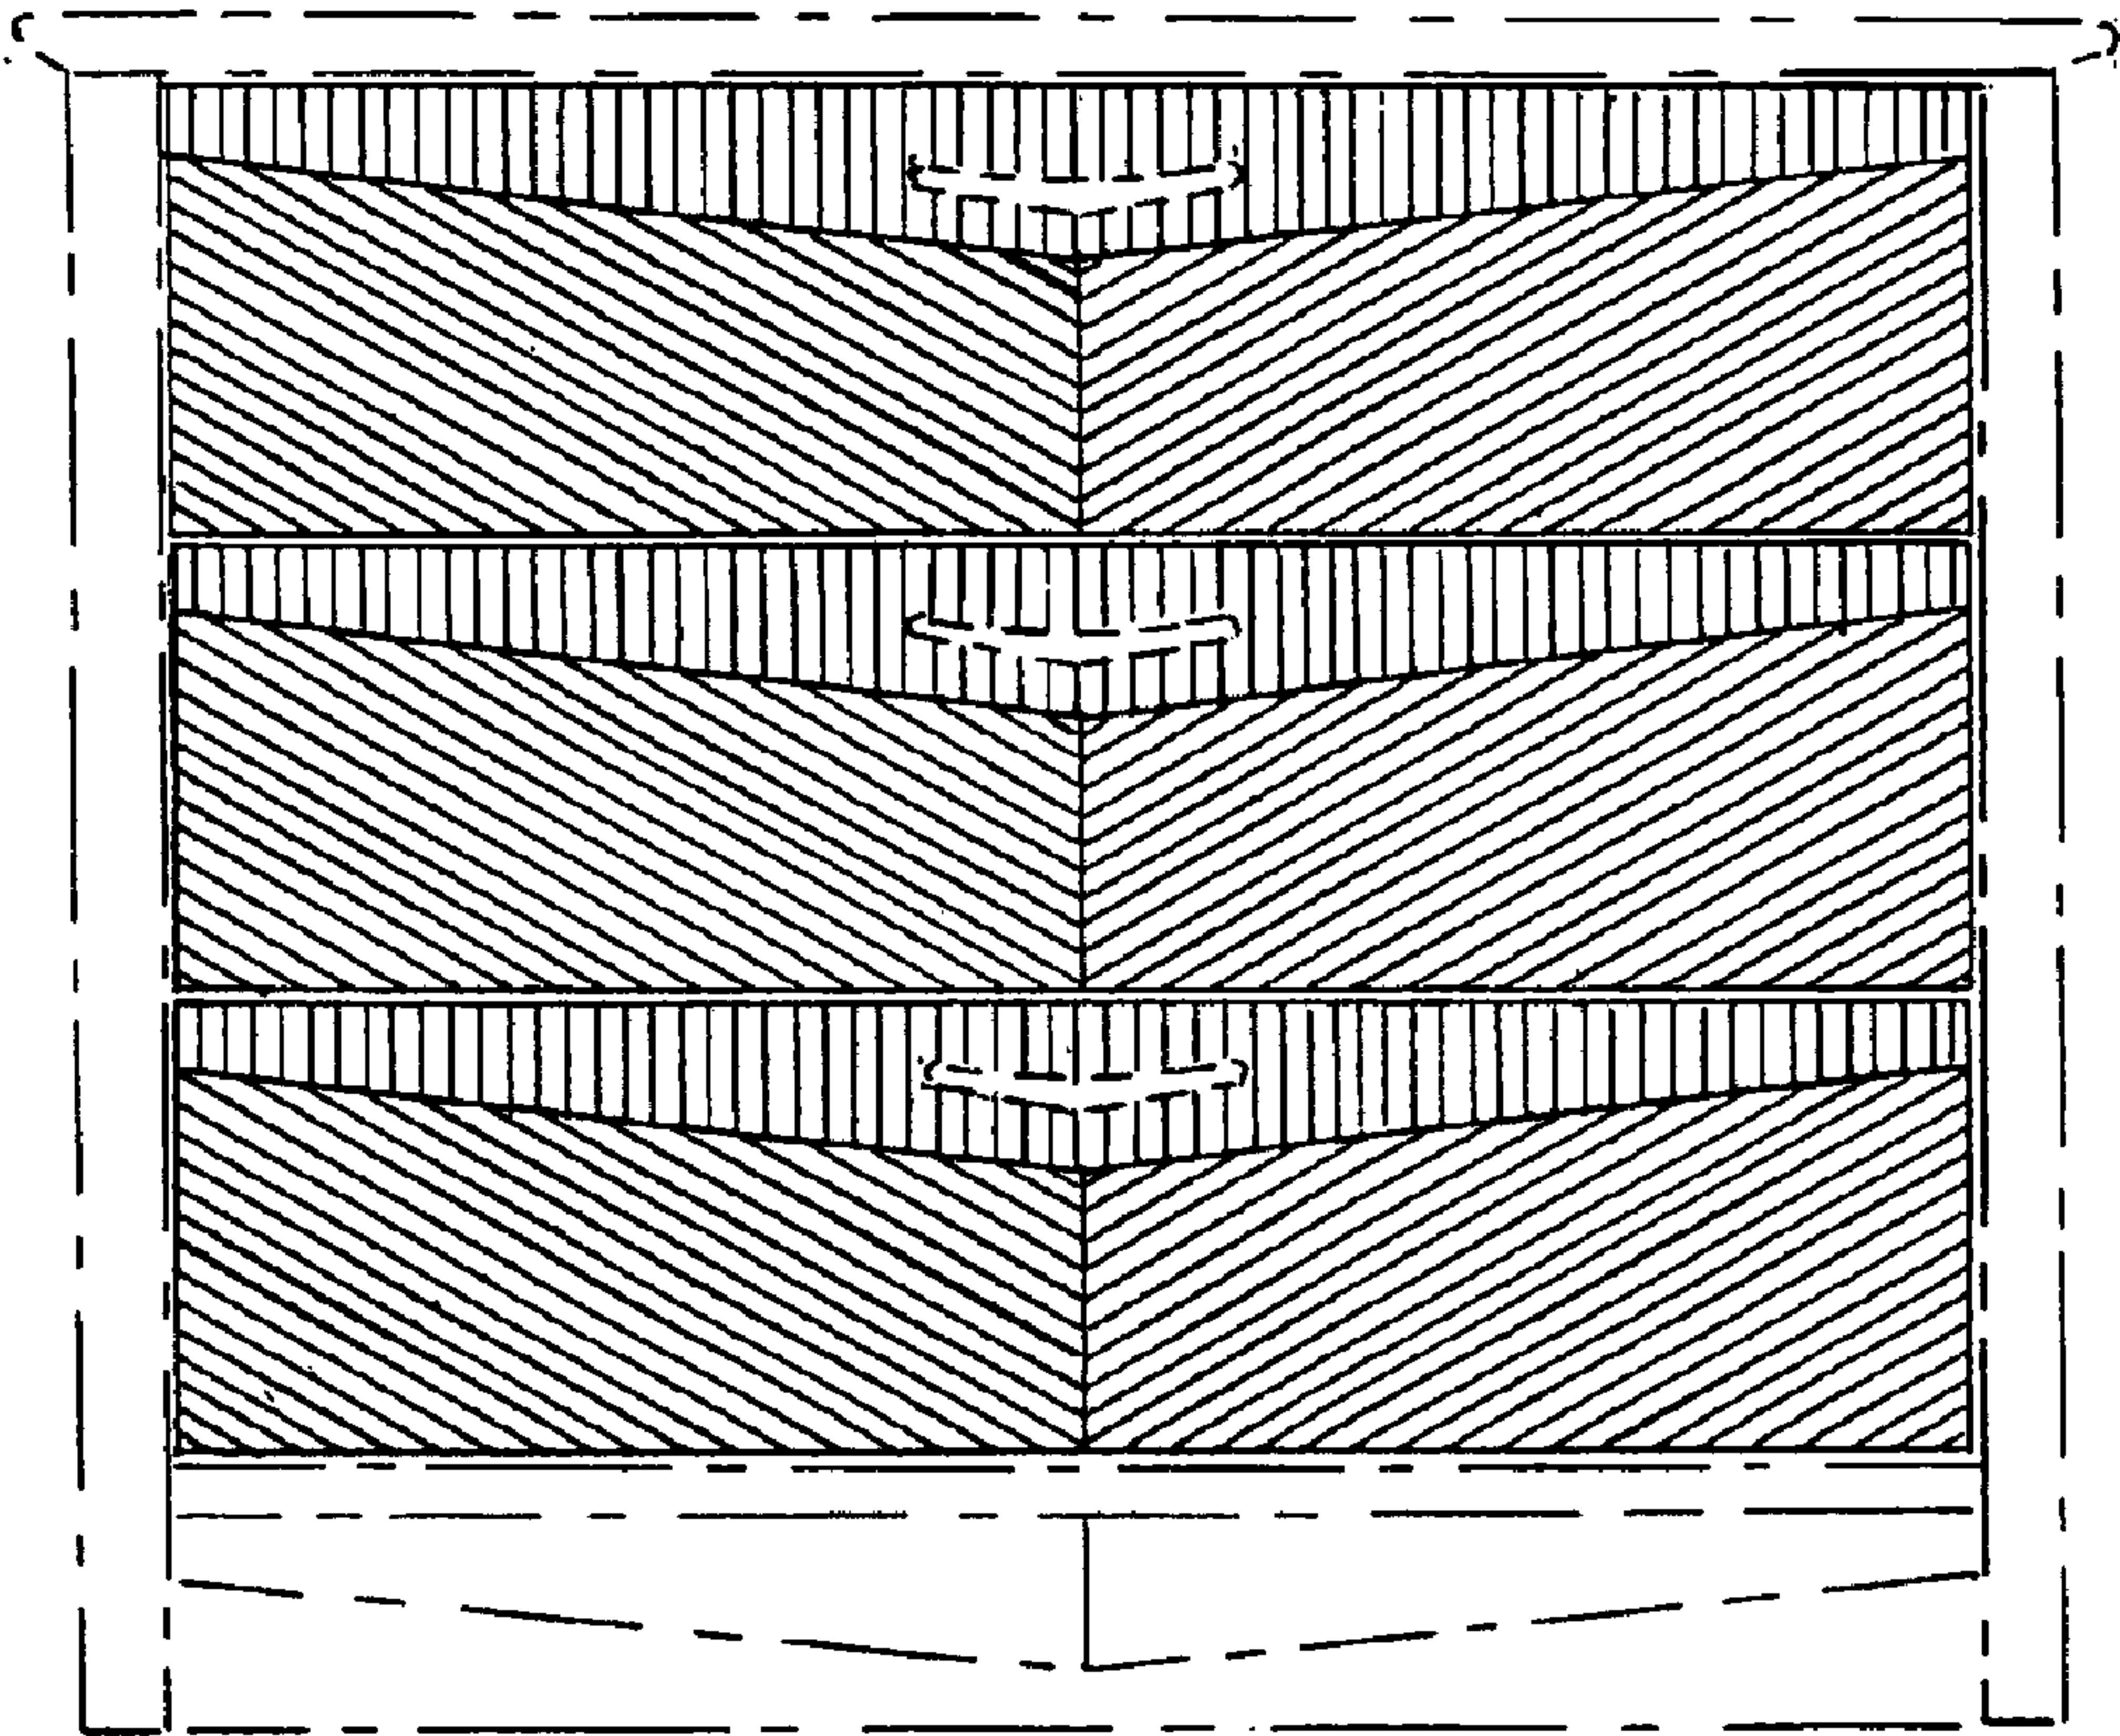

FIG. 3
