(57) **CLAIM**

The ornamental design for a mailbox, as shown and described.

**DESCRIPTION**

The present invention relates generally to mailboxes, and more specifically to a racecar shaped mailbox for receiving and retaining mail.

FIG. 1 is a top view of a mailbox according to a preferred embodiment of the present invention, wherein a door is shown in an open position;

FIG. 2 is a bottom view of a mailbox according to a preferred embodiment of the present invention;

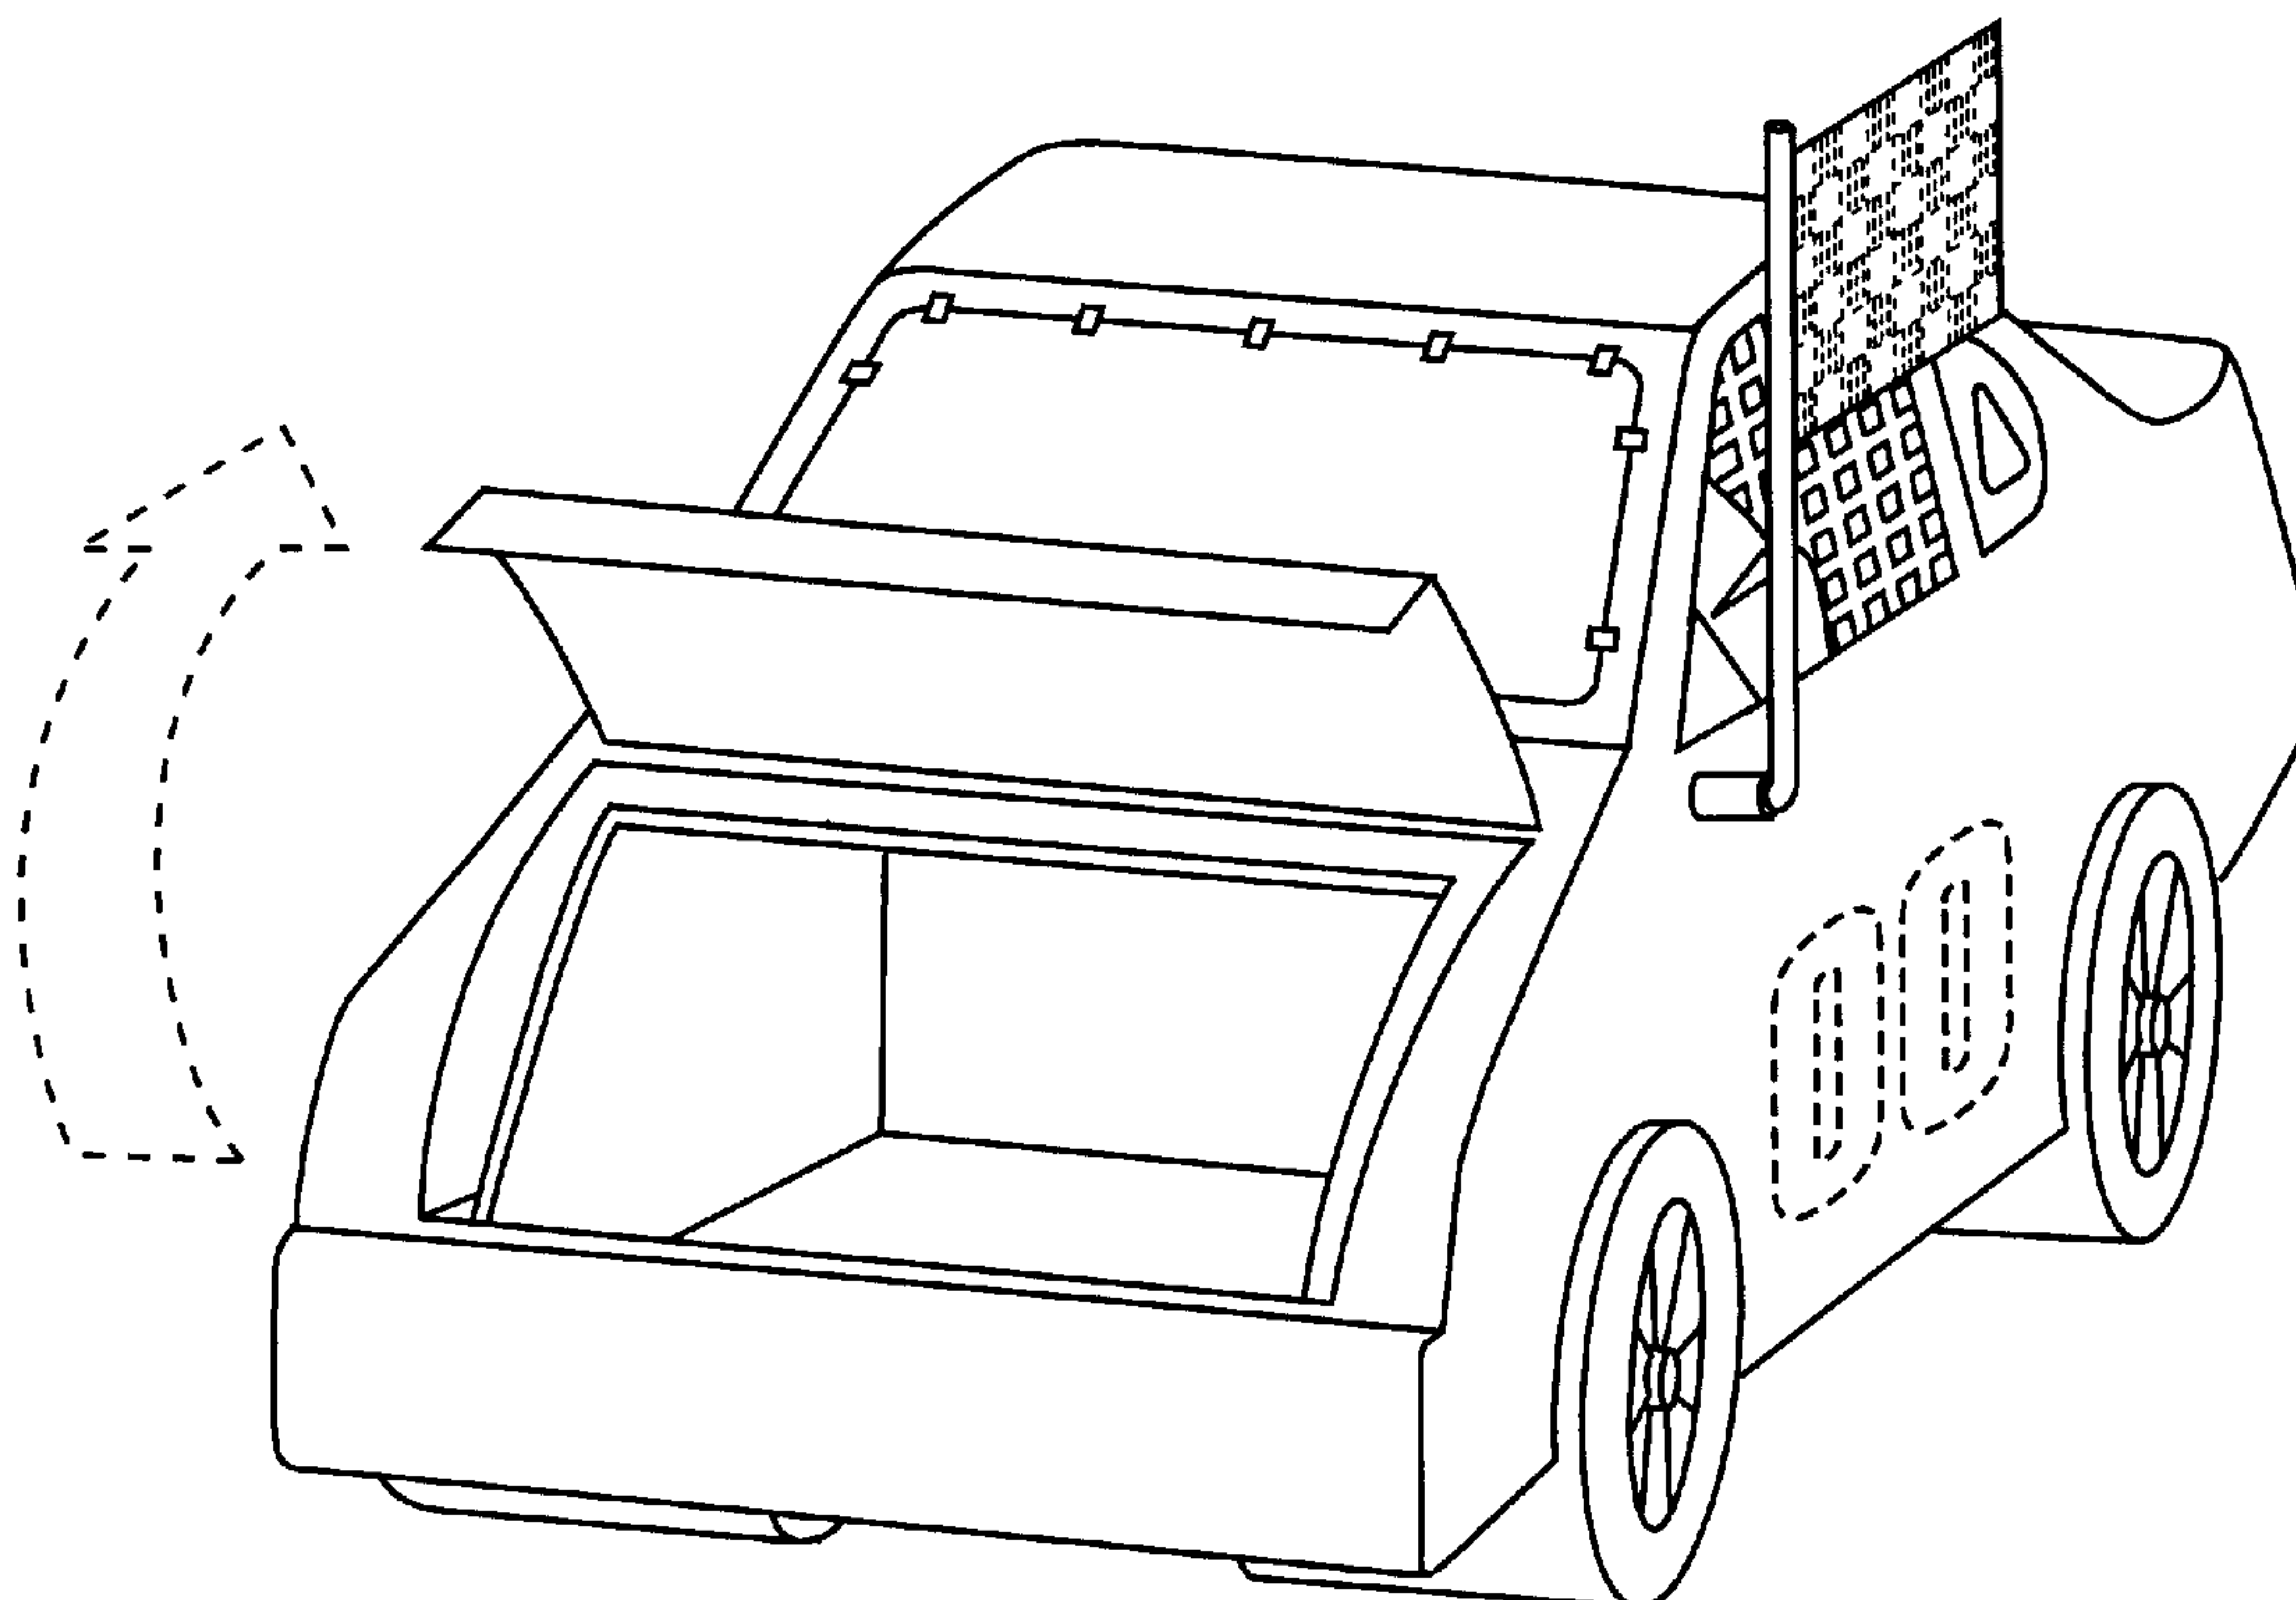

FIG. 3 is a side view of a mailbox according to a preferred embodiment of the present invention, wherein a door is shown in an open position;

FIG. 4 is a side view of a mailbox according to a preferred embodiment of the present invention, wherein a door is shown in an open position;

FIG. 5 is a rear view of a mailbox according to a preferred embodiment of the present invention; and,

FIG. 6 is a front perspective view of a mailbox according to a preferred embodiment of the present invention, wherein a door is shown in an open position.
