(57) **CLAIM**

The ornamental design for the slim litter bag, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a slim litter bag in the open position in accordance with my design;

FIG. 2 is a top plan view of the slim litter bag in the open position in accordance with my design;

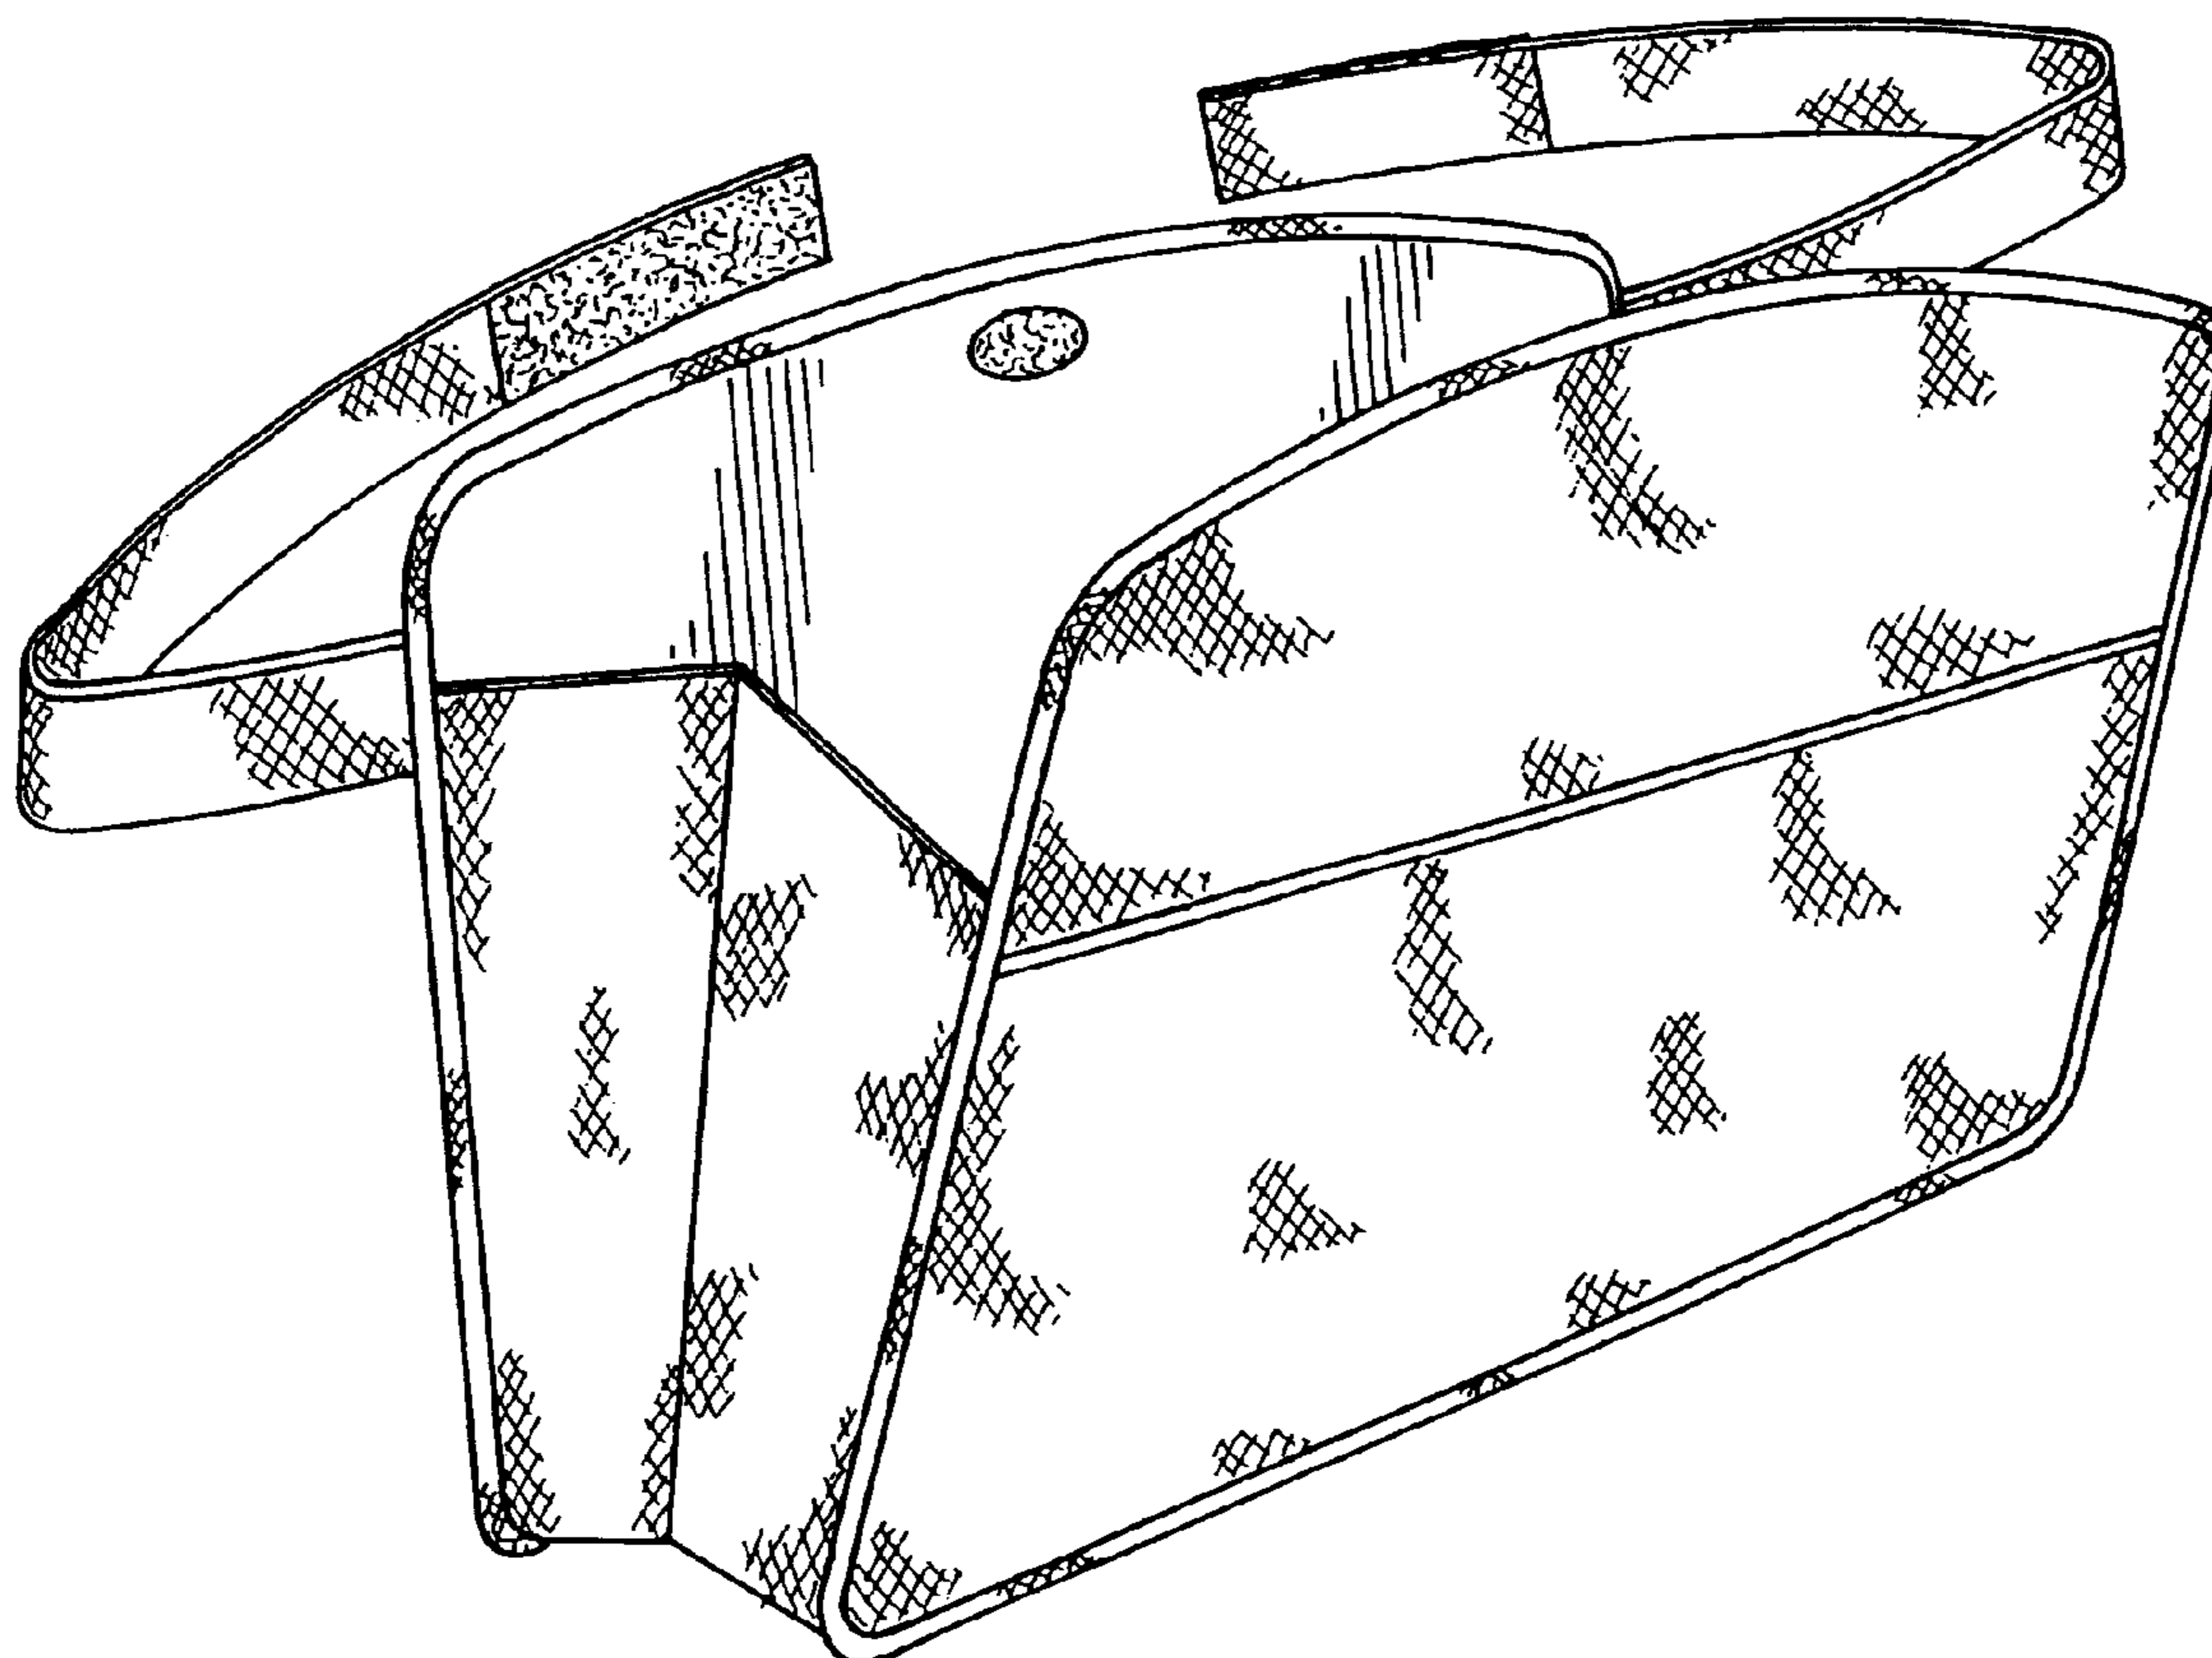

FIG. 3 is a front elevation view of the slim litter bag in accordance with my design;

FIG. 4 is a side elevation view of the slim litter bag in the open position in accordance with my design; and,

FIG. 5 is a back elevation view of the slim litter bag with the strap closed in accordance with my design.

For convenience of illustration, the patches of cross hatching are understood to represent a pattern which continues across the entire surface.
