(57) **CLAIM**

The ornamental design for a display device, as shown and described.

**DESCRIPTION**

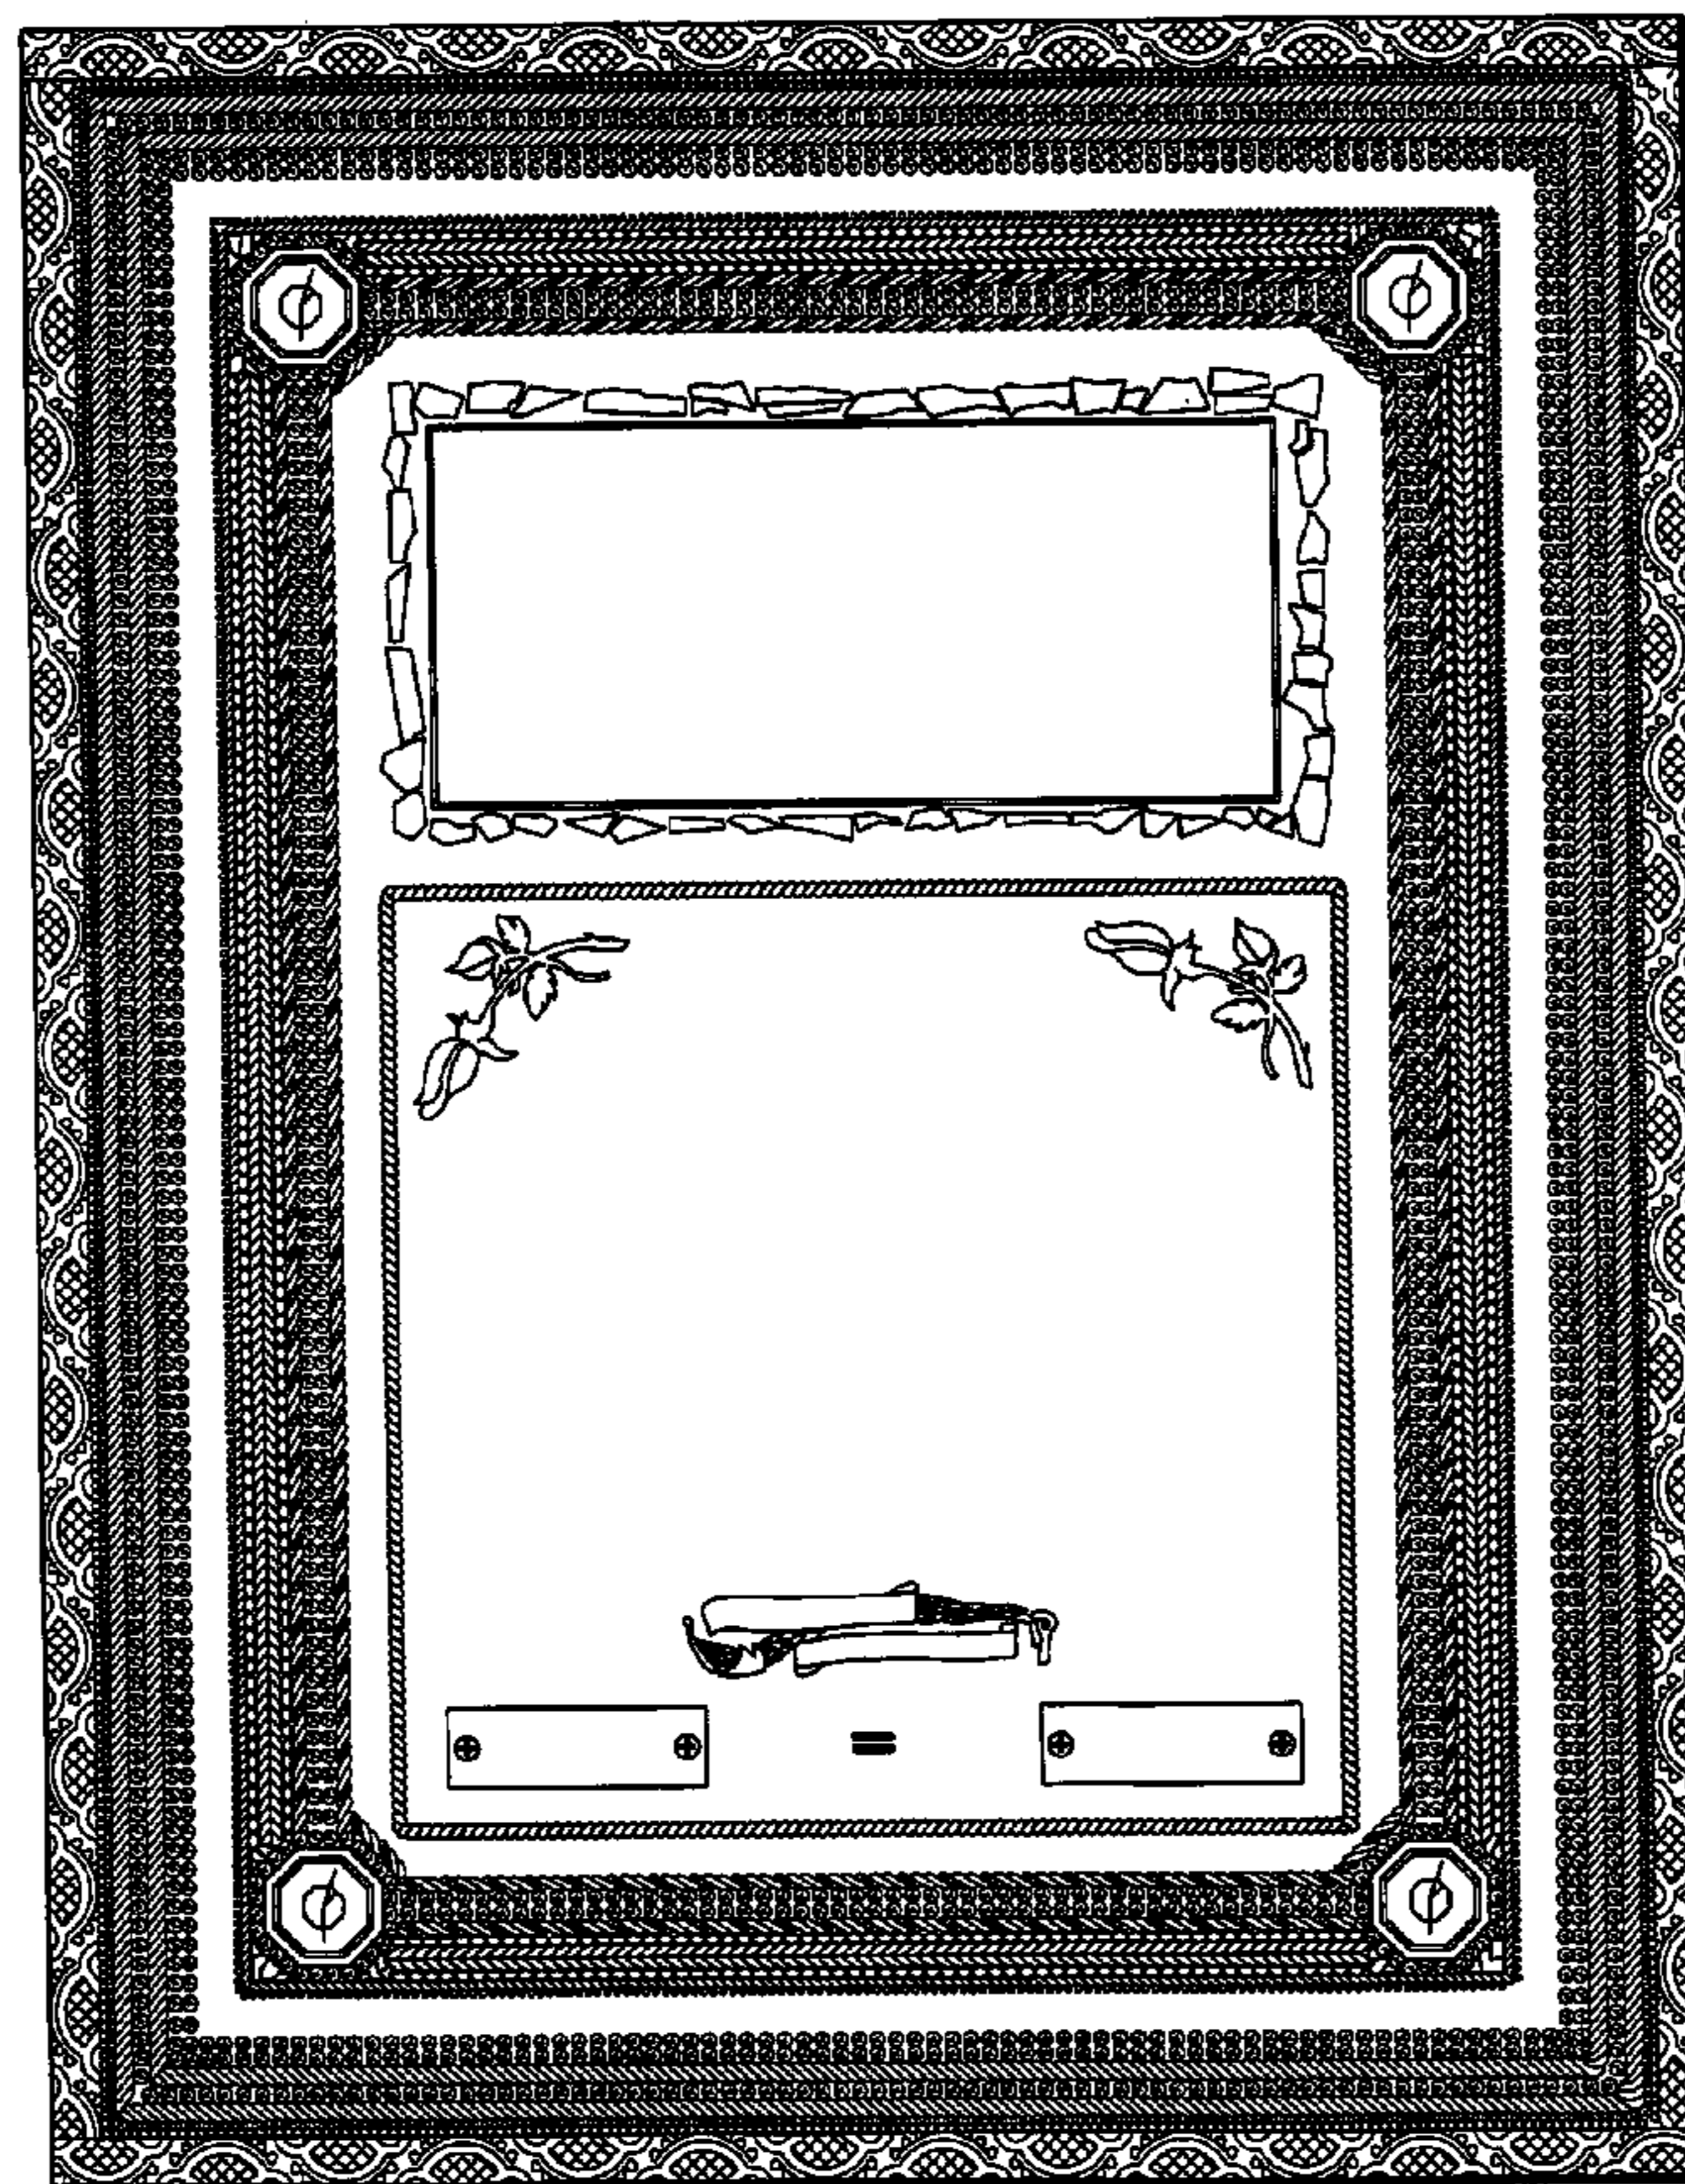

The new display device can be used for various occasions, such as, weddings, anniversaries, graduations, births, bereavements, for the deceased, celebrations, honors and awards and can be mounted on a surface.

FIG. 1 is a front elevational view showing my new design for display device; and

FIG. 2 is a left side elevational view thereof, the right side being a mirror image; and,

FIG. 3 is a top plan view thereof, the bottom view being a mirror image; and the rear view is flat and unornamented.

**1 Claim, 2 Drawing Sheets**

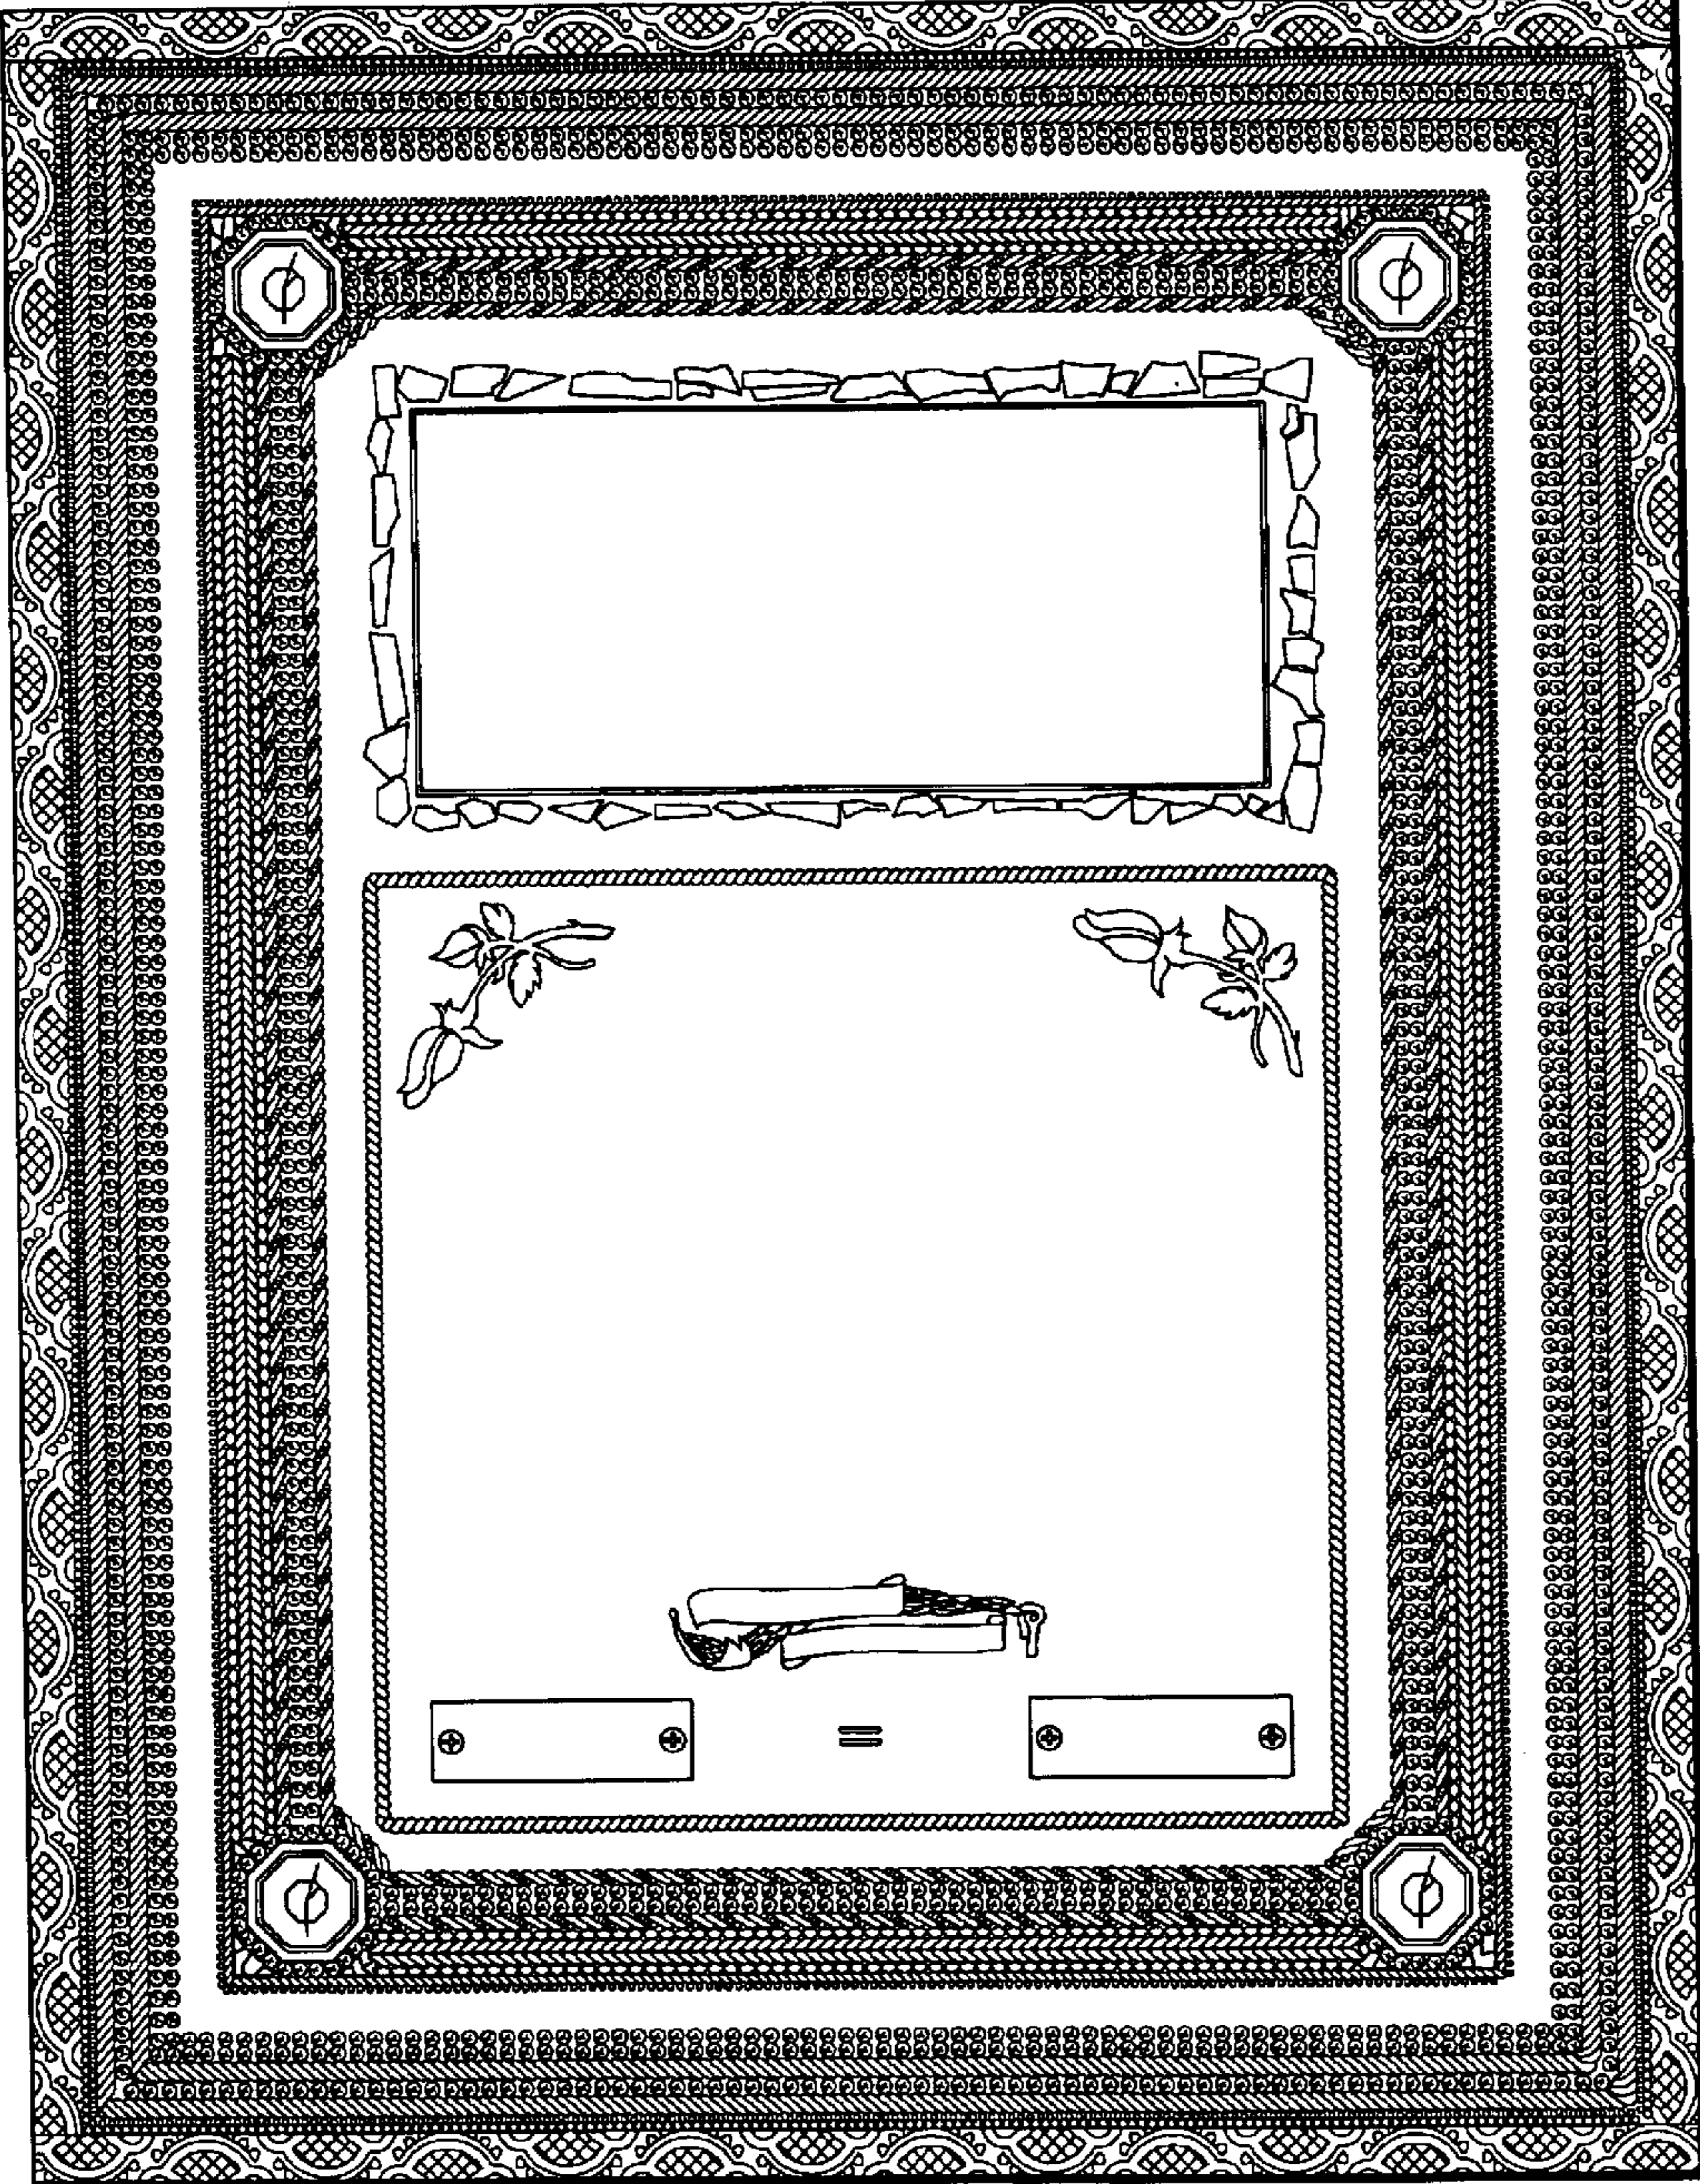

FIG. 1

FIG. 2

FIG. 3
