The ornamental design for a glove, as shown and described.

DESCRIPTION

FIG. 1 is a bottom perspective view of the palm side of a left-handed embodiment of a glove showing my new design, it being understood that a right-handed glove is a second embodiment, the only difference being that it is a mirror image thereof and of the following views shown; FIG. 2 is a top perspective view of the back side of the glove illustrated in FIG. 1; FIG. 3 is a bottom plan view thereof; FIG. 4 is a top plan view thereof; FIG. 5 is a left side elevational view thereof; FIG. 6 is a right side elevational view thereof; FIG. 7 is a front elevational view thereof; and, FIG. 8 is a rear elevational view thereof. The broken lines shown on the glove are understood to represent stitching.
