(57) **CLAIM**

The ornamental design for a trapezoid-shaped portion of a rear surface of a golf club head, as shown.

DESCRIPTION

FIG. 1 is a perspective view of a trapezoid-shaped portion of a rear surface of a golf club head in accordance with my new design; and,

FIG. 2 is a back view of the trapezoid-shaped portion of a rear surface of a golf club head in accordance with my new design.

The broken lines in an area surrounding the trapezoid-shaped portion of a rear surface of a golf club head in accordance with my new design are illustrative of exemplary golf club heads that show environments in which the trapezoid-shaped portion of a rear surface of a golf club head is associated. The exemplary golf club heads do not form a part of the claimed design.
