(57) **CLAIM**

The ornamental design for a frame for a table top constructed from blow-molded plastic, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of an exemplary embodiment of a frame for a table top constructed from blow-molded plastic;

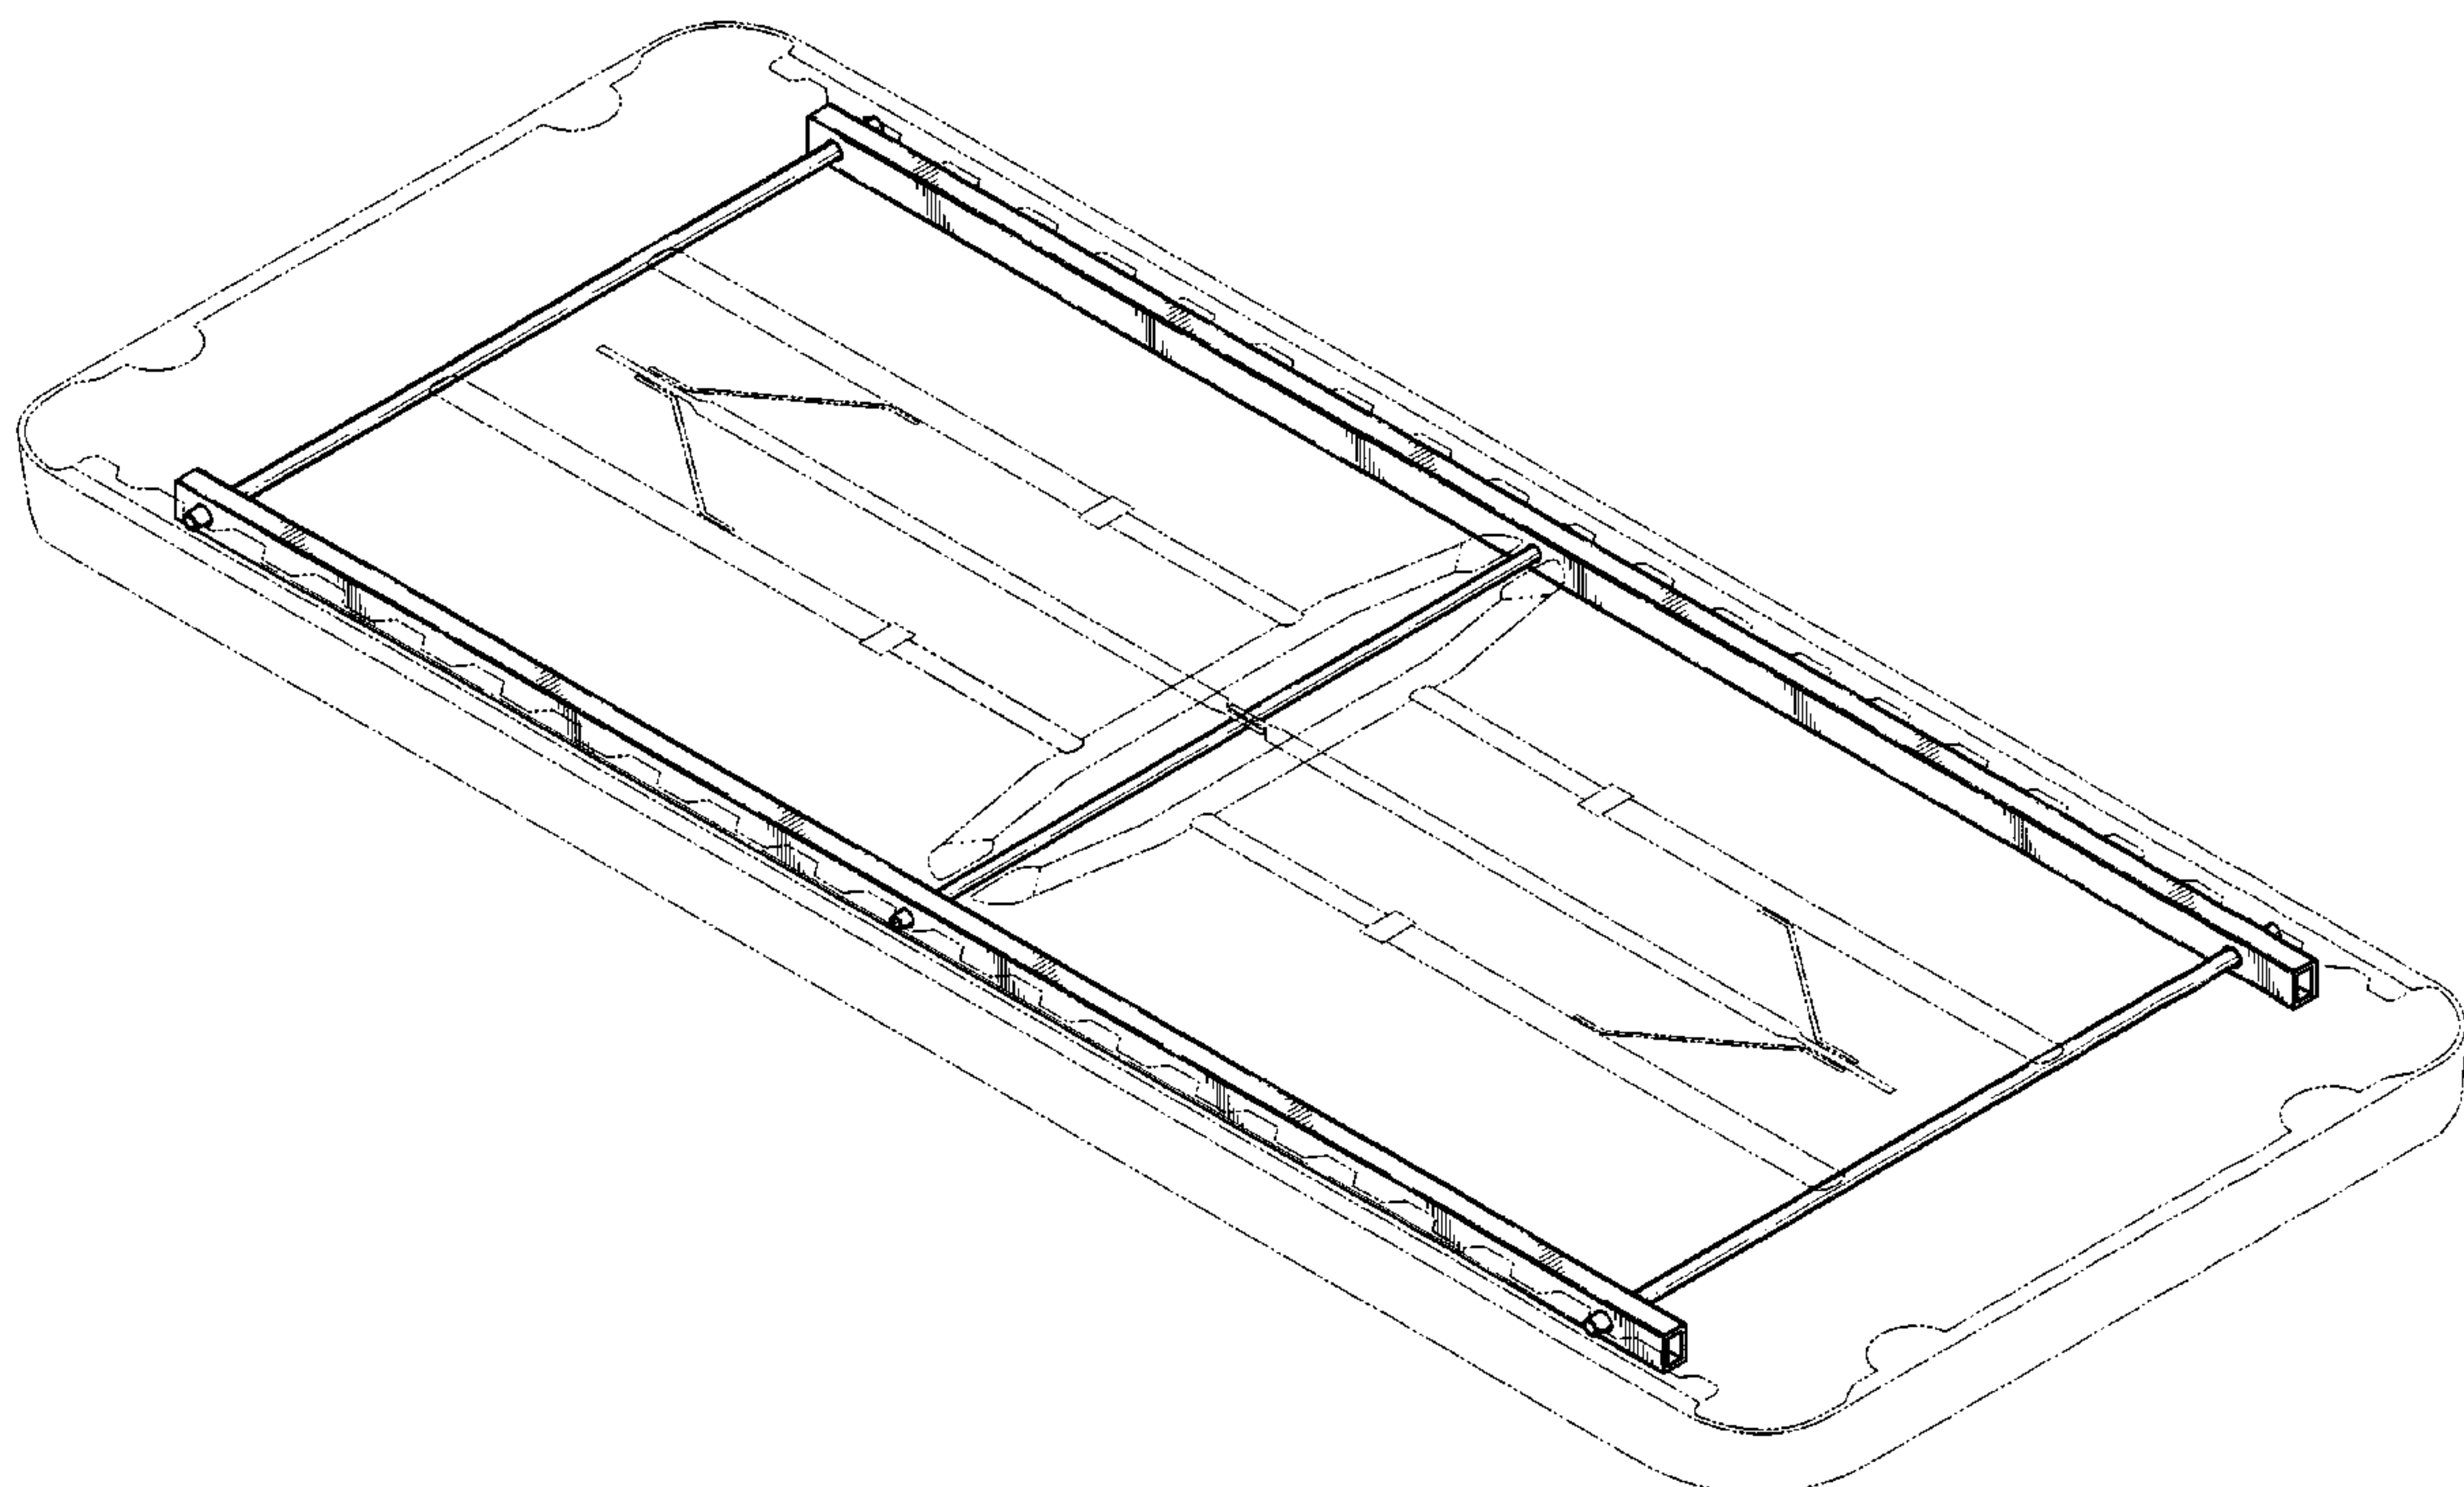

FIG. 2 is a bottom view of the frame for a table top constructed from blow-molded plastic shown in FIG. 1;

FIG. 3 is a right side view of the frame for a table top constructed from blow-molded plastic shown in FIG. 1, with the left side being a mirror image thereof; and,

FIG. 4 is a front view of the frame for a table top constructed from blow-molded plastic shown in FIG. 1 with the rear view being a mirror image thereof.

The broken lines shown in the figures are for illustrative purposes only and form no part of the claimed design.
