(57) **CLAIM**

The ornamental design for a license plate having security shape, as shown and described.

**DESCRIPTION**

The sole FIGURE is a top plan view of a license plate having a security shape, showing my new design.

Side and back views are not shown as the design would not be visible thereon.

The license plate and alphanumeric indicia thereon are shown in broken lines for illustrative purposes only and form no part of the claimed design.

**1 Claim, 1 Drawing Sheet**
