(57) **CLAIM**

The ornamental design for a turban styled cap with mesh, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the turban styled cap with mesh showing my new design in used condition; FIG. 2 is a front perspective view thereof, with the cap shown in a flatten configuration; FIG. 3 is a right side elevational view of FIG. 2; and, FIG. 4 is a rear perspective view of FIG. 2. The broken line shows on the visor and cylinder means stitch line. And the cross lines in the cylinder show mesh portion. The broken lines showing of a human head is for illustrative purposes only and forms no part of the claimed design.
