(57) **CLAIM**

The ornamental design for a remote control unit for a multimedia device remote control system, as shown and described.

DESCRIPTION

FIG. 1 is a bottom plan view of a remote control unit for a multimedia device remote control system showing my new design;

FIG. 2 is a rear elevational view thereof;

FIG. 3 is a top plan view thereof;

FIG. 4 is a front elevational view thereof; and,

FIG. 5 is a left side elevational view thereof, the right side elevational view being a mirror image thereof.

The broken lines shown in the figures form no part of the claimed design.
