The present design relates to a sports training bag designed
for attachment to a vertical surface.

FIG. 1 is a perspective view from above of the training bag
of the present design.

FIG. 2 is a top plan view of the training bag of the present
design.

FIG. 3 is a bottom plan view of the training bag of the
present design.

FIG. 4 is a front elevation view of the training bag of the
present design.

FIG. 5 is a right side elevation view of the training bag of
the present design.

FIG. 6 is a left side elevation view of the training bag of the
present design; and,

FIG. 7 is a rear elevation view of the training bag of the
present design.
