(57) **CLAIM**

The ornamental design for the ceiling fan housing, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view from below of a ceiling fan housing in accordance with my design, including the environment thereof;
FIG. 2 is an enlarged perspective view from below of the ceiling fan housing in accordance with my design, including the environment thereof;
FIG. 3 is a reduced bottom plan view of the ceiling fan housing in accordance with my design, including the environment thereof;
FIG. 4 is a reduced top plan view of the ceiling fan housing in accordance with my design, the opposite side being a mirror image of that shown including the environment thereof; and,
FIG. 5 is a side elevation view of the ceiling fan housing in accordance with my design, including the environment thereof.
The broken lines showing environmental structure are for illustrative purposes and form no part of the claimed design. In FIG. 2, the fan blades are shown broken away to indicate indeterminate length.
