(57) **CLAIM**

I claim the ornamental design for shorts, as shown and
described.

DESCRIPTION

FIG. 1 is a front view of shorts, showing my new design;
and,

FIG. 2 is a rear view thereof.

The broken line showing in the figures is for illustrative
purposes only and forms no part of the claimed design.

The broken lines immediately adjacent the solid lines define
part of the boundary of the design, where the line itself forms
no part of the claimed design.

The stippled areas in FIGS. 1 and 2 are indicative of a
difference in color and/or texture with respect to the non-
stippled areas.
