(57) **CLAIM**

We claim the ornamental design for the rear fascia for an all terrain vehicle, as shown and described.

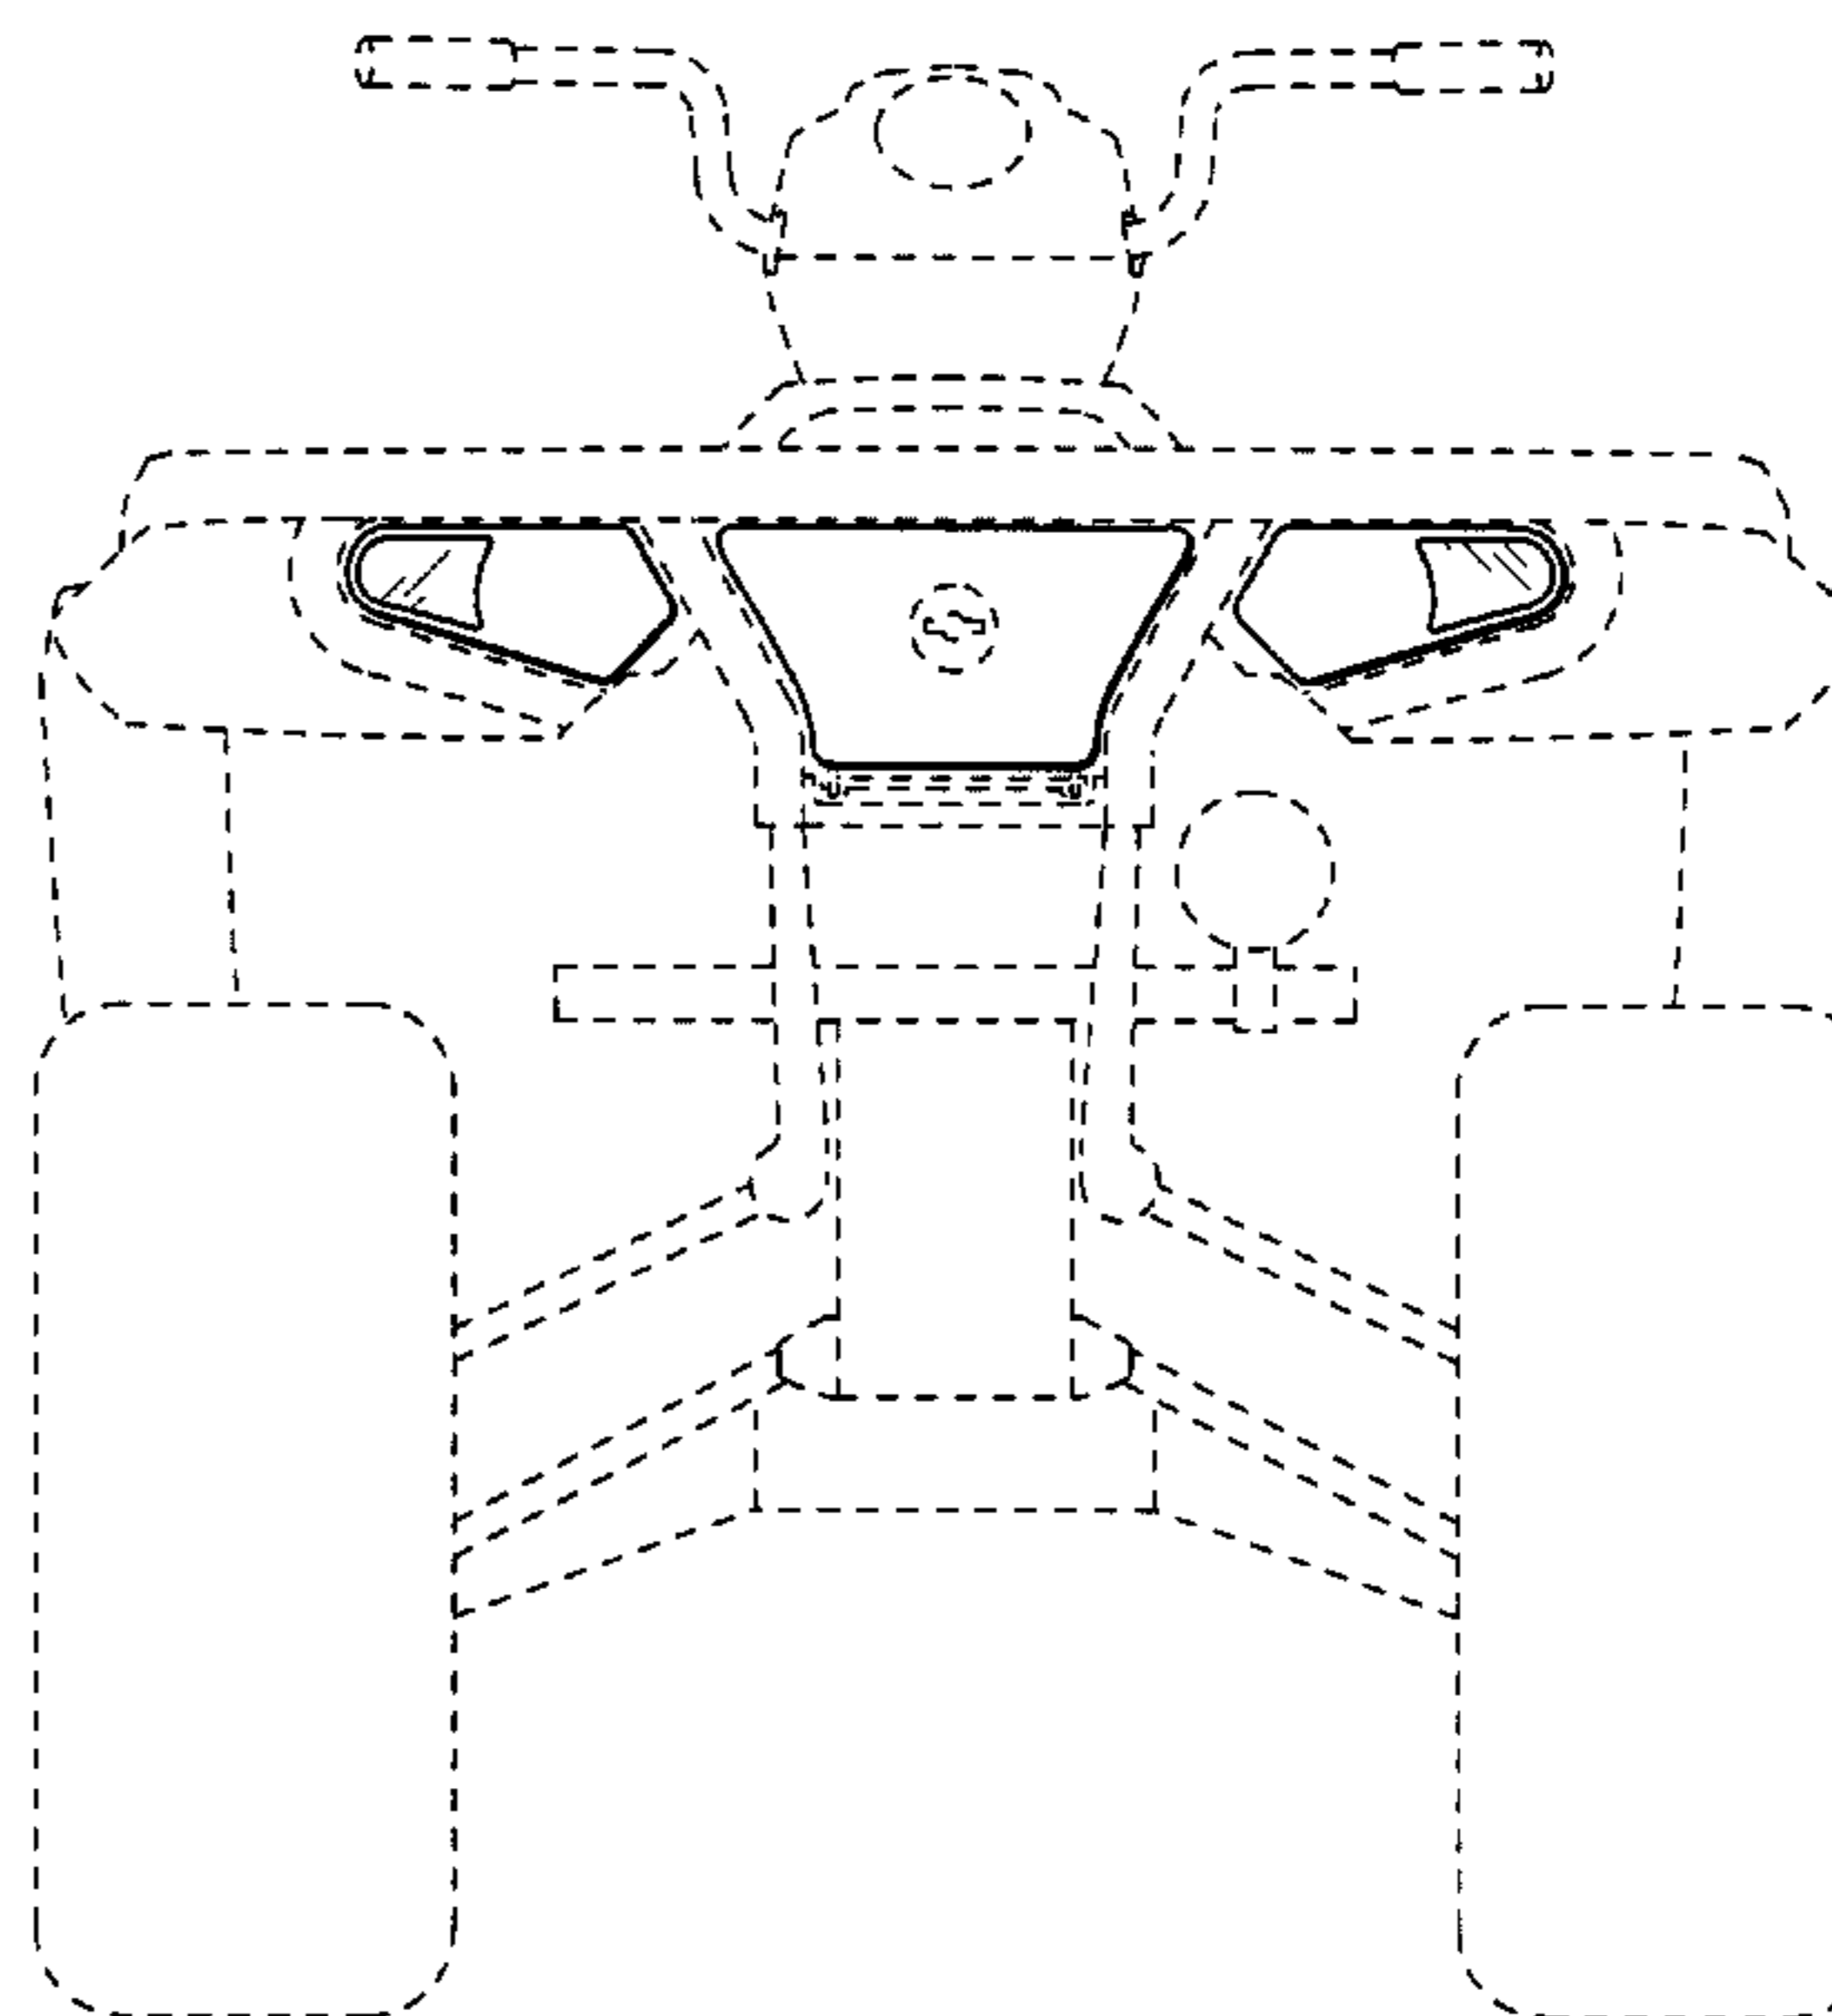

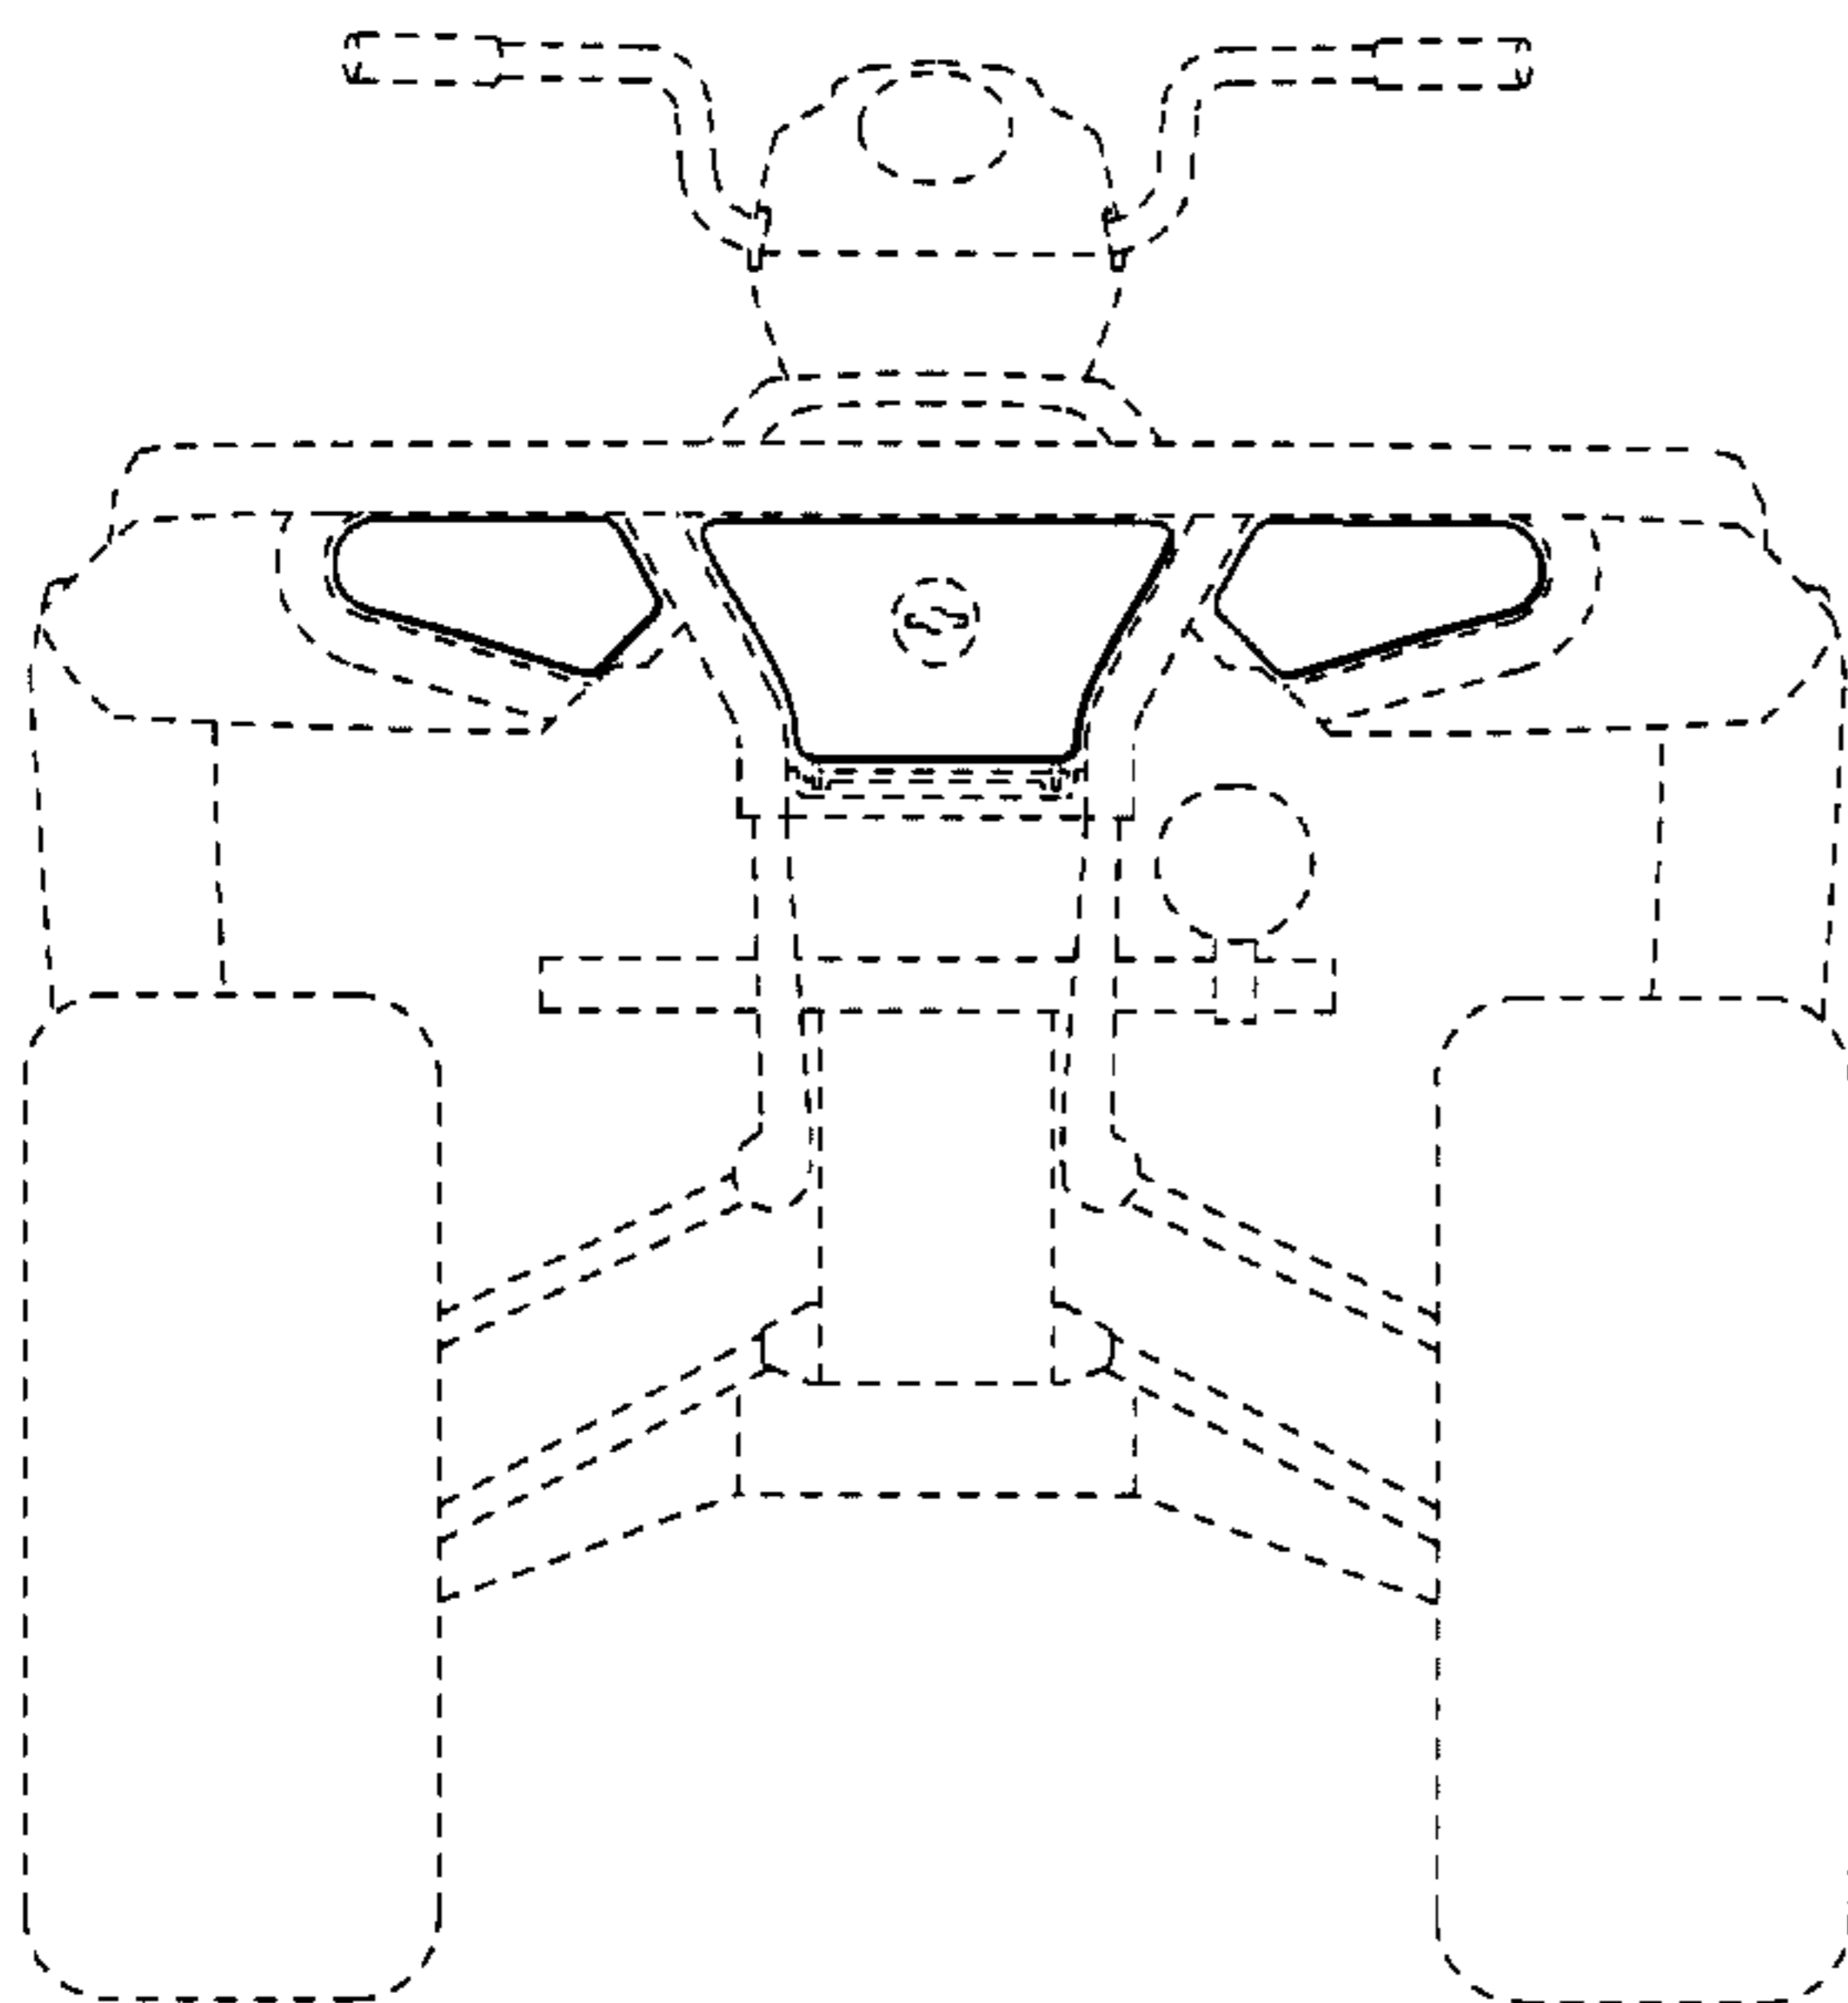

DESCRIPTION

FIG. 1 is a view of the rear fascia for an all terrain vehicle of our design shown in its ordinary environment, mounted to an all terrain vehicle; and,

FIG. 2 is a view of an alternate embodiment of the rear fascia for an all terrain vehicle of our design shown in its ordinary environment, mounted to an all terrain vehicle.

Where included, broken lines showing environment or structure are for illustrative purposes only and form no part of the claimed design. Other views of the rear fascia for an all terrain vehicle are not part of the ornamental design claimed and are therefore not shown.
