(57) **CLAIM**

We claim the ornamental design for a flame bolt on grille badge, as shown and described.

**DESCRIPTION**

FIG. 1 is a front view of a flame bolt on grille badge according to our invention;

FIG. 2 is a rear view of the flame bolt on grille badge.

FIG. 3 is a left side view of the flame bolt on grille badge.

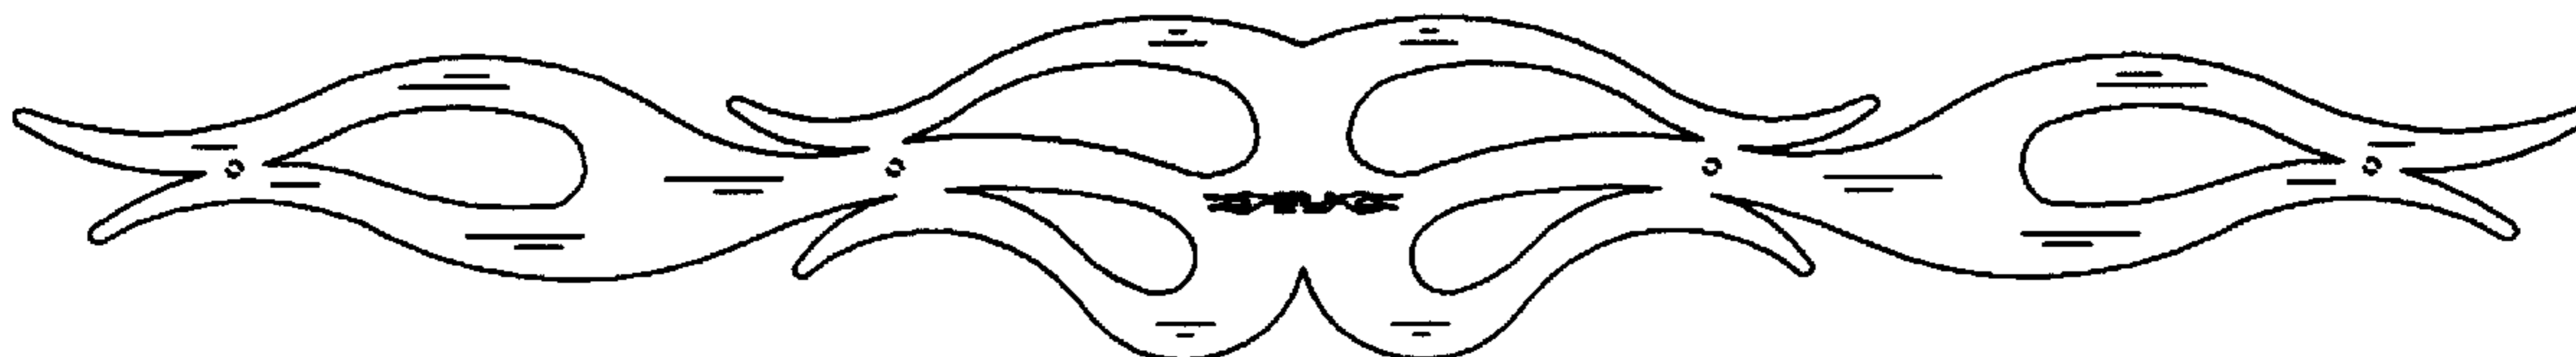

FIG. 4 is a right side view of the flame bolt on grille badge.

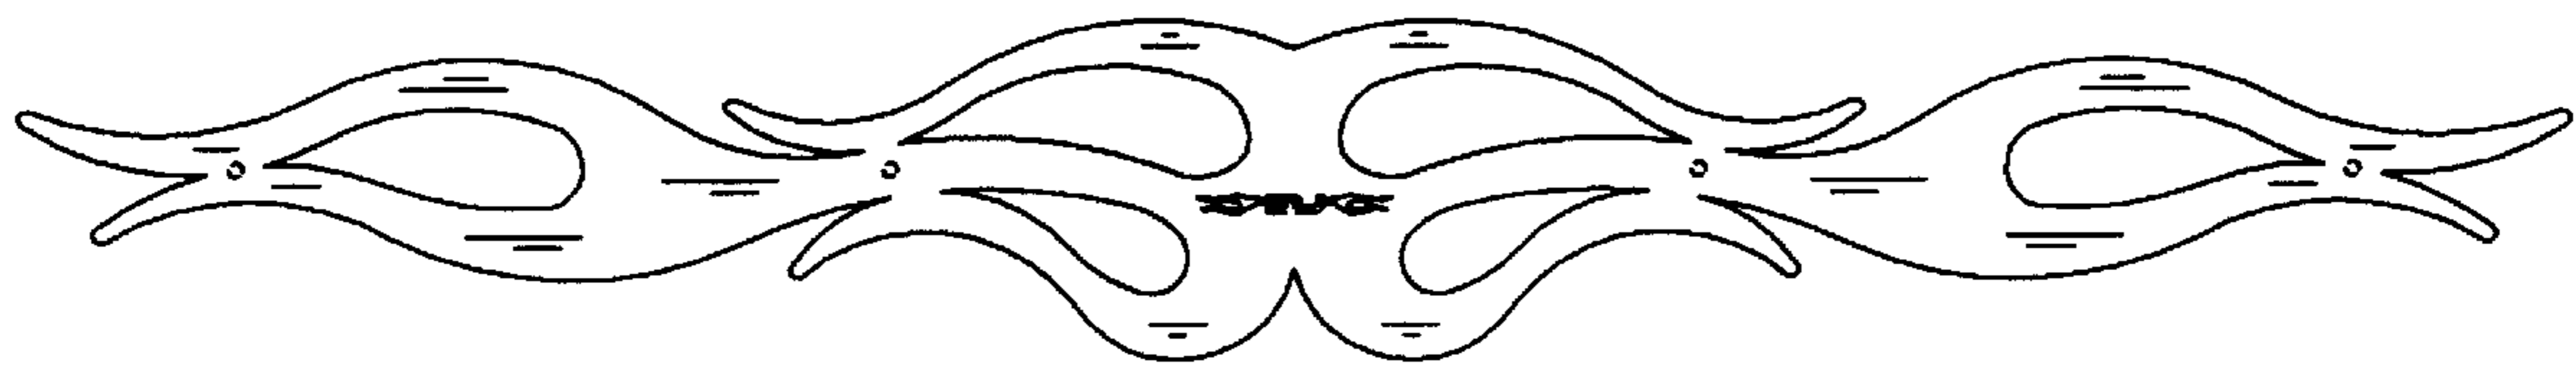

FIG. 5 is a top view of the flame bolt on grille badge; and,

FIG. 6 is a bottom view of the flame bolt on grille badge.

The flame bolt on grille badge of the invention is characterized by elongated, horizontally oriented curving and tapering apertures, which resemble “flame”.
