(57) **CLAIM**

The ornamental design for an interior rose, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of our new design for an interior rose;

FIG. 2 is a front elevational view thereof;

FIG. 3 is a top plan view, the bottom plan view being a mirror image thereof;

FIG. 4 is a right side elevational view, the left side being a mirror image thereof; and

FIG. 5 is a back elevational view thereof;

FIG. 6 is a perspective view of a second embodiment thereof; and,

FIG. 7 is a front elevational view, with the top plan and bottom plan views being identical to FIG. 3, the right and left side elevational views being identical to FIG. 4, and the back elevational view being identical to FIG. 5.

The broken line showing in the figures is for illustrative purposes only and forms no part of the claimed design.

1 Claim, 6 Drawing Sheets
