(57) **CLAIM**

We claim the ornamental design for a blister card, as shown and described.

**DESCRIPTION**

FIG. 1 is a front perspective view of the blister card.

FIG. 2 is a top plan view of the blister card.

FIG. 3 is a front elevation view of the blister card.

FIG. 4 is a right side elevation view of the blister card; and, FIG. 5 is a bottom plan view of the blister card.

The broken lines in the drawings showing blisters, and tablets contained in the blisters are for illustrative purposes only and form no part of the claimed design.

The broken lines in the center element of the blister card indicate the boundary of the claim and form no part of the claimed design.

The broken lines between the individual elements of the blister card indicate perforations and are included in the claim.
