(57) **CLAIM**

The ornamental design for a collapsible storage container and lid, as shown and described.

DESCRIPTION

FIG. 1 is an exploded view of a collapsible storage container and lid showing our new design;

FIG. 2 is a right side elevation view of the collapsible storage container, the left side elevation view mirrors the right side elevation view;

FIG. 3 is a front elevation view thereof, the back elevation view mirrors the front elevation view;

FIG. 4 is a top plan view thereof;

FIG. 5 is a bottom plan view thereof;

FIG. 6 is a top plan view of the collapsible storage container in a collapsed state wherein the front and back portions of the collapsible storage container are folded atop the side portions of the collapsible storage container;

FIG. 7 is a bottom plan view of the collapsible storage container in a collapsed state wherein the side portions are folded beneath the front and back portions of the collapsible storage container;

FIG. 8 is a right side elevation view of the collapsible storage container lid, the left side elevation view is similar to the right side elevation view;

FIG. 9 is a front elevation view thereof, the back elevation view mirrors the front elevation view;

FIG. 10 is a top plan view thereof;

FIG. 11 is a bottom plan view thereof; and,

FIG. 12 is a top plan view of the collapsible storage container lid in a collapsed state, the bottom plan view mirrors the top plan view.
