(57) **CLAIM**

The ornamental design for a loop water directing chain, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the water directing chain apparatus of the present invention attached to a down-spout of a building, shown in phantom and forming no part of the claimed design;

FIG. 2 is a perspective view of several interconnected links of the water directing chain apparatus of the present invention forming a vertical chain;

FIG. 3 is a front elevational view of the vertical chain of FIG. 2;

FIG. 4 is a side elevational view of the vertical chain of FIG. 2; and,

FIG. 5 is a top plan view of the vertical chain of FIG. 2, the bottom plan view being a mirror image thereof.

The loop water directing chain is of indeterminate length and is shown in section in FIGS. 2-5 for ease of illustration.
