(57) **CLAIM**

The ornamental design for a electrode with disposable skin-interfaceable housing, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a electrode with disposable skin-interfaceable housing showing my new design, the rear elevational view being the same thereas; FIG. 2 is a side view, taken from the left side of FIG. 1, the right side view being a mirror image thereof; FIG. 3 is a top plan view thereof, the bottom plan view being a mirror image thereof; and, FIG. 4 is an exploded perspective view thereof, showing the skin-interfaceable housing in an open position and a single electrode removed. The dotted lines in FIG. 4 are intended to illustrate the direction of housing opening and electrode removal and form no part of my design.
