(57) **CLAIM**

The ornamental design for a two piece seat belt shield, as shown and described.

DESCRIPTION

FIG. 1 is a top front perspective view of a two piece seat belt shield showing my new design with the attaching straps in an open position;

FIG. 2 is a bottom front perspective view of FIG. 1;

FIG. 3 is a top and front perspective view shown with the attaching straps in the attached position;

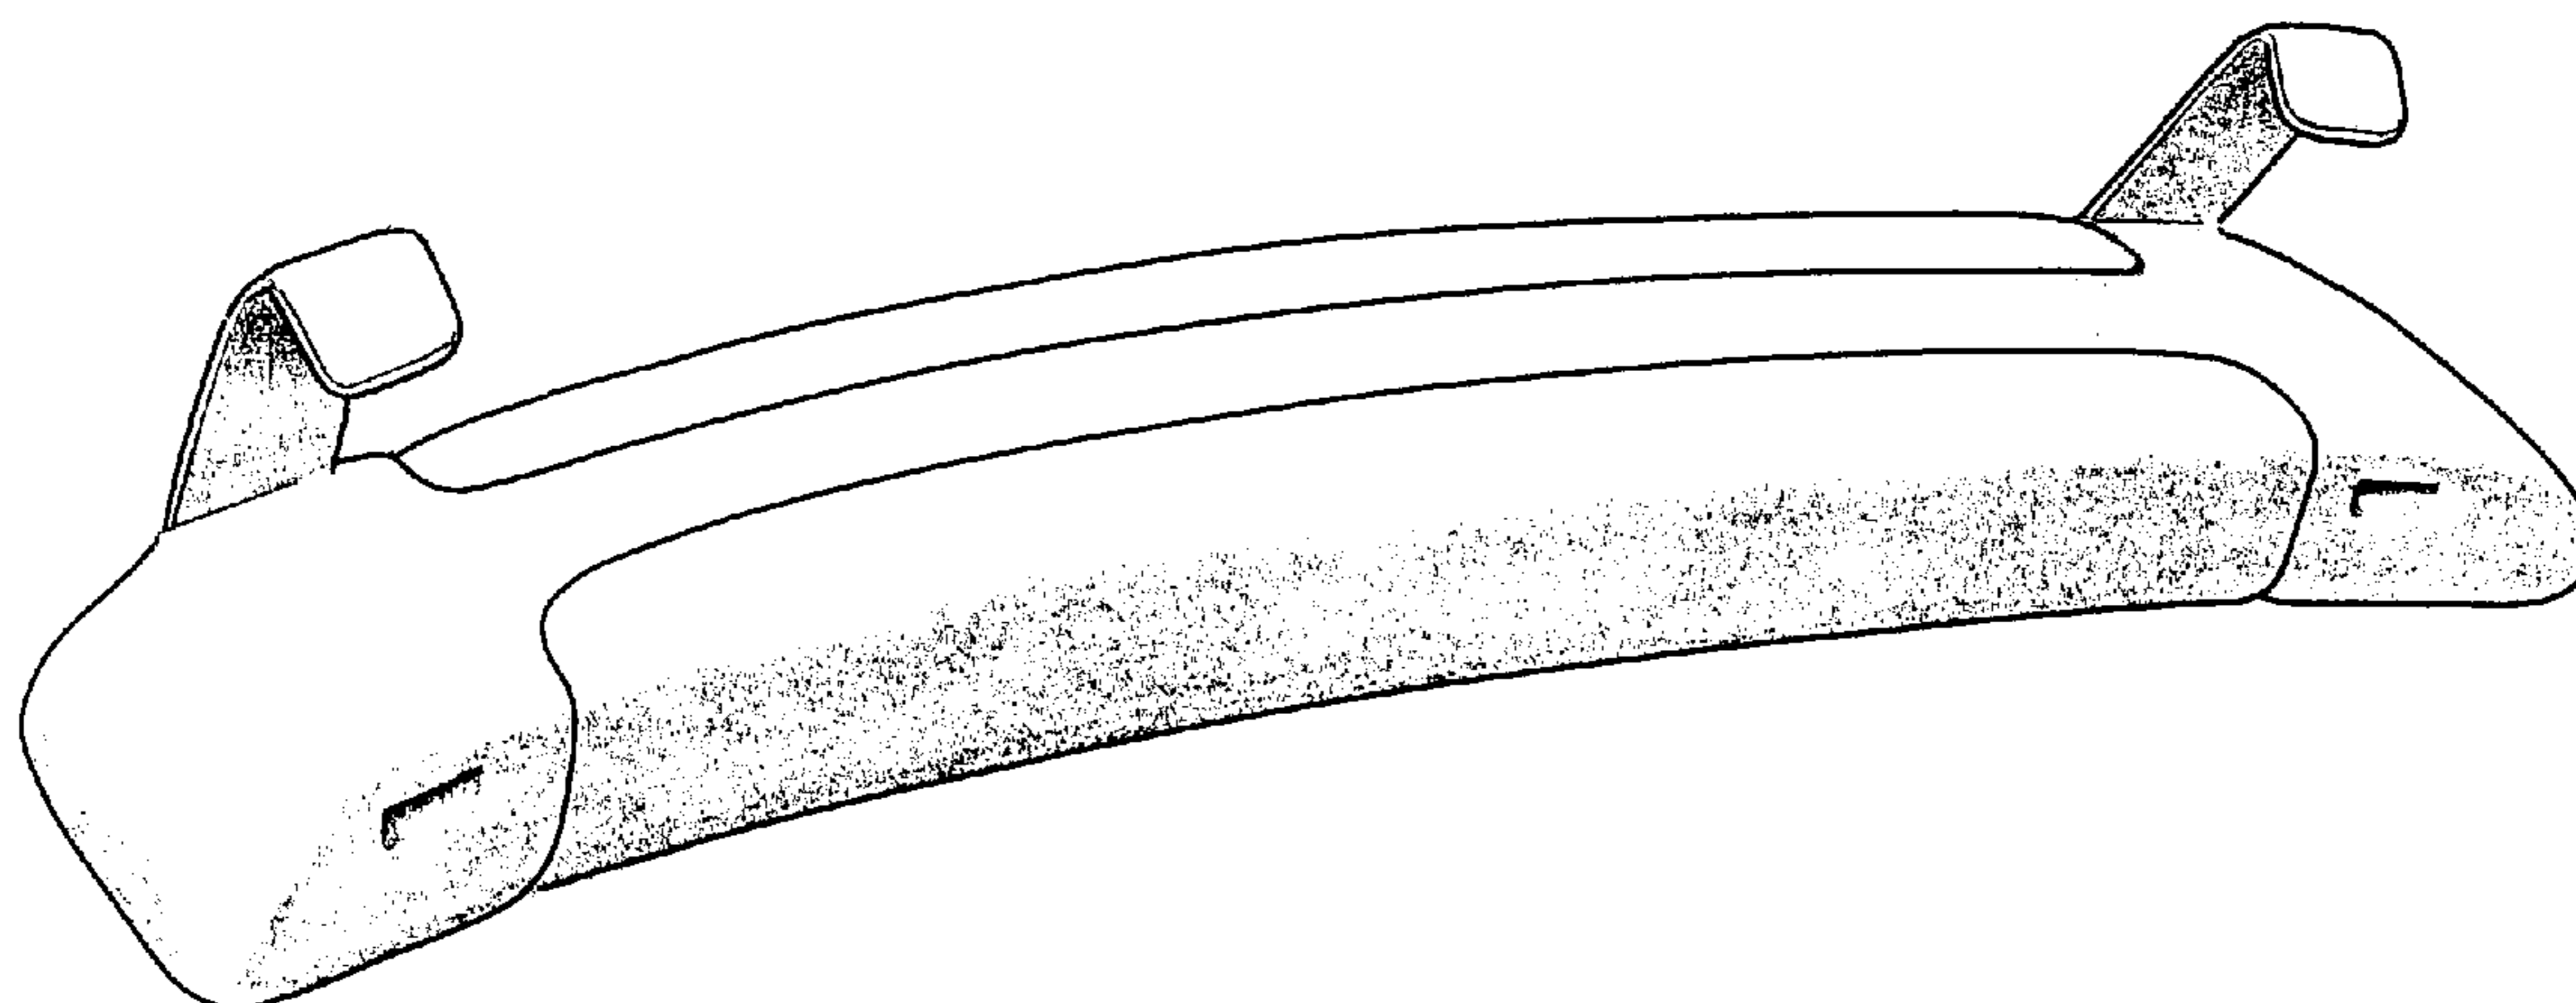

FIG. 4 is a bottom front perspective view of FIG. 3;

FIG. 5 is an exploded top perspective view shown with the straps in an unattached position. It being understood that the single line showing of broken lines are intended to be stitching; and,

FIG. 6 is a top rear perspective view shown in a position of use.

It being understood that the broken lines in FIGS. 3 and 6 are for illustrative purposes only and form no part of the claimed design.
