(57) **CLAIM**

The ornamental design for a hair clipper housing, as shown and described.

FIG. 1 shows a perspective view of a first preferred embodiment of the present design.

FIG. 2 shows a right view of the first preferred embodiment of the present design.

FIG. 3 shows a top view of the first preferred embodiment of the present design.

FIG. 4 shows a front view of the first preferred embodiment of the present design.

FIG. 5 shows a bottom view of the first preferred embodiment of the present design.

FIG. 6 shows a left view of the first preferred embodiment of the present design.

FIG. 7 shows a rear view of the first preferred embodiment of the present design.

FIG. 8 shows a perspective view of a second preferred embodiment of the present design.

FIG. 9 shows a right view of the second preferred embodiment of the present design.

FIG. 10 shows a top view of the second preferred embodiment of the present design.

FIG. 11 shows a front view of the second preferred embodiment of the present design.

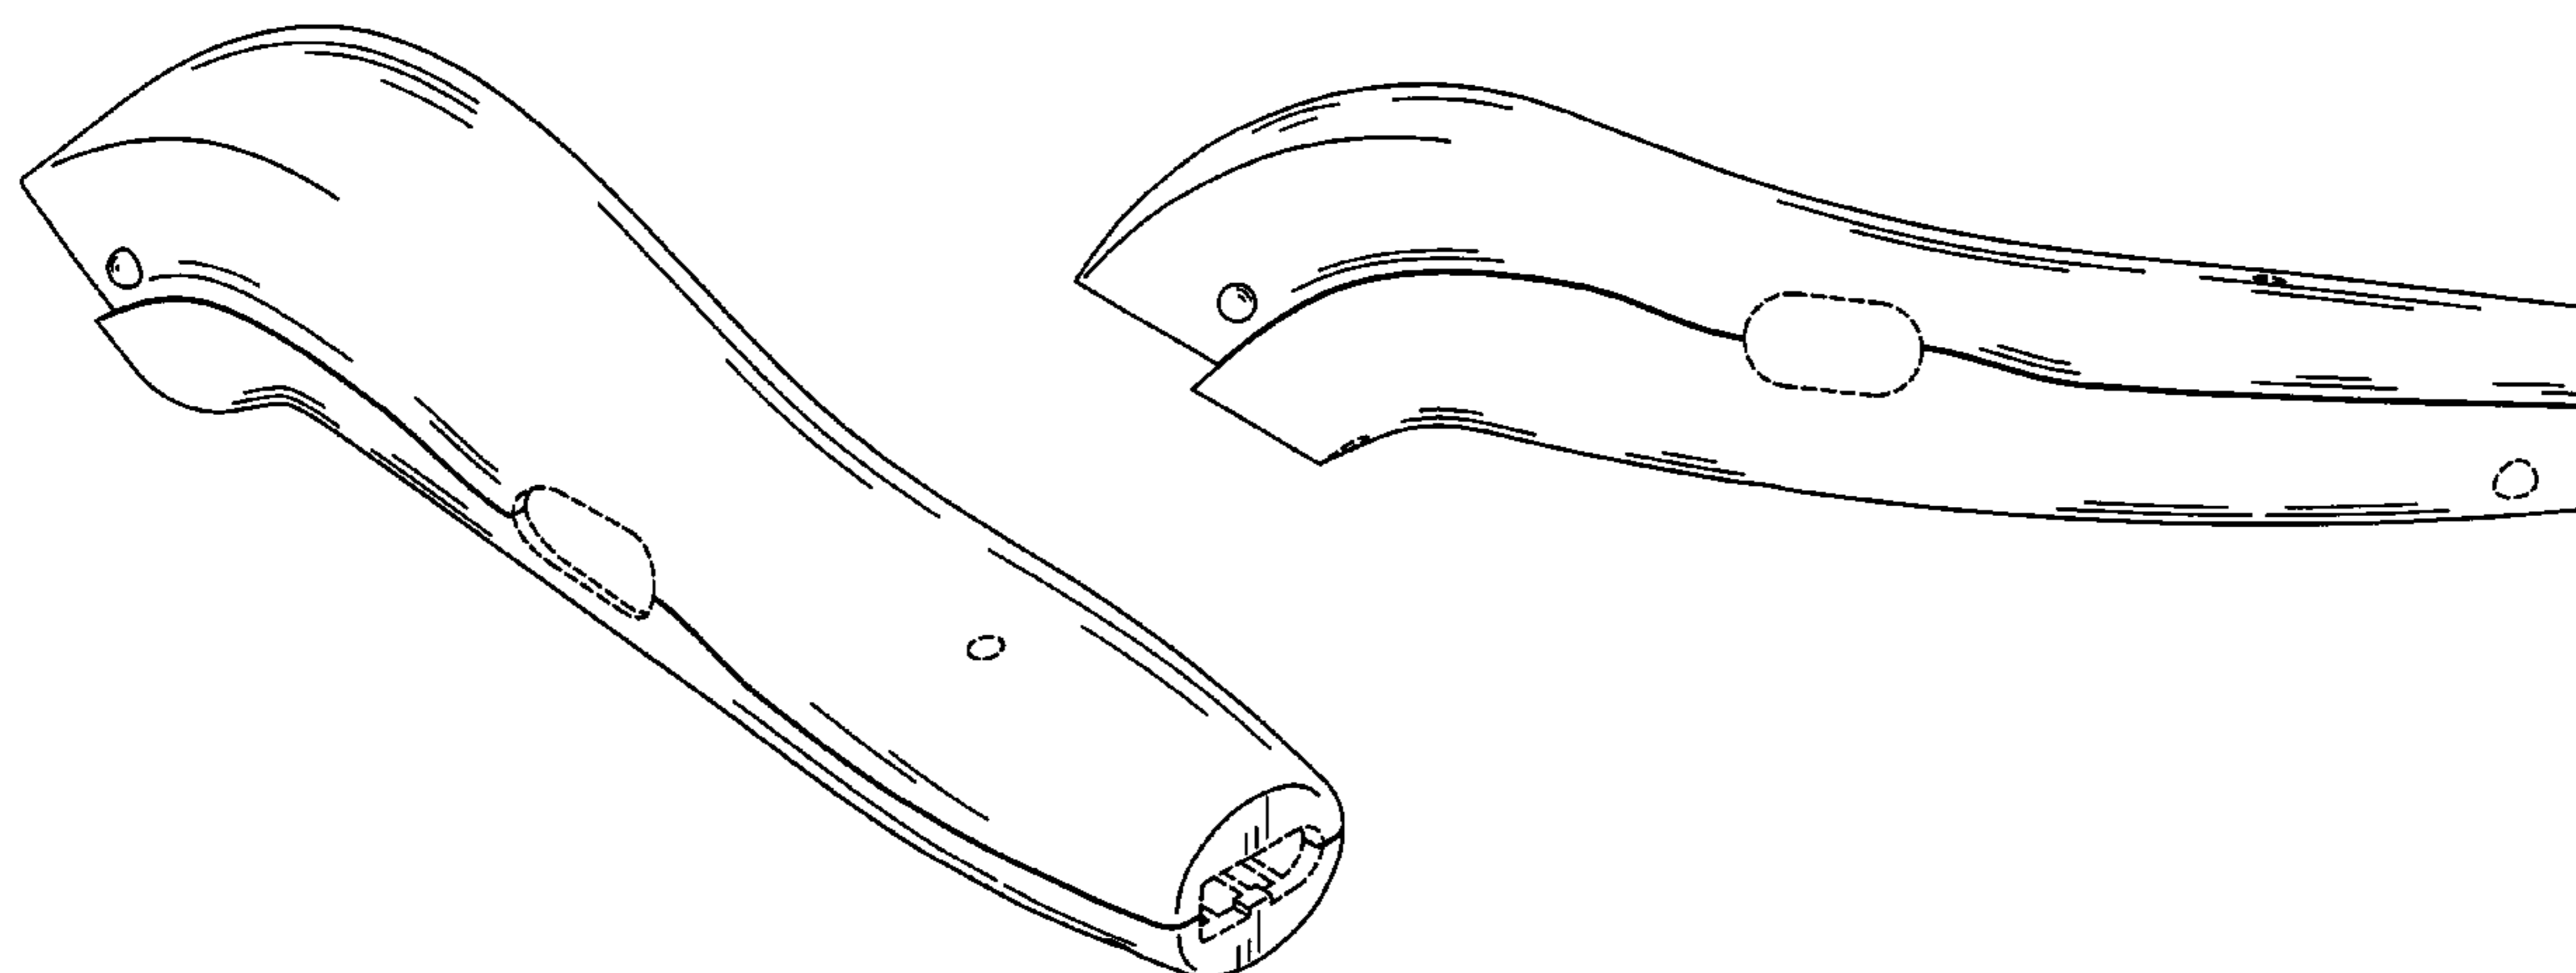

FIG. 12 shows a bottom view of the second preferred embodiment of the present design.

FIG. 13 shows a left view of the second preferred embodiment of the present design; and,

FIG. 14 shows a rear view of the second preferred embodiment of the present design.

The broken lines are shown for illustrative purposes only and form no part of the claimed design.
